**PROXY STATEMENT
INTRODUCTION**

The Board of Directors is soliciting proxies to be used at the 2011 Annual Meeting of Stockholders of Mace Security International, Inc. (Mace or the Company) to be held on Thursday, July 14, 2011 at 11:00 AM, Eastern Time, at the New York Athletic Club, Colonial Room, 180 Central Park South, New York, New York 10019. Mace will begin mailing this proxy statement and the enclosed proxy card on or about June 15, 2011 to its stockholders entitled to vote at the Annual Meeting.

The Board of Directors is soliciting your proxy to encourage you to vote on the proposals at the Annual Meeting and to obtain your support for the proposals. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card, by revoking your original proxy card.**

About these Proxy Materials

The Proxy Card The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting. They will vote your shares of Mace common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy, and for which the Company did not receive notice of at least 45 days before this proxy solicitation, they will vote your shares as they deem appropriate.

This Proxy Statement This proxy statement contains important information for you to consider when deciding how to vote on the proposals. Please read it carefully. It is divided into six sections following this Introduction:

Sections	Page
The Proposals	6
Independent Registered Public Accounting Firm	9
About the Board of Directors and Executive Officers	10
Executive Compensation	17
The Principal Stockholders of Mace	23
Additional Information	25

Mace will bear the cost of soliciting proxies for an affirmative vote on the proposals. Mace will not reimburse any other person or entity for the cost of preparing its own proxy materials or soliciting proxies for any matter. Mace's directors, officers and employees may solicit proxies, but will receive no special compensation for any solicitation activities. Proxies may be solicited by mail, in person, by telephone, facsimile or by other means. Mace will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of Mace common stock.

About the Annual Meeting

When And Where Mace will hold the Annual Meeting on Thursday, July 14, 2011, at 11:00 AM, Eastern time, at the New York Athletic Club, Colonial Room, 180 Central Park South, New York, New York 10019.

Record Date The Board has fixed the close of business on June 13, 2011 as the record date for the Annual Meeting. All stockholders of record at that time are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement Mace's bylaws require that one-third of the outstanding shares of Mace common stock must be represented at the Annual Meeting, whether in person or by proxy to constitute a quorum, in order to transact business at the Annual Meeting. Abstentions and broker non-votes will be counted in determining whether there is a quorum at the Annual Meeting.

The Proposals Stockholders will vote on the following proposals at the Annual Meeting:

election of five directors; and

ratification of the appointment of Grant Thornton LLP as Mace's independent registered public accounting firm for fiscal year 2011.

Other Matters There were no stockholder proposals submitted for the Annual Meeting for inclusion in this proxy statement. Neither Mace nor its Board intends to bring any other matter before the Annual Meeting. If other matters requiring the vote of the stockholders properly come before the Annual Meeting, which were omitted from this proxy statement pursuant to Rule 14a-8 or 14a-9 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), or which the Board did not know would be presented at least 45 days before this solicitation, the persons named in the enclosed proxy card will have discretionary authority to vote the proxies held by them with respect to such matters in accordance with their best judgment on such matters.

Presence of Independent Registered Public Accountants Representatives of Grant Thornton LLP, Mace's independent registered public accounting firm, will be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting, if they choose, and they are expected to be available to respond to appropriate stockholder questions.

The Stockholders As of the record date of June 13, 2011, there were 15,735,725 shares of Mace common stock issued and outstanding. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder, for any purpose relating to the Annual Meeting, for ten days prior to the meeting during ordinary business hours at Mace's headquarters located at 240 Gibraltar Road, Suite 220, Horsham, Pennsylvania 19044.

Voting at the Annual Meeting

You are entitled to one vote for each share of Mace common stock that you owned of record at the close of business on June 13, 2011. The presence, in person or by proxy, of the holders of a majority of shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions are counted as shares present at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote against any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called broker non-votes) are considered shares present at the meeting for purposes of determining whether a quorum exists. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote against that matter.

Table of Contents

The five nominees for director receiving the highest number of affirmative votes shall be elected as directors. Stockholders do not have the right to cumulate their votes in the election of directors. The other proposal requires the approval of a majority of all shares of Mace common stock entitled to vote for such proposal that are represented at the Annual Meeting in person or by proxy.

How To Vote Your Shares

You may vote in one of two ways:

- return your completed, signed and dated proxy card before the Annual Meeting; or
- cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your broker if you hold your shares in street name).

Voting By Proxy The proxy card has simple instructions. By returning a completed proxy card before the Annual Meeting, you will direct the appointed persons (known as proxies) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien and Steven J. Rolle will serve as your proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, the proxies will vote your shares **for** the election of the nominated directors and **for** the ratification of the appointment of Grant Thornton LLP as Mace's independent registered public accounting firm for fiscal year 2011. If any nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares **for** any substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares in their discretion on such matters.

How To Revoke Your Proxy You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

- notifying Mace's Secretary in writing (notice to be sent to Mace's executive offices, the address for which is located on the first page of this proxy statement);
- submitting another proxy card with a later date; or
- attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Only the record owner of your shares can vote your shares or revoke a proxy the record owner has given. If your shares are in street name, you will not be able to revoke the proxy given by the street name holder.

ADDITIONAL INFORMATION**Certain Relationships and Related Party Transactions**

The Company's Security Segment leases manufacturing and office space under a lease between Vermont Mill and the Company. The lease, as extended, expires on November 14, 2011. Vermont Mill is controlled by Jon E. Goodrich, a former director and current employee of the Company. The original lease was entered into in November 1999 for a five year term. In November 2004, the Company exercised an option to continue the lease through November 2009 at a rate of \$10,576 per month. The Company amended the lease in 2008 to occupy additional space for an additional \$200 per month. The Company also leased from November 2008 to May 2009, on a month-to-month basis, approximately 3,000 square feet of temporary inventory storage space at a monthly cost of \$1,200. In September 2009, the Company and Vermont Mill extended the term of the lease to November 14, 2010 at a monthly rate of \$10,776 per month and modified the square footage rented to 33,476 square feet. The Company entered into a Lease Extension Agreement on December 20, 2010 to extend the lease through November 14, 2011 at a monthly rate of \$11,315 and to provide an option to further extend the lease to May 14, 2012 at the same monthly rate. Rent expense under this lease was \$33,945 and \$32,330 for the three months ended March 31, 2011 and 2010, respectively. The Company funded a portion of the settlement payment to Mr. Paolino by borrowing \$1.35 million from Merlin Partners, LP (Merlin) on December 28, 2010. Merlin is a fund managed by Ancora Advisors, a subsidiary of the Ancora Group. Richard Barone, a Company director, is Chairman and controlling person of the Ancora Group. The loan, which had an original maturity date of March 28, 2011, has been extended to July 6, 2011. The loan was payable in two installments of \$675,000 with each installment to be paid upon the closing of each of the two car washes that were under agreements of sale at December 31, 2010. The Company made a payment of \$675,000 to Merlin upon the sale of the Lubbock, Texas car wash on March 8, 2011. The Company expects to pay the remaining balance from the proceeds generated by the sale of a Dallas, Texas area car wash that is under an agreement of sale and expected to close in the second quarter of 2011. The loan bears interest at a rate of 12% per annum, and is secured by a second lien on a Dallas, Texas area car wash and a security interest in the tradename Mace. As part of the consideration for the financing, Merlin was also granted a Common Stock Purchase Warrant (the Warrant) to purchase up to 314,715 shares of the Company's common stock at an exercise price of \$0.20 per share, expiring December 28, 2015. The Warrant contains anti-dilution provisions providing that Merlin will receive additional warrants exercisable into 2% of any common stock of the Company issued by the Company through December 28, 2011. The exercise price of the Warrant will be adjusted lower to equal the stock issuance price of any stock issued through December 28, 2011 at a price below \$0.20. The warrants were accounted for under the equity method with the Black-Scholes fair value of the warrants of \$63,274 recorded as a discount to the \$1.35 million Merlin loan and as additional paid-in capital. The discount was charged to interest expense over the original three month maturity period of the loan with an offsetting credit to the loan balance.

The Company plans to raise working capital through a Rights Offering (the Rights Offering) pursuant to which the Company's stockholders will be given the right to purchase three shares of common stock for each share of common stock owned as of a record date for an exercise price. Both the record date and exercise price will be set by the Board of Directors prior to the date a prospectus for the Rights Offering is mailed to the stockholders. On March 25, 2011, the Company and Ancora Securities, Inc. (Ancora) executed a Placement Agent and Dealer Manager Agreement, under which Ancora will act as the dealer manager and placement agent for the planned Rights Offering. All new shares issued under the Rights Offering will be registered under the Securities Act of 1933, as amended (the Securities

Act). Richard Barone, a member of our Board of Directors, is a controlling owner of Ancora Securities, Inc.

The Company has also entered into a Securities Purchase Agreement dated March 25, 2011 (the Securities Purchase Agreement) with Merlin. In accordance with the Securities Purchase Agreement, Merlin and up to three assignees of Merlin, will purchase \$4.0 million of our common stock, valued at the per share exercise price used in the Rights Offering at the conclusion of the Rights Offering (the Additional Stock). Merlin will be paid a fee of \$250,000 under the Securities Purchase Agreement on the date the sale is consummated. The obligation of Merlin or its assignees to purchase the Additional Stock is not subject to any conditions in the control of Merlin or its assignees. The conditions to Merlin's obligation to purchase are within the control of the Company and, include: (i) the conclusion or termination of the Rights Offering; (ii) the Company's expansion of its Board of Directors to seven persons, and (iii) the compliance by the Company to the provisions of the Securities Purchase Agreement. The Additional Stock is being registered for resale under the Securities Act by Merlin and assignees as Selling Stockholders. The registration statement has not yet been declared effective. This disclosure of the Rights Offering does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of any securities in any state in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

On March 30, 2011, the Company borrowed \$1.4 million with an interest rate of 6% per annum from Merlin to fund the acquisition of TCCI, a security monitoring company. The loan is due March 30, 2013; however, Merlin has the right to call the loan thirty days after the conclusion of the Company's proposed Rights Offering and Merlin's purchase of the Additional Stock (Call Trigger Event). Merlin's right to call the loan expires six months and forty business days after the Call Trigger Event. If the Call Trigger Event occurs and Merlin does not call the loan within the time allowed, the loan's maturity date becomes extended to March 30, 2016. The \$1.4 million loan may also be converted to common stock at Merlin's option upon the occurrence of certain trigger events. The first trigger event, giving Merlin the right to convert the loan, is the Company's failure to make the Rights Offering to the Company's stockholders. If the Company does not make the Rights Offering to the stockholders, Merlin may convert the loan into common stock at a per share price equal to the lower of 75% of (i) the tangible book value of the Company; or (ii) the ten day average closing sales price of the common stock starting with the day that Merlin notifies the Company that Merlin has elected to convert the loan. If the Rights Offering is made to stockholders, and Merlin does not exercise its right to call for the payment of the loan, Merlin has the right to convert the loan into common stock through March 30, 2016, the new maturity date. The conversion right is at a per share price equal to the ten day average closing sales price of the common stock, starting with the trading day which is 30 trading days after the Call Trigger Event. In accordance with ASC 815, Derivatives and Hedging, the Company determined that the conversion feature of the Debenture met the criteria of an embedded derivative, and therefore the conversion feature of this Debenture needed to be bifurcated and accounted for as a derivative. The fair value of the embedded conversion was estimated at the date of issuance using the Monte Carlo model with the following assumptions: risk free interest rate: 0.16%; expected life of the option to convert of 4.7 years; and volatility: 48%. The fair value of the conversion option as of March 31, 2011 is \$590,000 and is recorded as a derivative liability and as a discount to the debt. The conversion option will be marked-to-market each reporting period, with the changes in fair value reported in earnings. As compensation for the loan, Merlin received a five year warrant exercisable into 157,357 shares of common stock at an exercise price of \$0.20 per share. The warrant contains an anti-dilution provision that provides that the Company will issue Merlin a warrant equal to 1% percent of any shares issued by the Company for one year after the date the warrant was issued. Any new warrant issued will be exercisable at \$0.20 cents per share. The loan is secured by a security interest in the Mace name, a pledge of the stock of Mace CSSS, Inc., (the monitoring company subsidiary) and a security interest in the assets of Mace CSSS, Inc. The conversion features of the loan and the warrant may result in additional dilution to stockholders. The warrants were accounted for under the equity method with the Black-Scholes fair value of the warrants of \$47,420 recorded as an additional discount to the \$1.4 million Merlin loan and as additional paid-in capital. The discount will be charged to interest expense over the 24 month maturity period of the loan with an offsetting credit to the loan balance.
