PROSPECTUS SUPPLEMENT
(To Prospectus dated July 9, 2009)

General Electric Capital Corporation

\$1,000,000,000
Variable Denomination Floating
Rate Demand Notes
GE Interest Plus for Businesses

The GE Interest Plus for Businesses Notes (the Notes) are designed to provide you with a convenient means of investing funds directly with General Electric Capital Corporation (GE Capital). The Notes pay a floating rate of interest which will vary as determined by the GE Interest Plus Committee. The initial interest rate applicable to the Notes and all subsequent changes to the initial interest rate will be disclosed in pricing supplements filed with the Securities and Exchange Commission in accordance with Rule 424(b) under the Securities Act of 1933.

An investment in the Notes involves risks. See Risk Factors on Page 1 of the accompanying prospectus. In addition, you should carefully consider the following risk factors, as well as the other information contained or incorporated by reference in this prospectus supplement, the accompanying prospectus and any applicable pricing supplement.

We reserve the right to modify, withdraw, or cancel the offer made by this prospectus supplement, the accompanying prospectus and any applicable pricing supplement at any time.

The Notes are not equivalent to a deposit or other bank account and are not subject to the protection of the Federal Deposit Insurance Corporation or any other insurance. The Notes are not guaranteed under the Federal Deposit Insurance Corporation's Temporary Liquidity Guarantee Program. The Notes are not a brokerage account with GE Capital Markets, Inc. or any other broker/dealer and are not protected by the Securities Investor Protection Corporation under the Securities Investors Protection Act of 1970.

The Notes are not a money market fund, in which investors purchase an equity interest in a diversified fund consisting of investments in short term debt securities of many companies, and are not subject to the requirements of the Investment Company Act of 1940 (including diversification of investments) or the Employee Retirement Income Security Act of 1974, as amended.

All investments in the Notes are senior, unsecured obligations of GE Capital and are not obligations of or guaranteed by General Electric Company, the Agent Bank or any other company. It is possible to lose money if GE Capital is unable to pay its debts.

The floating interest rate on investments in the Notes may not provide a basis for comparison with other investments which use a different method of calculating a variable yield or which pay a fixed yield for a stated period of time. The all-in return may also vary between this and other investments based on the frequency of reinvestment of interest earned. See The GE Interest Plus For Businesses Notes Interest below for a detailed description of how interest is calculated and paid.

The Notes are not listed on any securities exchange and there is no secondary market for the Notes.

For information regarding the GE Interest Plus for Businesses Notes, please call 1-888-674-4138 or access our website at www.geinterestplus.com/businesses.

Please read this prospectus supplement, the accompanying prospectus and any applicable pricing supplement hereto carefully and retain for future reference.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement, the accompanying prospectus or any pricing supplement. Any representation to the contrary is a criminal offense.

The Notes may be offered through GE Capital Markets, Inc., as agent.

THE GE INTEREST PLUS FOR BUSINESSES NOTES

Interest

The Notes will have no stated maturity and will earn interest at floating rates, to be determined by the GE Interest Plus Committee. Interest on the Notes will accrue daily. The rate of interest paid for any period on the Notes is not an indication or representation of future rates. Accrued interest will be credited and automatically reinvested in additional Notes monthly and will begin to accrue interest on the first day following the date of such reinvestment.

Fees

There are no maintenance fees, no sales loads, and no charges for investing or for ongoing management. There are fees for wire redemptions, investment checks drawing funds from a bank account returned for insufficient funds, and other unusual services, which will be directly debited from the aggregate principal amount of your Notes.

Investor Statements

You will receive regular statements (via mail or electronically) showing a summary of all of your transactions in the Notes, interest earned, the principal amount of Notes held by you at the open and close of the period, and other important information.

Obligation to Review Investment Activity and Maintain Accurate Information On File With Us

You are responsible for promptly examining each monthly statement to determine the accuracy of all redemptions and investments made that month. If your statement shows activity that you did not authorize, notify the Servicing Agent at once. If you fail to promptly report an unauthorized redemption, you may not be able to recover any losses resulting from the redemption. In addition, you must promptly provide the Servicing Agent with notice of any change in your address. If your registered investment address is not kept up to date and mail is returned to us by the United States

How to Invest

To invest in the Notes, complete an application and make an initial investment in one of three ways. 1. By Check: Your check must be drawn from the business checking account you link to your GE Interest Plus For Businesses investment. 3. Currently, the minimum initial investment is \$500. If the principal amount of your Notes falls below these minimum investment levels or we do not receive your initial investment within 60 days of your investment establishment date, we reserve the right to redeem your Notes and return the proceeds to you, or deduct a monthly maintenance fee from the principal amount of your Notes.

After your initial investment in the Notes, you may invest in additional Notes at any time, without charge, by any of the following methods:

BY QUICK INVEST. If you have completed the procedures for the Quick Invest service, you may use the automated phone system at any time during regular business hours or the Online Access website at any time to withdraw any amount of funds (minimum \$25) from your pre-designated bank checking account and invest the funds in additional Notes through an electronic automated clearinghouse (ACH) transfer. To set up Quick Invest, you must have provided us with a voided blank check to verify your checking account. Your investment will be made and interest will begin to accrue on the same day your money is transferred. Investments made by ACH cannot be redeemed until the later of three business days after the electronic transfer is first completed or when the electronic transfer clears.

BY CHECK MAILED TO AGENT BANK. Mail your investment check to: GE Interest Plus For Businesses, P.O. Box 6293, Indianapolis, Indiana 46206-6293. Checks should be made payable to GE Interest Plus For Businesses or the business's name. Investment checks must be drawn on a bank located in the U.S. and be in U.S. dollars. Your investment will be made and interest will begin to accrue on the first business day that the Agent Bank's processing unit receives your check provided that the check is received prior to 3:00 p.m. Eastern Time. Investments made by check cannot be redeemed until the later of seven business days after the check is first invested in the Notes or when the check clears.

How To Redeem

You may redeem any part of your Notes at any time as described below. Interest on redeemed investments will accrue to, but not including, the date of redemption. You may redeem all of your Notes only by use of the written redemption option described below. The Notes may not be redeemed through externally generated ACH transactions.

QUICK REDEMPTION. If you indicated on your application, or by subsequent written request, that you wish to participate in the Quick Redemption service, you may instruct the Servicing Agent, through the automated telephone line or through our Online Access website, to redeem your GE Interest Plus Notes (minimum of \$25) and have the proceeds transferred to your pre-designated bank checking account through an electronic automated clearinghouse (ACH) transfer. To use this option you must have provided us with a voided blank check to verify your checking account. After you enter your Quick Redemption transaction into our automated phone system or Online Access website, you will be provided with the date that the redemption proceeds will be transferred. Interest will accrue on your Notes to, but not including, the business day on which the redemption proceeds are transferred.

WRITTEN REDEMPTION. You may redeem any part of or all of your Notes by written request, including the signature(s) of individual(s) who have been authorized to act on behalf of your business. A check, payable to the registered owner(s), for the requested amount (or in an amount equal to the principal amount of your Notes if you are redeeming all of your Notes) will be mailed to the registered noteholder's address.

WIRE REDEMPTION. You can redeem any part of your Notes, subject to a \$2,500 minimum, by wire transfer if you have pre-authorized the wire redemption option. Wire redemption proceeds can only be wired to the U.S. bank account you have designated on your application. To change this designation, a written request signed by authorized individual(s) must be submitted to the Agent Bank. Funds will be wired on the same business day as the receipt of your wire redemption request, provided that your request is received by the Agent Bank by 12:00 noon Eastern Time.

The Agent Bank's records of the wire instructions are binding.

Optional Redemption by GE Capital

We may redeem, at any time at our option, all or any part of the Notes. Any partial redemption of Notes will be effected by lot, or pro rata, or by any other method that is deemed fair and appropriate by the trustee for the Notes, except that we may redeem all of the Notes not meeting guidelines established from time to time by the GE Interest Plus Committee. We will give at least 30 days prior written notice to you if we decide to redeem your Notes.
