Forward-Looking Statements

This current report on Form 8-K includes forward-looking statements. Except for the historical information contained herein, the matters discussed in this report are forward-looking statements that involve certain risks and uncertainties, such as EPD's expectations regarding future results, capital expenditures, project completions, liquidity and financial market conditions. These risks and uncertainties include, among other things, whether the proposed transactions are consummated at all or on initial terms proposed and factors discussed in EPD's filings with the U.S. Securities and Exchange Commission (SEC). If any of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results or outcomes may vary materially from those expected. EPD disclaims any intention or obligation to update publicly or reverse such statements, whether as a result of new information, future events or otherwise.
