***Update of 2008 Form 10-K***

Ramco-Gershenson Properties Trust (the Company) is filing this Current Report on Form 8-K to update the Company's Annual Report on Form 10-K for the year ended December 31, 2008 (the 2008 Form 10-K), which was originally filed with the Securities and Exchange Commission on March 11, 2009, and as amended on April 30, 2009, to reflect the following:

the retrospective adoption of Statement of Financial Accounting Standards (SFAS) No. 160, *Noncontrolling Interests in Consolidated Financial Statements, an Amendment of ARB No. 51* (SFAS 160), effective January 1, 2009 (discussed below and in Note 1 to the Consolidated Financial Statements); and

the retrospective adoption of Financial Accounting Standards Board (FASB) Staff Position No. EITF 03-6-1, *Determining Whether Instruments Granted in Share-Based Payment Transactions Are Participating Securities* (FSP EITF 03-6-1), effective January 1, 2009 (discussed below and in Note 1 to the Consolidated Financial Statements).

Effective January 1, 2009, the Company adopted the provisions of SFAS 160 retrospectively, which requires noncontrolling interests (previously referred to as minority interests) to be treated as a separate component of equity, not as a liability or other item outside of permanent equity. Consolidated net income and comprehensive income is required to include the noncontrolling interest's share. The calculation of earnings per share will continue to be based on income amounts attributable to the parent. Upon adoption of SFAS 160, the carrying amount of noncontrolling interest in subsidiaries reclassified to permanent equity as of December 31, 2008 and 2007 was \$39.3 million and \$41.2 million, respectively. As a result of these reclassifications, total shareholders' equity at December 31, 2008 and 2007 increased to \$313.0 million and \$322.8 million from the \$273.2 million and \$281.4 million amounts previously reported, respectively.

Further, as a result of the adoption of SFAS 160, net income attributable to the noncontrolling interest in subsidiaries is now excluded from the determination of net income attributable to the parent. In addition, the individual component of other comprehensive income is now presented in the aggregate, with the portion attributable to noncontrolling interests deducted from comprehensive income attributable to common shareholders. Corresponding changes have also been made to the accompanying consolidated statements of cash flows. Refer to Note 1 of the Notes to the Consolidated Financial Statements for further information.

In addition to the retrospective adoption of SFAS 160, the Company also retrospectively adopted the provisions of FSP EITF 03-6-1. FSP EITF 03-6-1 clarifies that unvested share-based payment awards that contain non-forfeitable rights to dividends or dividend equivalents are considered participating securities and should be included in the calculation of basic earnings per share using the two-class method prescribed by SFAS No. 128, *Earnings Per Share*. All prior period earnings per share amounts presented were adjusted retrospectively. The adoption of the provisions of FSP EITF 03-6-1 did not have a material effect on the Company's consolidated financial condition, results of operations, or cash flows. Refer to Note 1 of the Notes to the Consolidated Financial Statements for further information.

Neither this subsection of the Current Report nor Exhibits 12, 23, or 99 hereto reflect any events occurring after the date of filing the 2008 Form 10-K or modify or update the disclosures in the 2008 Form 10-K that may have been affected by subsequent events, except as required to reflect the effects of the retrospective adoptions and certain reclassifications, as described above. Accordingly, the Company has amended disclosures, to the extent relevant, in only the following items of the 2008 Form 10-K.

Part II Item 6. Selected Financial Data;

Part II Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations; and

Part II Item 8. Financial Statements and Supplementary Data.

Edgar Filing: RAMCO GERSHENSON PROPERTIES TRUST - Form 8-K

Changes to all other items, including but not limited to Part I Item 1, as a result of the retrospective adoptions discussed above were immaterial, and therefore, the Company has not amended such disclosures as part of this filing.

Updates provided in Exhibits 12, 23, or 99 are incorporated by reference into this Item subsection of 8.01.

***Additional Exhibits to be Filed with the Commission***

The Company inadvertently omitted to file with the Commission certain immaterial amendments to its unsecured credit facility. Such documents are listed in Item 9.01 as Exhibits 10.1 10.3 and are thereby filed with the Commission.

The Company inadvertently omitted to incorporate by reference certain documents that were previously filed with the Commission in Part IV, Item 15, Exhibits and Financial Statement Schedules of the Company's Annual Report on Form 10-K for the year ended December 31, 2008, as amended. Such documents are listed in Item 9.01 as Exhibits 10.4 10.7 and are thereby filed with the Commission.
