Item 4. Description of Securities.

The Plan provides a select group of management or highly compensated employees and non-employee directors of Republic and certain of its affiliates with an opportunity to defer a portion of their compensation (including base salary, bonus, commissions, director fees, amounts earned under long-term and synergy incentive plans and restricted stock units) on a pre-tax basis. The Plan also provides for Republic to make special employer contributions to the Plan on behalf of participants, certain of which contributions are to be made in accordance with a formula set forth in the Plan. Republic may also credit discretionary contributions to some or all of the Plan participants. Amounts deferred under the Plan are credited with investment returns based on measurement funds selected by the Plan participants from among funds selected by the committee that administers the Plan. Any deferrals of restricted stock units are required to be invested in stock units which correspond to Republic common stock. The amount of the Company's obligations under the Plan (the Deferred Compensation Obligations), and the amount of the Deferred Compensation Obligations payable to any Plan participant under the Plan, will reflect the returns of the applicable measurement fund.

The amount of compensation deferred under the Plan is based on elections by the Plan participants, employer contributions and the earnings and losses on the foregoing amounts. The Deferred Compensation Obligations payable by Republic under the Plan will become due in accordance with payment elections made by Plan participants in accordance with the terms of the Plan. The Deferred Compensation Obligations represent the contractual obligations of Republic to pay or distribute when due to participants in the Plan cash with respect to amounts deferred in accordance with the terms of the Plan and shares with respect to deferred restricted stock units (which shares have been registered separately) with respect to the Republic 2007 Stock Incentive Plan (or a predecessor plan) (the Stock Incentive Plan).

Plan participants will not have any ownership interest in any of the amounts deferred or the measurement funds under the Plan. The right of each participant in the Plan is solely that of a general, unsecured creditor of

Republic with respect to his or her own interest under the Plan. The Plan is unfunded and Republic is not required to set aside assets to be used for payment of the Deferred Compensation Obligations under the Plan. Payments under the Plan shall be payable solely from the general assets of Republic (subject to settlement of deferred restricted stock units with shares of Republic common stock from the Stock Incentive Plan). Neither a participant in the Plan nor any other person will have any right to commute, sell, assign, transfer, pledge, anticipate, mortgage or otherwise encumber, transfer, hypothecate, alienate or convey in advance of actual receipt, the amounts, if any, payable under the Plan or any part thereof. No part of the amounts payable will, prior to actual payment, be subject to seizure, attachment, garnishment or sequestration for the payment of any debts, judgments, alimony or separate maintenance owed by a participant in the Plan or any other person, be transferable by operation of law in the event of a participant's or any other person's bankruptcy or insolvency or be transferable to a spouse as a result of a property settlement or otherwise.

Any participating employer, including Republic, may amend or modify the Plan in whole or in part with respect to that employer, provided that no such amendment or modification will be effective to decrease the value of a Participant's account balance in existence at the time the amendment or modification is made and any measurement funds must remain in effect following such termination. Republic may adopt amendments to the Plan to preserve the intended tax treatment of the Plan benefits and to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the Code). Republic may also terminate and liquidate the Plan to the extent permitted by Code Section 409A.

Item 5. Interest of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The following summary is qualified in its entirety by reference to the complete text of the statutes referred to below and to Republic's Amended and Restated Certificate of Incorporation, as amended (the Certificate), and Amended and Restated Bylaws.

The Certificate provides that Republic shall indemnify, to the fullest extent permitted by Section 145 of the Delaware General Corporation Law (the DGCL), each person who is involved in any litigation or other proceeding because such person is or was a Republic director or officer or was serving at Republic's request as a director, officer, employee or agent of another enterprise, against all expense (including attorney's fees), loss or liability reasonably incurred or suffered in connection therewith. The Certificate provides that a person entitled to indemnification under the Certificate shall be paid expenses incurred in defending any proceeding in advance of its final disposition upon Republic's receipt of an undertaking, by or on behalf of the director or officer, to repay all amounts so advanced if it is ultimately determined that such director or officer is not entitled to indemnification.

Section 145 of the DGCL permits a corporation to indemnify any director or officer of a corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding brought by reason of the fact that such person is or was a director or officer of the corporation, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if he had no reason to believe his conduct was unlawful. In a derivative action (i.e., one brought by or on behalf of the corporation), however, indemnification may be made only for expenses, actually and reasonably incurred by any director or officer in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Delaware Court of Chancery or the court in which the action or suit was brought shall determine that the defendant is fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Pursuant to Section 102(b)(7) of the DGCL, the Certificate eliminates the liability of a director to Republic or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liabilities arising (a) from any breach of the director's duty of loyalty to Republic or its stockholders, (b) from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL, or (d) from any transaction from which the director derived an improper personal benefit.

Republic may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Republic or another corporation, partnership, joint venture, trust or other enterprise. Under an insurance policy maintained by Republic, the directors and officers of Republic are insured, within the limits and subject to the limitations of the policy, against certain expenses in connection with the defense of certain claims, actions, suits or proceedings, and certain liabilities which might be imposed as a result of such claims, actions, suits or proceedings, which may be brought against them by reason of being or having been such directors or officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

A list of exhibits included as part of this Registration Statement is set forth in the Exhibit Index which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the Registration Statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(a) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions of the Registrant's articles of incorporation, by-laws or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for

indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
