**Item 8.01 Other Events.**

On November 6, 2007, UST Inc. (the Company ) announced its plans to spend up to \$350 million in the fourth quarter of 2007 on repurchases of its common shares under its current share repurchase program, depending upon market and other conditions during this period. If the full amount is spent, it would bring total repurchases for the year to \$600 million. As repurchases will be dependent upon market and other conditions, there can be no assurance as to the actual level of repurchases to be made in 2007. The incremental fourth quarter repurchases, which are expected to be made in the open market and through negotiated transactions, will be financed through a combination of cash on hand and short-term borrowings under the Company s existing five-year revolving credit agreement (the Five-Year Revolving Credit Agreement ), a description of which was contained in the Company s Current Report on Form 8-K filed on July 3, 2007 (the July 2007 8-K ) and is incorporated herein by reference. A copy of the Company s existing Five-Year Revolving Credit Agreement was filed as Exhibit 10.1 to the July 2007 8-K.

The Company s press release related to this announcement is attached hereto as Exhibit 99.1 and incorporated herein by reference.
