Item 1.01 Entry into a Material Definitive Agreement.

On March 23, 2009, Stifel Financial Corp. announced that its principal operating subsidiary, Stifel, Nicolaus & Company, Incorporated ("Stifel Nicolaus"), had entered into a definitive agreement (the "Agreement") with UBS Financial Services Inc. ("UBS") to acquire up to 55 branches from the UBS Wealth Management Americas branch network.

The 55 offices are located in 24 states throughout the country, and employ an aggregate of approximately 320 Financial Advisors. The transaction is structured as an asset purchase for cash at a premium over certain balance sheet items, subject to adjustment. The payments to UBS include:

An upfront cash payment of up to approximately \$27 million based on the actual number of branches and Financial Advisors acquired by Stifel Nicolaus;

Annual earn-out payments for the two-year period following the closing of the transaction based principally on the performance of the UBS Financial Advisors who become Stifel Nicolaus employees; and

Aggregate payments of up to approximately \$19 million for net fixed assets and employee forgivable loans.

The above payments are variable based upon the number of Financial Advisors and branches acquired by Stifel Nicolaus. In addition to the above payments, Stifel Nicolaus has agreed to acquire other client related assets, and assume certain liabilities, associated with the branches acquired.

The number of employees, branches and assets to be acquired by Stifel is expected to be determined in approximately 35 to 45 business days.

The Agreement contains certain customary representations, warranties and covenants on the part of Stifel Nicolaus and UBS including certain employee and customer non-solicitation obligations, and the consummation of the transaction is subject to a number of customary closing conditions and the approval of all required governmental and other regulatory entities. The Agreement also provides for indemnification of each of the parties in certain instances.

The parties expect the closing of the transaction, which may be completed in a series of up to four separate closings, to occur during the third quarter of 2009. There is no assurance the transaction will be consummated within the presently contemplated timeframe, or at all. Under certain circumstances described in the Agreement, the Agreement may be terminated by either party if the transaction does not occur on or before September 1, 2009 or under certain circumstances by UBS after such date even if an initial closing has occurred. In such case, Stifel Nicolaus will be obligated to pay UBS a non-refundable termination payment of \$10 million. Further, Stifel Nicolaus may terminate the Agreement if certain limited branch acceptance criteria specified in the Agreement have not been met by paying a non-refundable termination payment of either \$5 million (if terminated no later than the 35th business day following the date of the Agreement under certain circumstances) or \$10 million (if terminated after such date).

The foregoing description of the Agreement is qualified in its entirety to the full text of the Agreement, which is attached hereto at Exhibit 2.1.
