Additional Amounts

All payments of principal and interest in respect of the Notes by us will be made without us making any withholding of or deduction for, or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature (Taxes) imposed or levied by or on behalf of Canada or any political subdivision or taxing authority thereof or therein having the power to tax (each a Taxing Jurisdiction), unless the withholding or deduction of such Taxes is required or authorized by law or the administration thereof. In that event, we will, subject to certain exceptions and limitations set forth below, pay such additional amounts (Additional Amounts) to the holder of any Note as may be necessary in order that every net payment of the principal of and interest on such Note and any other amounts payable on such Note, after any such withholding or deduction, will not be less than the amount provided for in such Note to be then due and payable. We will not, however, be required to make any payment of Additional Amounts to any holder for or on account of:

any Taxes that would not have been so imposed but for a present or former connection (including, without limitation, carrying on business in Canada or a province or territory of Canada or having a permanent establishment or fixed base in Canada or a province or territory of Canada) between such holder or the beneficial owner of a Note (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over, such holder or beneficial owner, if such holder or beneficial owner is an estate, trust, partnership, limited liability company or corporation) and Canada or a political subdivision or taxing authority of or in Canada, other than merely holding such Note or receiving payments with respect to such Note;

any estate, inheritance, gift, sales, transfer or personal property Tax or any similar Tax with respect to a Note;

any Tax imposed by reason that such holder or the beneficial owner of a Note does not deal at arm's length within the meaning of the *Income Tax Act* (Canada) with us;

any Tax that is levied or collected otherwise than by withholding from payments on or in respect of any Note;

any Tax required to be withheld by any paying agent from any payment of principal of, or interest on, any Note, if such payment can be made without such withholding by at least one other paying agent;

any Tax that would not have been imposed but for the failure of a holder or the beneficial owner of a Note to comply with certification, information or other reporting requirements, if such compliance is required by Canada or any political subdivision or taxing authority of or in Canada as a precondition to relief or exemption from such Tax;

any Tax which would not have been imposed but for the presentation of a Note (where presentation is required) for payment on a date more than 30 days after (i) the date on which such payment became due and payable or (ii) the date on which payment thereof is duly provided for, whichever occurs later; or

any combination of the items listed above;

nor will Additional Amounts be paid with respect to any payment on a Note to a holder who is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent a beneficiary or settlor with respect to such fiduciary or a member of such partnership or such beneficial owner would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner held its interest in the Note directly.

Table of Contents

Redemption for Tax Reasons

We may redeem the Notes, in whole but not in part, at our option at any time prior to maturity, upon the giving of a notice of redemption as described below if (i) we have or will become obligated to pay Additional Amounts, as described above under **Additional Amounts**, as a result of any change in or amendment (including any announced prospective change) to the laws or treaties of the relevant Taxing Jurisdiction or any rules or regulations or administrative pronouncements thereunder or any change in position regarding the application, administration or interpretation of such laws, treaties, rules, regulations or administrative pronouncements (including a holding, judgment or order by a court of competent jurisdiction), which change or amendment was announced or became effective on or after the date of this pricing supplement, and (ii) we have determined that the obligation to pay such Additional Amounts cannot be avoided by taking reasonable measures available to us. For the avoidance of doubt reasonable measures do not include a change in the terms of the Notes or a substitution of the debtor.

Any Notes redeemed for tax reasons will be redeemed at 100% of their principal amount together with interest accrued up to, but excluding, the redemption date.

Prior to the giving of any notice of redemption pursuant to this paragraph, we will deliver to the trustee:

a certificate stating that we are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to our right to redeem have occurred; and

an opinion of independent counsel or written advice of a qualified tax expert, such counsel or expert being reasonably acceptable to the trustee, to such effect based on such statements of facts;

provided that no such notice of redemption shall be given earlier than 45 days prior to the earliest date on which we would be obligated to pay such Additional Amounts if a payment in respect of a Note were then due. Notice of redemption will be given to the trustee under the indenture and to the holders of the Notes not less than 15 nor more than 45 days prior to the date fixed for redemption, which date and the applicable redemption price will be specified in the notice.

On October 12, 2011, we entered into a terms agreement with the agents pursuant to the Distribution Agreement, dated June 22, 2011, among us and the agent party thereto for the purchase and sale of the Notes. We have agreed to sell to each of the agents, and each of the agents have agreed to purchase from us, as principal, the principal amount of the Notes shown opposite its name at the public offering price set forth above.

Total	US\$	1,500,000,000

The agents may sell the Notes to certain dealers at the public offering price, less a concession which will not exceed 0.200% of their principal amount. The agents and those dealers may resell the Notes to other dealers at a reallowance discount which will not exceed 0.025% of their principal amount. After the initial offering of the Notes, the concession and reallowance discounts on the Notes may change.

We estimate that the total offering expenses for the Notes, excluding underwriting commissions, will be approximately US\$450,000.

We have agreed to indemnify the several agents against certain liabilities, including liabilities under the Securities Act of 1933.

We expect that delivery of the Notes will be made against payment for the Notes on or about October 19, 2011, which is the fifth (5th) business day following the pricing date (this settlement cycle being referred to as "T+5"). Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, generally requires that securities trades in the secondary market settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the pricing date or the next succeeding business day will be required, by virtue of the fact that the Notes will settle in T+5, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Such purchasers should also consult their own advisors in this regard. See Supplemental Plan of Distribution (Conflicts of Interest) in the prospectus supplement dated June 22, 2011.
