TITAN INTERNATIONAL, INC.  
NOTES TO PRO FORMA CONSOLIDATED CONDENSED FINANCIAL STATEMENTS  
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2003  
UNAUDITED

- (a) To record the reduction of \$1.5 million in interest expense associated with the payment of approximately \$26.4 million to reduce the Company's debt at an average interest rate of 5.72%. The pro forma adjustment for interest would have been thirty-three thousand dollars (\$33,000) higher or lower if the interest rate had been 1/8% higher or lower.
- (b) An income tax benefit has not been recognized as the Company has a valuation allowance recorded against its net deferred tax assets and, accordingly, will not recognize any further income tax benefits at this time.
- (c) Assuming the transaction occurred on December 31, 2003, the loss on sale of Titan Europe would have been approximately \$2.1 million, not including fees of \$2.8 million and reduction in deferred financing of \$0.3 million for a total equity reduction of \$5.2 million. This nonrecurring loss has not been included in the pro forma consolidated condensed statement of operations consistent with prescribed presentation. The decrease in stockholders' equity in the pro forma consolidated condensed balance sheet reflects the loss on sale, assuming the transaction occurred on December 31, 2003.
- (d) To record the assumed receipt of cash of approximately \$49.7 million, of which approximately \$23.3 million was deposited in cash accounts and \$26.4 million was used to reduce outstanding debt.
- (e) To record deferred tax asset of approximately \$2.0 million established as a result of the transaction.
- (f) To record note receivable of \$9.2 million from Titan Europe Plc.
- (g) To record reduction in deferred financing of \$0.3 million resulting from debt payment described in note (d).
- (h) To record Titan Luxembourg's remaining 30% interest in Titan Europe Plc, totaling \$27.4 million, under the equity method of accounting. This investment valuation is based on 30% of the Company's historical basis of Titan Europe at December 31, 2003.
- (i) To record the increase in the Company's tax liabilities of approximately \$2.0 million incurred as a result of the transaction.
