**Item 3.03 Material Modifications to Rights of Security Holders.**

On February 4, 2009, Footstar, Inc. (the Company) entered into an amendment to the Rights Agreement dated as of March 8, 1999, as amended as of May 31, 2002 (as so amended, the Rights Agreement), between the Company and Mellon Investor Services LLC (formerly ChaseMellon Shareholder Services, L.L.C.), as rights agent. The amendment was approved at a special meeting of the Company's Board of Directors held on January 30, 2008.

Among other things, the amendment reduces the threshold at which a person or group becomes an Acquiring Person under the Rights Agreement from 15% to 4.75% of the Company's then-outstanding common shares. The Rights Agreement, as amended, exempts shareholders whose beneficial ownership as of 4:00 p.m., New York City time, on February 3, 2009 exceeded 4.75% of the Company's then-outstanding common shares so long as they do not acquire additional common shares, except as otherwise provided by existing agreements. The amendment also eliminates provisions of the Rights Agreement exempting certain Qualifying Offers for the Company's common shares from triggering the exercisability of the outstanding rights issued pursuant to the Rights Agreement. The Rights Agreement as amended will terminate on March 8, 2012, unless terminated or extended.

The amendment to the Rights Agreement is intended to help preserve the value of the Company's net operating loss carryforwards (NOLs) and related tax benefits. The Company's ability to use its NOLs could be substantially reduced if the Company experiences an ownership change, as defined under Section 382 of the Internal Revenue Code of 1986 (the Code). The calculation of an ownership change under the Code is based on ownership changes in the Company's common shares by shareholders that own, or are deemed to own, 5% or more of the Company's common shares, and changes are tested over a rolling three-year period.

The Rights Agreement amendment does not ensure that the Company's NOLs will be protected from an ownership change as defined in the Code, and there can be no assurance that such an ownership change will not occur.

The rights issued pursuant to the Rights Agreement are in all respects subject to and governed by the provisions of the Rights Agreement, as amended. Copies of the Rights Agreement and the amendment are available free of charge from the Company. The foregoing description of the amendment to the Rights Agreement is qualified in its entirety by reference to the full text of the amendment, a copy of which is attached as Exhibit 4.1 and incorporated by reference.

**Item 7.01 Regulation FD Disclosure.**

On February 3, 2009, the Company issued a press release relating to the amendment of the Rights Plan. A copy of the press release issued by the Company is attached as Exhibit 99.1 and incorporated by reference.
