EX-99.A

Table of Contents

Item 1. Security and Issuer.

This Amendment No. 6 to Schedule 13D amends and supplements the statement on Schedule 13D originally filed by Rio Tinto plc (Rio Tinto) and Rio Tinto International Holdings Limited (RTIH) on November 3, 2006 and amended on September 12, 2007, October 26, 2007, January 7, 2008, April 10, 2008 and October 30, 2009 (as amended and supplemented, the Schedule 13D) with the Securities and Exchange Commission (the SEC), relating to the common shares, without par value (the Shares), of Ivanhoe Mines Ltd., a corporation continued under the laws of the Yukon Territory, Canada (the Company).

Item 3. Source and Amount of Funds or Other Consideration.

The following section is added to the end of Item 3 of the Schedule 13D:

On February 26, 2010, RTIH and Rio Tinto Alcan Pte Ltd. (Rio Alcan), a wholly-owned subsidiary of Rio Tinto, entered into a legally binding heads of agreement with the Company and certain others pursuant to which Rio Alcan has agreed to acquire 15,000,000 Shares (the Equipment Sale Shares), representing upon issuance 2.7% of the outstanding Shares, at a price of Cdn\$16.31 per Share for total consideration of Cdn\$244,650,000 (the Acquisition). The Shares are to be issued by the Company to Rio Alcan in satisfaction of the purchase price for the purchase by the Company from Rio Alcan of certain key mining and milling equipment (and the contractual right to delivery of certain other equipment which has not yet been fully constructed) for the OT Project.

The equipment and contractual rights were originally acquired by Rio Alcan from the Company in 2008. By acquiring the equipment at that time, Rio Alcan provided the Company with the funds necessary for the ongoing development of the OT Project and maintained the critical long lead manufacturing time for the equipment.

The issuance of the Equipment Sale Shares will be subject to the written acceptance of the Toronto Stock Exchange, including the fulfillment of any conditions precedent to such acceptance. If one of such conditions precedent is approval of the issuance of such Shares by the shareholders of the Company, Mr. Robert M. Friedland, currently the largest shareholder of the Company, has agreed to vote his Shares in favor of the transaction.

Table of Contents

Item 5. Interest in Securities of the Issuer.

Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows.

The responses of Rio Tinto and RTIH to Rows (11) through (13) of the cover pages of this Schedule 13D and the information set forth in Item 3 are hereby incorporated by reference in this Item 5.

Pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired 37,089,883 Shares, representing upon completion 9.95 per cent of the Company's outstanding Shares, and on the Second Closing Date, RTIH acquired an additional 46,304,473 Shares. The Shares acquired were originally intended to produce an aggregate interest of 19.9 per cent of the Company's outstanding Shares but, as a result of Share issues under employee share plans, the aggregate interest has been diluted to 19.7 per cent of the Company's outstanding Shares. Pursuant to RTIH's anti-dilution rights under the Private Placement Agreement (as described in Item 4), RTIH also acquired on December 4, 2008 an additional 243,772 Shares and warrants which are exercisable to purchase an additional 1,440,406 Shares at a price of Cdn\$3.1465 per share.

Also pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired the Series A Warrants and the Series B Warrants which are exercisable to purchase an additional 92,053,044 Shares. On the Funding Date, RTIH acquired the Series C Warrants which, pursuant to the Funding Proportion,³ are currently exercisable to purchase an additional 35,000,000 Shares. As of March 1, 2010, the Loan Amount was convertible into a maximum of an additional 45,800,000 Shares at a price of \$10.00 per Share upon maturity.⁴

Pursuant to the Acquisition, Rio Alcan has agreed to acquire 15,000,000 Shares, representing upon issuance 2.7% of the outstanding Shares, subject to the written acceptance of the Toronto Stock Exchange, including the fulfillment of any conditions precedent to such acceptance.

Therefore, each of Rio Tinto, RTIH and Rio Alcan is deemed to beneficially own 272,931,578 Shares which, assuming the exercise of all the Series A Warrants, Series B Warrants, Series C Warrants and Anti-Dilution Warrants, the conversion of the Loan Amount into a maximum of an additional 45,800,000 Shares and the completion of the Acquisition, in addition to the 37,089,883 Shares acquired by RTIH on the First Closing Date and the 46,304,473 Shares acquired by RTIH on the Second Closing Date, would represent 44.0 per cent of the Company's outstanding Shares on a fully diluted basis.

³ As at March 1, 2010, the Funding Proportion is one, which is equal to the lesser of one and the result obtained by dividing (i) \$350 million, the total drawdown under the Facility, by (ii) \$350 million

⁴ The Loan Amount bears interest at LIBOR plus 3.5 per cent and matures on

September 12, 2010. The principal amount of \$350,000,000 and up to \$108,000,000 in interest automatically converts into a maximum of 45.8 million Shares at a price of \$10.00 per share upon maturity. Based on current interest rates, the amount may approximate 405,000,000, or approximately 40,500,000 Shares, on conversion.

Table of Contents

The percentage of the class of securities identified pursuant to Item 1 beneficially owned by each of Rio Tinto and RTIH is based on 378,379,726 Shares outstanding as of September 30, 2009, as contained in the Company's Quarterly Financial Report for the Three and Nine Months Ended September 30, 2009.

In addition, the Shares deemed beneficially owned by each of Rio Tinto and RTIH with respect to which such person (i) has sole voting power, (ii) shares voting power, (iii) has sole dispositive power and (iv) shares dispositive power are listed in the responses to Items 7, 8, 9 and 10, respectively, of the cover page of this Schedule 13D relating to such person.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, beneficially owns any Shares or has the right to acquire any Shares.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the Shares which they may be deemed to beneficially own.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, has effected any transaction in the Shares during the past 60 days.

To the best knowledge of Rio Tinto and RTIH, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares beneficially owned by Rio Tinto and RTIH.
