Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Illinois Business Corporation Act

Section 8.75 of the Illinois Business Corporation Act (the IBCA) provides generally and in pertinent parts that an Illinois corporation may indemnify its directors, officers, employees and agents, or anyone serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (in the case of actions by or in the right of the corporation) or against expenses, judgments, fines, and settlements (in all other cases) actually and reasonably incurred by them in connection with any action, suit, or proceeding if, in connection with the matters in issue, they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation and, in connection with any criminal suit or proceeding, if in connection with the matters in issue, they had no reasonable cause to believe their conduct was unlawful, provided that no indemnification shall be made with respect to any claim, issue, or matter as to which such person has been adjudged to have been liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity. If a present or former director, officer or employee of an Illinois corporation has been successful in the defense of any such action, suit or proceeding, claim, issue or matter, such person shall be indemnified by the corporation against expenses.

Section 8.75 of the IBCA further permits an Illinois corporation to pay expenses incurred by an officer or director in defending a civil or criminal action, suit or proceeding in advance of the final disposition of such action, suit or proceeding if the director or officer undertakes to repay such amount if it is ultimately determined that such person is not entitled to be indemnified by the corporation. An Illinois corporation may also grant additional indemnification through its by-laws, agreements, votes of shareholders or disinterested directors, or otherwise, and may purchase and maintain insurance on behalf of any indemnifiable person against any liability asserted against such person and incurred by such person in his or her capacity as an indemnifiable person whether or not the corporation would have the power to indemnify such person against liability under the terms of Section 8.75 of the IBCA.

The Registrant's Articles of Incorporation and By-laws

Article NINTH of the Registrant's Amended and Restated Articles of Incorporation, as amended, and Article VI of the Registrant's Amended and Restated By-Laws provide that the Registrant shall, to the full extent permitted by law, indemnify those persons whom the Registrant may indemnify pursuant thereto, and contain provisions substantially similar to Section 8.75 of the IBCA. The foregoing description of the Registrant's Amended and Restated Articles of Incorporation, as amended, and Amended and Restated Bylaws are qualified in their entirety by reference to such documents, which are listed as Exhibits 4.2 and 4.3 hereto.

Indemnification Agreements

The Registrant has entered into individual indemnification agreements with each of its non-employee directors and certain of its executive officers (collectively, the Indemnification Agreements), which implement with more specificity the indemnification provisions provided by the Registrant's by-laws and provide, among other things, that to the fullest extent permitted by applicable law, the Registrant will indemnify such director or officer against any and all losses, expenses and liabilities arising out of such director's or officer's service as a director or officer of the Registrant, as the case may be. The Indemnification Agreements also contain detailed provisions concerning expense advancement and reimbursement. The Indemnification Agreements are in addition to any other rights each non-employee director or officer may be entitled to under the Registrant's articles of incorporation, by-laws and applicable law.

Directors and Officers Liability Insurance

The Registrant has obtained Directors' and Officers' liability insurance. The policy provides for \$55 million in coverage including prior acts dating to the Registrant's inception and liabilities under the Securities Act.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits accompanying this Registration Statement are listed on the accompanying Exhibit Index.

The Registrant hereby undertakes that it will submit or has submitted the Plan and any amendments thereto to the Internal Revenue Service (IRS) in a timely manner and has made or will make all changes required by the IRS in order to qualify the Plan.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum

aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
