This report is an excerpt of certain highlights from Mitsubishi UFJ Financial Group, Inc.'s consolidated financial information under U.S. GAAP that is included in the company's annual report on Form 20-F (the Form 20-F) to be filed with the U.S. Securities and Exchange Commission. This excerpt report does not contain all of the information that may be important to you. In addition to the items highlighted in this report, the Form 20-F includes material disclosure about the company, including its business and other detailed U.S. GAAP financial information. You should read the entire Form 20-F carefully to obtain a comprehensive understanding of the company's business and U.S. GAAP financial data and related issues.

This report contains forward-looking statements regarding estimates, forecasts, targets and plans in relation to the results of operations, financial condition and other general management of the company (the forward-looking statements). The forward-looking statements are made based upon, among other things, the company's current expectations, perceptions, evaluations and opinions. In addition, in order for the company to adopt such estimates, forecasts, targets and plans regarding future events, certain assumptions have been made, which assumptions are inherently subjective and uncertain. The forward-looking statements should not be viewed as guarantees of future performance as actual results may be significantly different. For instance, the disclosures regarding provision for credit losses, valuation of financial assets and realizability of the deferred tax assets are based on assumptions and other estimates, such as economic factors, the company's business plans and performance, and other factors. There exist a number of factors that may lead to uncertainties and risks, including, but not limited to, the deterioration of the Japanese and global economies, changes in borrower conditions, fluctuations in interest rates, foreign currency exchange rates and stock prices, legal proceedings, changes in the regulatory environment, and natural disasters, cyber-attacks and other external events. For the key factors that should be considered, please see the financial highlight, the Annual Securities Report, Disclosure Book, Annual Report, Form 20-F and other current disclosures that the company has publicly released.
