2010 Grants of Performance Stock Units to Named Executive Officers

On February 16, 2010, the Compensation Committee (the Committee) of the Board of Directors of McAfee, Inc. (McAfee) granted performance stock units (PSUs) to the following named executive officers:

Name	Title	Number of PSUs
David DeWalt	Chief Executive Officer and President	97,500
Michael DeCesare	Executive Vice President, Worldwide Sales Operations	22,100
Mark Cochran	Executive Vice President and Chief Legal Officer/General Counsel	15,600
Keith Krzeminski	Senior Vice President, Finance and Chief Accounting Officer	3,900

The vesting of the PSUs is based upon the achievement of certain performance measures established by the Committee for the 2010 performance period and to be established by the Committee for the future 2011 and 2012 performance periods. The PSUs are also subject to the terms and conditions of McAfee's 1997 Stock Incentive Plan, as amended, and McAfee's standard form of Performance Stock Unit Issuance Agreement entered into by McAfee and each award recipient.

Renewal of Change of Control and Retention Agreements

The Change of Control and Retention Agreements between McAfee and each of its named executive officers expired on February 15, 2010 pursuant to their terms. After a review of market practices conducted by the Committee, with the assistance of outside compensation consultants, the Committee determined it appropriate to renew the Change of Control and Retention Agreements with each of McAfee's named executive officers other than Albert Rocky Pimentel for an additional two-year period. As previously disclosed, Mr. Pimentel will be retiring later this year as McAfee's Chief Operating Officer and Chief Financial Officer. Accordingly, on February 16, 2010 McAfee entered into a Change of Control and Retention Agreement with each of its named executive officers other than Mr. Pimentel, the terms of which are identical to the respective expired agreements, except with a term ending February 29, 2012. A summary of the material terms of the agreements is set forth below. A copy of the form of the agreements is included as an Exhibit to this Form 8-K.

The agreement with Mr. DeWalt provides for certain severance benefits in the event McAfee terminates Mr. DeWalt's employment for other than cause or in the event that Mr. DeWalt resigns for good reason. The agreement provides for varying severance benefits based upon whether the termination occurs within eighteen (18) months following a change of control of McAfee (the Change of Control Period). The severance payments provided to Mr. DeWalt by the agreement will supersede any severance payments afforded Mr. DeWalt in any employment agreement he had with McAfee. Without regard to severance payments, Mr. DeWalt's employment will not be changed by the agreement. Pursuant to the agreement and

subject to signing a standard release of claims, upon Mr. DeWalt's termination for other than cause or upon his resignation for good reason, he will be entitled to the following benefits:

Termination Other than During a Change of Control Period

A lump-sum payment (less applicable tax withholding) equal to twelve (12) months of Mr. DeWalt's annual base salary, plus a pro rata fraction of the amount equal to 110% of his annual base salary, with the pro rata fraction determined as the number of days in the year to the date of termination divided by 365;

A payment equal to twelve (12) months of the cost of continuation coverage of medical benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), if Mr. DeWalt was covered under McAfee's health plan; and

Full acceleration of vesting of the outstanding restricted stock units from Mr. DeWalt's February 11, 2008 grant with respect to 125,000 shares of stock which are due to fully vest within twelve (12) months following termination.

Termination During a Change of Control Period

A lump-sum payment (less applicable tax withholding) equal to twenty-four (24) months of Mr. DeWalt's annual base salary as in effect immediately prior to the change of control or the termination (whichever is greater), plus the amount equal to 200% of his target bonus for the fiscal year of the change of control or the termination (whichever is greater);

A payment for COBRA as described above; and

Full acceleration of vesting of all Mr. DeWalt's then outstanding equity awards.

Additionally, in the event Mr. DeWalt is terminated for other than cause or resigns for good reason before a change of control but on or after a potential change of control, Mr. DeWalt will be entitled generally to the superior severance benefits provided by a termination during a Change of Control Period. A potential change of control would generally occur upon the execution of an agreement, Board approval, or public announcement for McAfee to enter into a transaction that would be a change of control if such transaction is subsequently consummated. This benefit is only available if the change of control occurs.

The agreements with each of Mark Cochran, Michael DeCesare and Keith Krzeminski (the Tier 2 Executives), provide substantially the same terms and conditions as the agreement with Mr. DeWalt as described above. However, the agreements with each Tier 2 Executive provide different benefits from those for Mr. DeWalt as described below:

Termination Other than During a Change of Control Period

A lump-sum payment (less applicable tax withholding) equal to twelve (12) months of the Tier 2 Executive's annual base salary, plus a pro rata fraction of a stated percentage, ranging from 43% to 100% of their annual base salary, with the pro rata

fraction determined as the number of days in the year to the date of termination divided by 365; and

A payment equal to twelve (12) months of the cost of continuation coverage of medical benefits under COBRA, if the Tier 2 Executive was covered under McAfee's health plan.

Termination During a Change of Control Period

A lump-sum payment (less applicable tax withholding) equal to twelve (12) months of the Tier 2 Executive's annual base salary as in effect immediately prior to the change of control or the termination (whichever is greater), plus the amount equal to his target bonus for the fiscal year of the change of control or the termination (whichever is greater);

A payment for COBRA as described above; and

Full acceleration of vesting of all of the Tier 2 Executive's then outstanding equity awards.

Apart from the varied benefits described directly above, the benefits provided to a Tier 2 Executive upon a termination for other than cause or a resignation for good reason are generally the same as those provided to Mr. DeWalt, including the provision for benefits upon a potential change of control.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits:

10.1 Form of Change of Control and Retention Agreement (Mr. DeWalt and Tier 2 Executives).
