PROXY STATEMENT

This proxy statement is furnished to stockholders of Community Central Bank Corporation in connection with the solicitation of proxies by its Board of Directors for use at the Corporation's annual meeting of stockholders and at any and all adjournments or postponements of the meeting. The annual meeting of stockholders is being held on Tuesday, May 18, 2010, at 9:00 a.m., at the ConCorde Inn Banquet & Conference Center, 44315 Gratiot Avenue, Clinton Township, Michigan. These proxy materials are first being mailed to our stockholders on or about April 21, 2010. Community Central Bank Corporation is referred to as the Corporation throughout this document. Certain of the information provided herein relates to Community Central Bank, a wholly owned subsidiary of the Corporation, which is referred to in this proxy statement as the Bank.

The Board of Directors, in accordance with the bylaws of the Corporation, has fixed the close of business on March 22, 2010, as the record date for determining the stockholders entitled to notice of and to vote at the annual meeting and at any and all adjournments and postponements of the meeting. At the close of business on the record date, the Corporation had 3,737,181 shares of common stock outstanding, with each outstanding share entitled to one vote. A majority of the outstanding shares will constitute a quorum at the meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its exercise. Unless the proxy is revoked, the shares represented by it will be voted at the annual meeting or any adjournment of the meeting. You may revoke your proxy before it is voted at the annual meeting by (i) submitting a new proxy with a later date; (ii) notifying the Corporation's Secretary at the above address that you revoke your previously submitted proxy; or (iii) voting in person at the annual meeting. If you have instructed a broker, bank, or other nominee to vote your shares, you must follow directions received from your nominee to change those instructions.

The entire cost of soliciting proxies will be borne by the Corporation. Proxies may be solicited by mail or by directors, officers, or employees of the Corporation or its subsidiary, in person, by telephone or by other forms of communication. The Corporation will reimburse brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of common stock of the Corporation.

Shares held in street name by a broker, bank or other nominee, as the record holder of the shares, are required to be voted in accordance with instructions from the beneficial owner of the shares. If no instructions are provided to the nominee, the nominee will be entitled to vote the shares with respect to discretionary items but will not be permitted to vote the shares with respect to non-discretionary items. In the case of non-discretionary items, the shares will be treated as broker non-votes.

A plurality of the votes cast at the meeting is required to elect directors. This means that the three directors receiving the highest number of for votes at the annual meeting will be elected as directors. Broker non-votes and instructions to withhold authority to vote for one or more nominees will result in the nominee receiving fewer votes, but will not affect the outcome of the election.

The affirmative vote of a majority of the total number of votes cast at the meeting is required to approve the ratification of our appointment of Plante & Moran, PLLC as our independent public accounting firm for the year ending December 31, 2010. Abstentions from voting on this proposal will have the same effect as a vote against the proposal. Broker non-votes have no effect on this proposal.

The proposed nominees for election as directors are willing to serve if elected; however, in the event that any nominee at the time of election is unable to serve or is otherwise unavailable for election, the Board of Directors may select a substitute nominee, and in that event the persons named in the enclosed proxy intend to vote the proxy for the person so selected. **BOARD MEETINGS, BOARD COMMITTEES
AND CORPORATE GOVERNANCE MATTERS**

Attendance at Board, Committee and Annual Stockholders Meetings. The Corporation's Board of Directors conducted ten meetings during fiscal 2009. The Board of Directors of the Bank, the Corporation's principal operating subsidiary, conducted ten meetings during fiscal 2009. Each director attended at least 75% of the (i) Corporation's Board meetings and any committees on which he or she served and (ii) Bank's Board meetings and any committees on which he or she served. In addition, all of our Board members are expected to attend the Corporation's annual meeting of stockholders, although the Corporation does not have any written policy as to Board members' attendance at the annual meeting of stockholders. Last year's annual meeting of stockholders was attended by the entire Board of Directors.

Independent Directors. The Board of Directors has determined that directors Gebran S. Anton, Salvatore Cottone, Celestina Giles, Joseph F. Jeannette, James T. Mestdagh, Dean S. Petitpren, John W. Stroh, III and David E. Weber qualify as independent directors in accordance with the NASDAQ Marketplace Rules. The NASDAQ independence definition includes a series of objective tests, such as that the director is not an employee of the corporation and has not engaged in various types of business dealings with the corporation. As further required by the NASDAQ Marketplace Rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Corporation with regard to each director's business and personal activities as they may relate to the Corporation and its management.

Board Leadership Structure. The Board has placed the responsibilities of Chairman with an independent nonexecutive member of the Board which we believe provides better accountability between the Board and our management team. We believe it is beneficial to have an independent Chairman whose sole responsibility to us is leading our Board members as they provide leadership to our executive team. Our Chairman is responsible for providing leadership to the Board and facilitating communication among the directors; setting the Board meeting agendas in consultation with the President and CEO; and presiding at Board meetings, executive sessions and shareholder meetings. This delineation of duties allows the President and CEO to focus his attention on managing the day-to-day business of the Corporation. We believe this structure provides strong leadership for our Board, while positioning our President and CEO as the leader of the Corporation in the eyes of our customers, employees and other stakeholders.

Executive sessions of the non-management directors without management in attendance are provided for at each regularly scheduled Board meeting and are chaired by our non-executive Chairman of the Board.

Board Role in Risk Oversight. The Board of Directors is responsible for consideration and oversight of risks facing Community Central Bank Corporation, and is responsible for ensuring that material risks are identified and managed appropriately. The Audit Committee meets quarterly with management in order to review our major financial risk exposures and the steps management is taking to monitor and control such exposures. Directors also serve on various committees that focus on major areas of risk in Community Central Bank Corporation that include but are not limited to loans, investments and compensation. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee reports to the full Board of Directors.

Table of Contents

Board Committees and Charter. The Board of Directors of the Corporation has standing Executive, Audit, Compensation and Nominating Committees. The Board of Directors has adopted a written charter for the compensation, audit and nominating committees, as well as a written code of business conduct and ethics that applies to all of our directors, officers and employees. You may also obtain a copy of these documents free of charge by writing to our Corporate Secretary at Community Central Bank Corporation, 120 North Main Street, Mount Clemens, Michigan 48043, or by calling (586) 783-4500.

The Audit, Compensation and Nominating Committee members consist of solely independent directors as defined in the NASDAQ Marketplace Rules. In addition, the members of the Audit Committee each qualify as independent under standards established by the U.S. Securities and Exchange Commission (the SEC) for members of audit committees. The Audit Committee also includes at least one independent member who the Board has determined meets the qualifications of an audit committee financial expert in accordance with SEC rules. Mr. Cottone is the independent director who has been determined to be an audit committee financial expert.

We have no employment, severance or change in control agreements with our named executive officers. The stock options reported in the table above were granted by the Compensation Committee pursuant to the terms of the 2002 Incentive Plan. All options awarded pursuant to this plan are at an exercise price equal to the fair market value of the Corporation's common stock on the date of grant. Fair market value is defined under the plan as the mean between the highest and lowest sales price per share of the Corporation's common stock as reported on the NASDAQ Stock Market on the date of grant or, if

there were no sales reported on the grant date, on the last preceding date on which a sale was reported. In the event an optionee is terminated following a change in control of the Corporation, the vesting period of the options, if any, is accelerated. The options are not transferable except by will or the laws of descent and distribution.

Mr. Widlak serves as a director on the Corporation's Board of Directors. Under the Corporation's 2002 Incentive Plan, as amended, each director is awarded 300 shares of unrestricted common stock of the Corporation annually. The awards are made each year, on the first business day of the month following the annual meeting of stockholders, from 2002 through 2010, during the period that the director serves on the Board and are reflected under "Stock Awards" in the Summary Compensation Table above.

Retirement and Post-Termination Benefits

The Corporation, through the Community Central Bank Corporation Supplemental Executive Retirement Plan, and the Bank, through the Community Central Bank Supplemental Executive Retirement Plan, provide supplemental retirement benefits to the named executive officers (collectively, the SERP). The SERP is designed to provide monthly benefits over a 15-year period to each participant upon his retirement. The SERP is an unfunded plan. The Bank has obtained life insurance policies on the lives of the participants in the SERP as a means of offsetting the costs of providing the benefits under the SERP.

The annual benefit under the SERP upon retirement is the product of the participant's final average compensation, benefit percentage, and vested percentage. The participant's vested percentage is based on his years of credited service. Each participant's benefit percentage, vesting formula, and years of credited service are set out in the participant's SERP agreement. The SERP agreement may provide for a minimum or maximum SERP benefit amount. If a change in control occurs while the participant is actively employed by the Corporation, then the participant will fully vest in his SERP benefit regardless of his years of credited service.

Final average compensation is the average of the participant's three highest years of compensation, whether or not such years are consecutive. Compensation is defined as the annual cash compensation relating to services performed by a participant for the Bank or the Corporation during any calendar year, whether or not paid in such calendar year or included on the Federal Income Tax Form W-2 for such calendar year, excluding fringe benefits, stock options, other stock based compensation, relocation expenses, non-monetary awards, and automobile and other allowances paid to a participant for employment services rendered (whether or not such allowances are included in the participant's gross income).

The minimum benefit for Mr. Widlak and Mr. Colonius is \$75,000 per year paid monthly over a 15 year period upon retirement. The maximum benefit for these individuals is 50% of the average compensation of the three highest years of compensation as previously defined, on an annual basis to be paid monthly over a 15 year period upon retirement. The minimum and maximum benefit for Mr. Locricchio is set at \$50,000 per year, paid monthly upon retirement. Participants vest at a rate of 10% for each year of credited service. As of December 31, 2009, Mr. Widlak, Mr. Colonius and Mr. Locricchio had eight, ten and seven years of credited service, respectively.

A participant's vested SERP benefit commences upon the later of the date the participant attains age 65, or terminates employment with the Corporation (the Normal Retirement Date). The SERP pays monthly payments equal to one-twelfth of the participant's vested annual benefit as determined above. Monthly payments commence on the first day of the month after the participant's Normal Retirement Date, and continue for a specified number of months, typically one hundred and eighty (180). If the participant is a specified employee (generally an officer earning over \$145,000), his monthly payments may be delayed until 185 days after his termination of employment. At December 31, 2009, each of the executive officers, if they had terminated employment with the Corporation at that date, would have been entitled to annual retirement benefits under the SERP, payable for 15 years commencing at age 65, as follows: Mr. Widlak \$134,968; Mr. Colonius - \$93,607; and Mr. Locricchio \$35,000.

Table of Contents

In-service distributions are not permitted under the SERP, unless the participant is subject to current taxation with respect to some or all of his SERP benefit, in which case some or all of his vested SERP benefit may be distributed. If the participant dies or is terminated for cause, no benefits are payable under this Plan. In the event of death, however, the participant's beneficiaries may receive a benefit under the Bank's Death Benefit Plan relating to his SERP benefit or the unpaid portion thereof.

If a participant dies before receiving any retirement benefits under the SERP, then pursuant to the Bank's Death Benefit Plan, his designated beneficiary will be entitled to receive a single lump sum amount equal to the equivalent actuarial value of the participant's SERP benefit plus a tax gross-up amount. If a participant dies after he has begun to receive retirement benefits under the SERP, then pursuant to the Bank's Death Benefit Plan, his designated beneficiary will be entitled to receive a single lump sum amount equal to the equivalent actuarial value of the participant's remaining SERP benefit plus a tax gross-up amount. The tax gross-up amount, which is intended to compensate a participant's beneficiary for federal, state and local income and employment taxes attributable to the participant's death benefit, is equal to 45 percent of the participant's death benefit payment. Under this scenario, at December 31, 2009, the lump sum present value including a tax gross up amount would be as follows: Mr. Widlak \$1,725,715; Mr. Colonius \$782,377; and Mr. Locricchio \$426,867.

If the SERP is terminated, the participant's SERP benefit will be paid to him in a lump sum amount in cash as soon as practicable after the termination. The lump sum amount will be the equivalent actuarial value of the Participant's SERP benefit at the time the Plan is terminated. If the SERP had been terminated as of December 31, 2009, then under that scenario each of the executive officers would have been entitled to receive a lump sum amount, as follows: Mr. Widlak - \$1,487,686; Mr. Colonius \$539,570; and Mr. Locricchio \$420,559.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Bank has had, and expects to have in the future, loans and other banking related transactions in the ordinary course of business with the Corporation's directors, executive officers, and principal stockholders and their associates. All such transactions (i) are made in the ordinary course of business, (ii) are made on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with persons not related to the Bank, and (iii) in the opinion of management, do not involve more than the normal risk of collectibility, or present other unfavorable features. PROPOSAL II RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has re-appointed Plante & Moran, PLLC as the Corporation's independent registered public accounting firm for the year ending December 31, 2010, subject to ratification of that appointment by the Corporation's stockholders at the annual meeting. In making its determination to appoint Plante & Moran, PLLC as the Corporation's independent auditors for the 2010 fiscal year, the Audit Committee considered the non-audit services that the independent auditors provided during the 2009 fiscal year and determined that the provision of these services is compatible with and does not impair the auditors' independence. Representatives of Plante & Moran, PLLC plan to attend the annual meeting of stockholders, will have the opportunity to make a statement if they desire to do so, and will respond to appropriate questions by stockholders.

Your ratification of the Audit Committee's selection of Plante & Moran, PLLC is not necessary because the Audit Committee has responsibility for selection of our independent registered public accounting firm. However, the Audit Committee will take your vote on this proposal into consideration when selecting our independent registered public accounting firm. The Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year, if it determines that such a change would be in the best interest of the Corporation and its stockholders.

Pre-Approval of Audit and Non-Audit Services

Our Audit Committee pre-approves all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Prior to engaging our independent auditors to render an audit or permissible non-audit service, the Audit Committee

specifically approves the engagement to render that service. Accordingly, we do not engage our independent auditors to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. The engagement of Plante & Moran, PLLC to render 100 percent of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services.

REPORT OF THE AUDIT COMMITTEE

Management has the primary responsibility for the financial statements and the reporting process, including the Corporation's systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for the year ended December 31, 2009 with management, including a discussion of the quality and the acceptability of the Corporation's financial reporting and controls.

The Audit Committee has also discussed with the Corporation's independent auditors, Plante & Moran, PLLC, which firm is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Corporation's financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 *Communications with Audit Committees, as amended by Statement of Auditing Standards No. 90, Audit Committee Communications*. Table of Contents

required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, disclosing the matters that, in the auditor's judgment, may reasonably be thought to bear on the auditors' independence from the Corporation, and has discussed with Plante & Moran, PLLC their independence from the Corporation. The Audit Committee has also considered the compatibility of the providing of non-audit services with maintaining the auditors' independence.

In fulfilling its oversight responsibility of reviewing the services performed by the Corporation's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of independent auditors and the fees paid by the Corporation for such services. The Audit Committee also discussed with the Corporation's internal and independent auditors the overall scope and plans for their respective audits and the fees paid by the Corporation for such services. The Audit Committee meets periodically with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting.

The Corporation's Chief Executive Officer and Chief Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 ("Sarbanes"). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission.
