Item 7.01. Regulation FD Disclosure.

Forestar Group Inc. (Forestar) is furnishing additional information regarding its previously-disclosed near-term strategic initiative to generate significant cash flow, principally from the sale of higher and better use (HBU) timberland. Forestar is a party to three separate sales contracts scheduled to close during third quarter 2010 covering, in the aggregate, approximately 21,600 acres of HBU timberland in Georgia, Alabama and Texas, as follows:

1. Sale of approximately 10,450 acres in Georgia and Alabama for approximately \$16,720,000. The purchase price is subject to adjustment based upon actual timber volumes and acreage as determined by independent third parties.
2. Sale of approximately 5,200 acres in Georgia for approximately \$8,320,000. The contract includes a reservation to Forestar of fifty percent of any oil, gas and other minerals.
3. Sale of approximately 5,950 acres in Texas for approximately \$11,900,000. The contract includes an inspection period during which the buyer may terminate the contract for any reason or for no reason and receive a full refund of earnest money. The contract includes a reservation to Forestar of any oil, gas and other minerals, and a reservation of groundwater produced for commercial purposes. Portions of the property will be conveyed subject to certain conservation restrictions.

If all three contracts are closed, Forestar expects to receive approximately \$36,940,000 in proceeds. All three contracts require the purchase price to be paid in cash at closing, and there are no financing contingencies; however, they are all subject to typical closing conditions, closing cost allocations, and prorations of revenues and expenses. Forestar can provide no assurance that the above contracts, or any of them, will close as scheduled or that transactions will be consummated on the terms described above. There may be other terms that are not summarized above, and Forestar does not undertake to update this information.

The information in this Current Report on Form 8-K shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference into any filing under the Securities Exchange Act of 1934, as amended, or the Securities Act of 1933, as amended, regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.
