Item 7.01. Regulation FD Disclosure.

On August 26, 2009, Herbert A. Fritch, Chief Executive Officer of HealthSpring, Inc. (the Company), adopted a new pre-arranged, non-discretionary stock trading plan to sell a portion of his Company common stock over time as part of a long-term strategy for liquidity and asset diversification. The plan was adopted in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the Company's policies with respect to stock transactions by Company insiders. Transactions under the plan will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.

Mr. Fritch's plan covers up to 675,000 shares of Company common stock. Subject to certain limitations, sales may take place over a one-year period commencing no earlier than November 2, 2009. Under the plan, all sales are subject to specified minimum per share price limits. These share price limits are in excess of the \$14.02 closing sales price reported on the New York Stock Exchange for the Company's common stock on August 26, 2009.

Mr. Fritch's previous Rule 10b5-1 stock trading plan expired on June 16, 2009, under which only 142,500 of the 500,000 shares that were covered by such plan (exclusive of shares subject to prepaid forward-sale contracts) were sold, because of share price limits that were not met.

The information furnished pursuant to this Item 7.01 of Form 8-K shall not be deemed to be filed for the purposes of Section 18 of the Exchange Act and Section 11 of the Securities Act of 1933, as amended, or otherwise subject to the liabilities of those sections.
