SCHEDULE 13D

This Amendment No. 1 (this Amendment) amends and supplements the statement on Schedule 13D (the Schedule 13D) filed on September 15, 2008 jointly by Telefónica, S.A., a corporation organized under the laws of the Kingdom of Spain (Telefónica), and Telefónica Internacional, S.A.U., a wholly-owned subsidiary of Telefónica (previously denominated Telefónica Internacional, S.A., in both instances, Telefónica Internacional), with respect to the ordinary shares, U.S.\$0.04 par value per share, of China Netcom Group Corporation (Hong Kong) Limited, a telecommunications company organized under the laws of Hong Kong (CNC). Capitalized terms used in this Amendment without definition have the meanings ascribed to them in the Schedule 13D.

Introduction

On January 18, 2008, Telefónica Internacional entered into four separate sale purchase agreements with each of Shanghai Alliance Investment Ltd., Information and Network Centre of the State Administration of Radio Film and Television, P.R.C., Chinese Academy of Sciences Holdings Co., Ltd., and China Railway Communications Center (the PRC Share Purchase Agreements) to acquire, subject to certain conditions, 148,015,436 ordinary shares of CNC (the Shares) for a total equivalent of approximately 313.53 million, subject to adjustment at closing. Regulatory approval for each of these acquisitions was obtained on September 12, 2008, and closing for the Shares is expected to take place on or about September 23, 2008. (See Item 6 and Exhibits 1 through 4 to this Amendment.)

Item 3. Source and Amount of Funds or Other Consideration.

Pursuant to the PRC Share Purchase Agreements, Telefónica Internacional acquired 148,015,436 ordinary shares of CNC for a total equivalent of approximately 313.53 million. These acquisitions were funded through internally generated funds. (See Item 6 and Exhibits 1 through 4 to this Amendment.)

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The following summary of certain material provisions of the PRC Share Purchase Agreements does not purport to be a full and complete description of such documents and is entirely qualified by reference to the full text of such documents attached as Exhibits 1 through 4 to this Amendment.

On January 18, 2008, Telefónica Internacional entered into the PRC Share Purchase Agreements with each of Shanghai Alliance Investment Ltd., Information and Network Centre of the State Administration of Radio Film and Television, P.R.C., Chinese Academy of Sciences Holdings Co., Ltd., and China Railway Communications Center (each, a Seller). Each of the PRC Share Purchase Agreements provides for the sale and purchase of 37,003,859 ordinary shares of CNC, subject to adjustment at closing for any scrip dividend issue, split or other shares resulting from any change in the capital structure of CNC.

The purchase price payable for such shares under each of the PRC Share Purchase Agreements is HK Dollars 886,982,500, subject to an adjustment of HK Dollars 0.592 per share. The respective closings are conditional on, among other things, the respective parties having received all required government approval, permits, certificates and completed all required registrations for the purpose of the sale and purchase of the shares, and Telefónica Internacional having received from each Seller a waiver from China Network Communications Group Corporation of all pre-emptive rights and other restrictions on transfer of the shares. Regulatory approval for each of the acquisitions provided under the PRC Share Purchase Agreements was obtained from the Chinese authorities on September 12, 2008.

Table of Contents

The closing date for each transaction is the date ten (10) business days after the date on which the last closing condition is satisfied or waived, such date being no later than September 30, 2008, or such later date as the parties may agree. Closing is expected to take place on or about September 23, 2008. Each of the parties made customary warranties in connection with such sale and purchase.
