PROXY STATEMENT

2006 ANNUAL MEETING OF SHAREHOLDERS

The accompanying form of proxy is solicited on behalf of the Board of Trustees of Ramco-Gershenson Properties Trust (the Trust) for use at the 2006 Annual Meeting of Shareholders of the Trust (the Meeting). The Meeting is to be held at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009 on June 14, 2006. The Trust expects to first mail these proxy materials on or about April 28, 2006, to holders (the Shareholders) of common shares of beneficial interest, \$0.01 par value (Shares), of the Trust. The Trust's executive offices are located at 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334 (telephone: (248) 350-9900).

ABOUT THE MEETING

What is the purpose of the Meeting?

At the Meeting, Shareholders will act upon the matters outlined in the accompanying Notice of Meeting, including (1) the election of two Trustees to serve until the annual meeting of Shareholders in 2009 and one Trustee to serve until the annual meeting of Shareholders in 2007 and (2) the ratification of the appointment of Grant Thornton LLP (Grant Thornton) as the Trust's independent registered public accounting firm for the year ending December 31, 2006. In addition, management will report on the performance of the Trust and will respond to appropriate questions from Shareholders. The Trust expects that representatives of Grant Thornton will be present at the Meeting as well. Grant Thornton will be afforded an opportunity to make a statement if it desires to do so, and the Trust expects that such representatives will be available to respond to appropriate questions.

Who is entitled to vote?

Only record holders of Shares at the close of business on the record date of April 18, 2006 (the Record Date) are entitled to receive notice of the Meeting and to vote the Shares that they held on the Record Date. Each outstanding Share is entitled to one vote on each matter to be voted upon at the Meeting. Holders of preferred shares of beneficial interest are not entitled to vote at the Meeting.

What constitutes a quorum?

The presence at the Meeting, in person or by proxy, of the holders of a majority of the Shares outstanding on the Record Date will constitute a quorum for all purposes. As of the Record Date, 16,847,027 Shares were outstanding. Broker non-votes (defined below) and proxies received but marked as abstentions or WITHHOLD AUTHORITY will be counted as present in determining whether or not there is a quorum.

Table of Contents

How do I vote?

You may be able to vote in one of four ways: (1) via the telephone, (2) via the internet, (3) by marking, signing and dating your proxy card and returning it promptly in the enclosed envelope, or (4) by casting your vote in person at the Meeting.

Via Telephone or Via Internet: Please refer to the instructions on your proxy card.

By Proxy Card: If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope, it will be voted as you direct.

By Vote at Meeting: If you attend the Meeting, you may deliver your completed proxy card in person or vote by ballot. If you own your Shares through a broker, trustee, bank or other nominee but want to vote your Shares in person, you should also bring with you a proxy or letter from such broker, trustee, bank or other nominee confirming that you beneficially own such Shares and giving you the power to vote such Shares.

Can I change my vote after I return my proxy card?

You may change your vote at any time before the proxy is exercised by filing with the Secretary of the Trust either a notice revoking the proxy or a properly signed proxy that is dated later than the proxy card. If you attend the Meeting, the individuals named as proxy holders in the enclosed proxy card will nevertheless have authority to vote your Shares in accordance with your instructions on the proxy card unless you properly file such notice or new proxy.

What if I don't vote for some of the items listed on my proxy card?

If you return your signed proxy card but do not mark selections, the selections not marked will be voted in accordance with the recommendations of the Board of Trustees.

If you hold your Shares in street name through a broker or other nominee and do not return the proxy card, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under applicable law, brokers have the discretion to vote on routine matters, such as the uncontested election of trustees, but do not have discretion to vote on non-routine matters. If the broker does not have discretionary authority to vote on a particular proposal, the absence of votes on that proposal with respect to your Shares will be considered *broker non-votes* with regard to that matter. Voting stock subject to broker non-votes will be considered present at the meeting for purposes of determining whether there is a quorum but the broker non-votes will not be considered votes cast with respect to that proposal.

What does it mean if I receive more than one proxy card?

It generally means your Shares are registered differently or are in more than one account. Please provide voting instructions for all of the proxy cards you receive.

What are the Board's recommendations?

Unless you give different instructions on the proxy card, the proxy holders will vote in accordance with the recommendations of the Board of Trustees. The Board recommends a vote

Table of Contents

FOR the election of the nominated slate of Trustees; and

FOR the ratification of the appointment of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2006.

With respect to any other matter that properly comes before the Meeting, the proxy holders named in the proxy card will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

What vote is required to approve each item?

ELECTION OF TRUSTEES. Nominees who receive the most votes cast at the Meeting will be elected as Trustees. The slate of Trustees discussed in this Proxy Statement consists of three individuals, two persons who are currently Trustees with expiring terms and one person who has been nominated to serve the balance of the term vacated by Mr. Joel Gershenson upon his resignation from the Board of Trustees. A properly signed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more Trustees will not be voted for such Trustee(s) so indicated, but it will have no effect on the outcome of the vote. Broker non-votes, if any, will be disregarded and will have no effect on the outcome of the vote.

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. The affirmative vote of a majority of the votes cast at the Meeting will be necessary to ratify the Audit Committee's appointment of Grant Thornton as the Trust's independent registered public accounting firm for 2006. Abstentions are not considered votes cast at the Meeting. Although shareholder approval of the appointment is not required by law and is not binding on the Trust, the Audit Committee will take the appointment under advisement if such appointment is not approved by the affirmative vote of a majority of the votes cast at the Meeting.

OTHER MATTERS. If any other matter is properly submitted to the Shareholders at the Meeting, its adoption will generally require the affirmative vote of a majority of the votes cast at the Meeting. The Board of Trustees does not propose to conduct any business at the Meeting other than as stated above.

How can I access the Trust's proxy materials and annual report on Form 10-K?

As a holder of Shares, you should have received a copy of the Annual Report to Shareholders (which includes the Annual Report on Form 10-K) together with this proxy statement. See Annual Report on Form 10-K and Household for additional information.

ITEM 1 ELECTION OF TRUSTEES

Mr. Joel Gershenson has submitted his resignation as Trustee effective as of the date of the Meeting, and Mr. Michael Ward has been nominated to serve for the remainder of his term as a Class I Trustee. It is intended that votes will be cast pursuant to proxies received from Shareholders of the Trust **FOR** the nominees listed hereinafter, unless contrary instructions are received.

If for any reason any of the nominees becomes unavailable for election, the proxies solicited will be voted for such nominees as are selected by the current Board of Trustees. The Trust has no reason to believe that any of the nominees will not be available or will not serve if elected. The election of each Trustee will be decided by a plurality of the Shares present and entitled to vote at the Meeting.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust's officers and Trustees and persons who own more than ten percent of a registered class of the Trust's equity securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange (the "NYSE"). Officers, Trustees and greater than ten percent shareholders are required by regulation of the SEC to furnish the Trust with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5 were required for those persons, the Trust believes that all required filings by officers and Trustees of the Trust and ten percent shareholders were made on a timely basis.

BOARD AND COMMITTEES

Trustees are expected to attend all scheduled Board and committee meetings, as well as the Trust's Annual Meeting of Shareholders. During the year ended December 31, 2005, the Board of Trustees held seven meetings. All of the Trustees attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Trustees and (ii) the total number of meetings held by all committees on which such Trustee served. Three of the seven Trustees attended the Trust's 2005 Annual Meeting of Shareholders.

The Board has affirmatively determined, after considering all of the relevant facts and circumstances, that each of Messrs. Blank, Goldberg, Meister, Pashcow and Rosenfeld, and therefore a majority of the Trustees, are independent Trustees under the rules and regulations of the SEC, the NYSE listing standards and the Trust's Corporate Governance Guidelines.

Non-management Trustees hold regularly scheduled executive sessions in which non-management Trustees meet without the presence of management. These executive sessions are expected to occur around regularly scheduled meetings of the Board of Trustees. Mr. Rosenfeld currently presides at these executive sessions; subsequent to the Annual Meeting and assuming re-election as Trustee, Mr. Blank will serve as Lead Trustee in accordance with the Trust's Corporate Governance Guidelines and will therefore preside at such executive sessions.

The Audit Committee's duties include the periodic review of the Trust's financial statements, the recommendation to the Board of Trustees of the engagement of the Trust's independent registered public accounting firm, and review of the plans and results of the audit engagement with such independent accountants. The Board has determined that Messrs. Blank, Rosenfeld and Goldberg are each an audit committee financial expert as defined in rules and regulations of the SEC and have accounting or related financial management expertise as required by the NYSE listing standards. See Item 1-Election of Trustees above for a description of their relevant business experience. The Audit Committee operates under a written charter approved by the Board, a copy of which is attached as Appendix A to this proxy statement and can also be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

Compensation Committee. The Compensation Committee's duties include reviewing all compensation arrangements of the Trust with its Trustees, officers and employees and considering changes and/or additions to such compensation arrangements, including stock option, pension and profit-sharing plans. The Compensation Committee acts as administrator of the Trust's 1996 Share Option Plan, 1997 Non-Employee Trustee Stock Option Plan, 2003 Long-Term Incentive Plan and 2003 Non-Employee Trustee Stock Option Plan. The Compensation Committee operates under a written charter approved by the Board, a copy of which can be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

Nominating and Governance Committee. The Nominating and Governance Committee considers the performance of incumbent Trustees and recommends to the Shareholders nominees for election as Trustees and recommends corporate governance guidelines to the Board. The nominating process includes a review and assessment of the skills and experience of prospective Trustee nominees, including the independence of the

prospective nominees, and the consideration of such skills and experience in the context of the needs of the Board. The Nominating and Governance Committee also is responsible for the Trust's Code of Business Conduct and Ethics and considers any requests for waivers from such code. The Nominating and Governance Committee operates under a written charter approved by the Board, a copy of which can be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

The Nominating and Governance Committee will consider nominees for Trustees recommended by Shareholders that are timely made and otherwise in accordance with the Trust's by-laws and applicable law. Such recommendations for nominees to be set forth in the proxy statement for the 2007 annual meeting of Shareholders should be submitted to the Chairman of the Nominating and Governance Committee at 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334 by December 28, 2006, and should include contact and Share ownership information of the nominating party, biographical data and other information for the nominee as required in a proxy statement filed pursuant to the SEC's proxy rules, and the suggested nominee's consent to nomination and serving on the Board, if elected.

Executive Committee. The Executive Committee is permitted to exercise all of the powers and authority of the Board of Trustees, except as limited by applicable law and by the Trust's Bylaws. The Executive Committee operates under a written charter approved by the Board, a copy of which can be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

CORPORATE GOVERNANCE

The Trust has adopted a Code of Business Conduct and Ethics which applies to all of the Trust's employees, including its principal executive officer, principal financial officer, principal accounting officer or controller and persons serving similar functions. A copy of the Trust's Code of Business Conduct and Ethics can be found on the Trust's website under Corporate Profile Governance at www.rgpt.com. Any waiver that relates to the Trustees and certain executive officers of the Trust will be publicly disclosed in such subsection on the Trust's website.

The Trust has adopted Corporate Governance Guidelines, which address, among other things, a Trustee's responsibilities, qualifications (including independence), compensation and access to management and advisors. The Nominating and Corporate Governance Committee is responsible for overseeing and reviewing these guidelines and recommending to the Board any changes to the guidelines. A copy of the Trust's Corporate Governance Guidelines can be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

As specified in Section 6 of the Trust's Corporate Governance Guidelines, the Trust encourages and supports the continuing education of its Trustees. Recent activities include Mr. Blank attending the Annual Boardroom Summit in New York, NY on September 22-23, 2005, which was co-sponsored by the Corporate Board Member magazine and the NYSE. Key topics of the seminar included improving management-Board and external auditor-Board communications and relationships, implementing management succession plans and conducting effective Board evaluations. This seminar was accredited by Institutional Shareholder Services.

COMMUNICATING WITH THE BOARD

The Board of Trustees has established a process for Shareholders to communicate with the Board of Trustees. Any such written communications can be sent to the Board at the following address: Board of Trustees (or Lead Trustee), c/o Secretary, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334. All communications received by the Trust's Secretary which are addressed to the Board of Trustees will be forwarded directly to the members of the Board.

Shareholders, Trust employees, officers, Trustees or any other interested persons who have concerns or complaints regarding questionable accounting, accounting procedures, or auditing matters of the Trust are encouraged to contact, anonymously or otherwise, the Chairman of the Audit Committee (or any Trustee who is a member of the Audit Committee). Such admissions will be treated confidentially.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for monitoring the integrity of the Trust's consolidated financial statements, the Trust's system of internal controls, the Trust's risk management, the qualifications, performance and independence of the Trust's independent registered public accounting firm, the performance of the Trust's internal audit function and the Trust's compliance with legal and regulatory requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace the Trust's independent registered public accounting firm. The Audit Committee operates under a written charter approved by the Board, a copy of which is attached as Appendix A to this proxy statement and can also be found on the Trust's website under Corporate Profile Governance at www.rgpt.com.

Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with generally accepted accounting principles and for the report on the Trust's internal control over financial reporting. The Trust's independent registered public accounting firm is responsible for performing an independent audit of the Trust's annual consolidated financial statements and expressing an opinion as to their conformity with generally accepted accounting principles and for attesting to management's report on the Trust's internal control over financial reporting. The Audit Committee's responsibility is to oversee and review the financial reporting process and to

Table of Contents

review and discuss management's report on the Trust's internal control over financial reporting. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by the Trust's management and the independent registered public accounting firm.

The Audit Committee held 18 meetings during 2005. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and the Trust's independent registered public accounting firm, Grant Thornton LLP.

The Audit Committee reviewed and discussed the Trust's ongoing compliance with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Trust Accounting Oversight Board's (PCAOB) Auditing Standard No. 2 regarding the audit of internal control over financial reporting. The Audit Committee discussed with Grant Thornton LLP and the Trust's internal auditors the overall scope and plans for their respective audits. The Audit Committee met with Grant Thornton LLP and the internal audit team, with and without management present, to discuss the results of their examinations and their evaluations of the Trust's internal controls.

The Audit Committee reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2005 with management and Grant Thornton LLP. The Audit Committee also reviewed and discussed, with management and Grant Thornton LLP, management's annual report on the Trust's internal control over financial reporting and the attestation report prepared by Grant Thornton LLP. The Audit Committee also discussed with such persons the process used to support the certifications made by the Trust's Chief Executive Officer and Chief Financial Officer that are required pursuant to the Sarbanes-Oxley Act of 2002 and management's annual report on the Trust's internal control over financial reporting. As a result of these discussions, the Audit Committee believes that the Trust maintains an effective system of accounting controls that allows it to prepare financial statements that fairly present the Trust's financial position, results of its operations, cash flows and shareholders' equity.

The Audit Committee discussed with Grant Thornton LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the PCAOB, including, among other things, matters related to the conduct of the audit of the Trust's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which included a discussion of Grant Thornton LLP's judgments about the quality (not just the acceptability) of the Trust's accounting principles as applied to financial reporting.

The Audit Committee also discussed with Grant Thornton LLP their independence from the Trust. Grant Thornton LLP provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and represented that it is independent from the Trust. When considering the independence of Grant Thornton LLP, the Audit Committee considered if services they provided to the Trust, beyond those rendered in connection with their audit of the Trust's consolidated financial statements, review of the Trust's interim condensed consolidated financial statements included in its Quarterly Reports on Form 10-Q and the

Table of Contents

attestation of management's report on internal control over financial reporting, were compatible with maintaining their independence. The Audit Committee also reviewed, among other things, the tax services performed by, and the amount of fees paid for such services to, Grant Thornton LLP. The Audit Committee received regular updates on the amount of fees and scope of audit and tax services provided.

Based on the Audit Committee's review and the foregoing meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee recommended to the Board that the Trust's audited consolidated financial statements for the fiscal year ended December 31, 2005 be included in the Trust's Annual Report on Form 10-K filed with the SEC. The Audit Committee has also appointed Grant Thornton LLP as the Trust's independent registered public accounting firm for the fiscal year ended December 31, 2006.

Table of Contents**Long-Term Incentive Plans Awards in Last Fiscal Year**

The following table shows long-term incentive awards granted to the Named Executive Officers in 2005 under the Trust's 2003 Long-Term Incentive Plan. The awards granted to each of the Named Executive Officers contained both a restricted stock component and a cash component. The payout of the awards is tied to the Trust's performance over the performance period, which will be evaluated using three measures: EBIDA return on assets (weighted 30%), growth in funds from operations (weighted 30%) and relative total shareholder returns (weighted 40%). If the minimum or threshold performance level is met or exceeded, the percentage of the target award that will eventually be paid to the Named Executive Officers will depend on the Trust's performance relative to the targets over the performance period.

- (1) The number of restricted stock units granted pursuant to the long-term incentive awards is based on a fixed dollar value determined on the award date. To determine the estimated future payouts in respect of such restricted stock units, we have assumed a stock price of \$27.11, the closing trading price of the Common Stock on the award date (April 1, 2005). The actual number of restricted stock units to be granted will be determined using the stock price on the grant date of the restricted stock units.
- (2) Represents restricted stock component of award. If the minimum performance level is met, the applicable number of shares of restricted stock will be issued to the officer after the end of the performance period, and the restrictions on one-third of the shares will lapse on March 1 of each year beginning March 1, 2009.
- (3) Represents cash component of award. If the minimum performance level is met, the applicable cash amount will be paid to the officer in three equal annual installments beginning on March 1, 2009.

Option Deferral Agreements

In December 2003, the Trust and each of Messrs. Dennis Gershenson, Richard Smith, Frederick Zantello, Michael Ward and Richard Gershenson entered into Election and Option Deferral Agreements (the "Deferral Agreements") with

respect to stock options previously granted to the Named Executive Officers. The Deferral Agreements provide for the deferral of gains (i.e., the difference between the fair market value of the Shares subject to the option and the aggregate exercise price of the option) that would be recognized by each Named Executive Officer upon his exercise of the options. In December 2004, each of the foregoing

Table of Contents

Named Executive Officers exercised some or all of his vested stock options and paid the exercise price for the options by surrendering Shares in accordance with the terms of the Trust's 1996 Share Option Plan and the Deferral Agreements. As a result of such exercise, the foregoing Named Executive Officers deferred the receipt of an aggregate of 127,877 Shares (the Deferred Shares). Until the Deferred Shares are issued, the foregoing Named Executive Officers will receive distribution equivalents on the Deferred Shares in the form of cash payments as and when the Trust pays dividends on the Shares outstanding.

Employment Agreements

Dennis E. Gershenson. The Trust has entered into an employment agreement with Mr. Dennis Gershenson, the Trust's President and Chief Executive Officer, which had an initial period of three years commencing on May 10, 1996, subject to automatic one year extensions thereafter, provided the Board of Trustees has considered the extension of such term not more than 90 days nor less than 30 days prior to the expiration of the term. The employment agreement has been automatically extended through May 9, 2006. Pursuant to such agreement, Mr. Dennis Gershenson receives an annual base salary and such other fringe benefits and perquisites as are generally made available to our management employees. In addition to base salary, he receives annual performance-based compensation as determined by the Compensation Committee.

The employment agreement provides for certain severance payments in the event of death or disability. In addition, the agreement provides that if the officer is terminated without cause or he terminates his employment for good reason (as defined below), he will be entitled to receive a severance payment equal to 1.99 times the base amount (as defined in Internal Revenue Code of 1986, as amended) and, for the duration of the term, those fringe benefits provided for under such agreement. Good reason includes diminution in authority, change of location, fewer than two of Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson, Bruce Gershenson and Michael Ward (collectively, the Ramco Principals) serving as members of the Board of Trustees or the Ramco Principals constituting less than 20% of the members of the Board of Trustees, and a change of control. A change of control will occur if any person or group of commonly controlled persons other than the Ramco Principals or their affiliates owns or controls, directly or indirectly, more than 25% of the voting control or value of the capital stock (or securities convertible or exchangeable therefore) of the Trust.

Furthermore, the employment agreement provides that Mr. Dennis Gershenson will conduct all of his real estate ownership, acquisition, management and development activities (other than certain limited activities relating to their existing fast food franchise and other businesses and activities relating to certain excluded assets) through the Trust. In connection therewith, he has agreed to offer to the Trust real estate opportunities of which he becomes aware (other than opportunities relating to certain excluded assets).

The employment agreement also provides that the Trust will indemnify Mr. Dennis Gershenson to the fullest extent permitted by law, and will advance to such officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

Richard D. Gershenson. On June 2, 2005, the Trust entered into a one year consulting agreement with Mr. Richard Gershenson in connection with his resignation as Executive Vice President and Secretary of the Trust and the termination of his employment agreement with the Trust effective May 31, 2005. Under the terms of the agreement, Mr. Richard Gershenson received \$250,000 as full payment for any bonus that would

Table of Contents

have been due him for services rendered, and receives \$10,000 per month for consulting services to be rendered to the Trust during such period on development projects that Mr. Richard Gershenson initiated. Mr. Richard Gershenson is also eligible to receive a bonus of \$75,000 per transaction upon the closing of certain prospective development projects by the Trust for his efforts in connection with such developments. In addition, the Trust will reimburse Mr. Richard Gershenson for the cost of medical coverage during the consulting period and will pay Mr. Gershenson an office relocation allowance of \$35,000. Following the end of the consulting period, the Trust may continue medical coverage for Mr. Gershenson or pay him the sum of \$150,000 less amounts reimbursed to Mr. Richard Gershenson for medical coverage during the consulting period. In consideration for the foregoing, Mr. Richard Gershenson has agreed to offer to the Trust any real estate opportunities of which he becomes aware during the term of the agreement.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Messrs. Goldberg (Chairman), Blank and Meister. None of the members of the Compensation Committee is or has been an officer or an employee of the Trust. In addition, during 2005, none of the Trust's executive officers served on the board of directors or compensation committee (or committee performing equivalent functions) of any other company that had one or more executive officers serving on Trust's Board of Trustees or Compensation Committee.

Compensation Committee Report

The Compensation Committee of the Board of Trustees (the Compensation Committee) is responsible for administering the Trust's senior management compensation program. The Compensation Committee is composed entirely of independent Trustees who are not employees of the Trust. None of the members of the Compensation Committee has any interlocking or other relationships with the Trust that would call into question their independence as Compensation Committee members.

Except as otherwise described below, the Compensation Committee has general review authority over compensation levels for, and sets the compensation for, all corporate officers and key management personnel of the Trust as well as the Board of Trustees. The Compensation Committee also administers employee incentive compensation programs and considers and recommends new benefit programs to the Board.

The compensation package offered by the Trust to its other senior executives is intended to enable the Trust to attract, motivate and retain qualified senior management, taking into account both annual and long-term performance goals of the Trust and recognizing individual initiative and achievements. Executive compensation generally consists of base salary, annual bonus, stock option grants and long-term incentive awards in the form of cash and/or restricted share awards, as well as a combination of benefit programs.

Compensation for Named Executive Officers. The Compensation Committee engaged the services of FPL Associates, an executive compensation consulting firm, to assess the overall competitiveness of the Trust's compensation program as it relates to the Trust's executive officers and senior management and to design a comprehensive executive compensation plan for the management team. Based on the results of such study, the Trust has implemented certain aspects of the program's recommendations for calendar year 2005.

Table of Contents

The initial compensation of each of Messrs. Dennis Gershenson and Richard Gershenson was set pursuant to three year employment agreements signed in 1996 between each such individual and the Trust. These agreements contain provisions for, among other things, calculating the base salary paid to such executive officers. Since the initial term of these employment agreements, such agreements have been automatically extended for one-year terms pursuant to the provisions therein. Their respective employment agreements provided for base salaries which have been increased since the execution of the agreements, based on the advice of FPL Associates.

On June 2, 2005, the Trust entered into a one year consulting agreement with Richard Gershenson in connection with Mr. Gershenson's resignation and the termination of his employment agreement with the Trust effective June 1, 2005. See Employment Agreements Richard Gershenson for a description of the terms of the consulting agreement.

The Compensation Committee has reviewed the Trust's compensation policies in light of Section 162(m) to the Internal Revenue Code, as amended, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation is not subject to that limit), and determined that the compensation levels of the Trust's executive officers were not at a level that would be affected by such provisions. The Compensation Committee intends to continue to review the application of Section 162(m) to the Trust with respect to any future compensation programs considered by the Trust.

**ITEM 2 RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

It is intended that votes will be cast pursuant to proxies received from Shareholders of the Trust **FOR** the appointment of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2006. Although shareholder approval of the appointment is not required by law and is not binding on the Trust, the Audit Committee will take the appointment of Grant Thornton under advisement if such appointment is not approved by the affirmative vote of a majority of the votes cast at the Meeting. The Trust expects that representatives of Grant Thornton will be present at the annual meeting and will be afforded an opportunity to make a statement if they desire to do so. The Trust also expects that such representatives will be available to respond to appropriate questions addressed to the officer presiding at the meeting.

Change in Accountants

On April 7, 2005, the Audit Committee of the Board of Trustees sent a Request for Proposal for auditing services to Deloitte & Touche LLP (Deloitte), our independent registered public accounting firm in 2004. The Audit Committee also sent the Request for Proposal to several other public accounting firms. Deloitte declined to participate in the Request for Proposal process, and instead, by a letter dated April 11, 2005, Deloitte declined to stand for re-election as the Trust's independent registered public accounting firm. Subsequently, on May 10, 2005, the Board of Trustees engaged Grant Thornton LLP (Grant Thornton) to serve as the Trust's independent registered public accounting firm for 2005.

Deloitte's reports on the Trust's financial statements for 2004 and 2003 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that Deloitte's report, dated March 25, 2005, on the Trust's December 31, 2004, 2003 and 2002 financial statements included an explanatory paragraph relating to the restatement of the Trust's 2003 and 2002 financial statements.

During 2004 and 2003 and the subsequent interim period, there were no disagreements between the Trust and Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused it to make a reference to the subject matter of the disagreement in connection with its reports, except that Deloitte stated in a letter to the Audit Committee, dated March 25, 2005, that Deloitte had disagreements with the Trust's management relating to the classification of the loss on an interest in an unconsolidated entity as a loss on sale instead of an impairment loss and that Deloitte disagreed with the recognition of a gain on a transaction in the second quarter of 2004, but that management recorded adjustments to the Trust's financial statements to properly present those two items and the disagreements had been resolved. The Audit Committee discussed the disagreements with Deloitte, and the Trust authorized Deloitte to respond fully to the inquiries of the Trust's successor accountants concerning the subject matter of the disagreements.

During 2004 and 2003 and the subsequent interim period, there have been no events of the type required to be reported pursuant to Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended, except that Deloitte's report dated March 25, 2005, regarding management's assessment of internal controls over financial reporting, expressed an adverse opinion on the

Table of Contents

Trust's internal controls over financial reporting because of a material weakness identified in the financial closing process. Management and financial closing and reporting personnel had not evaluated events, subsequent to the balance sheet date, impacting the preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America. The material weakness resulted from a deficiency in the operation of internal control and resulted in a material misstatement of employee bonuses. The Trust's consolidated financial statements for the years ended December 31, 2003 and 2002 were restated to correct the material misstatements of previously reported accrued expenses and general and administrative expenses for those periods. The material weakness had been identified and included in management's assessment of internal controls. The material weakness was considered by Deloitte in determining the nature, timing, and extent of audit tests applied in its audit of the Trust's consolidated financial statements and financial statement schedule as of and for the year ended December 31, 2004, and the report did not affect Deloitte's report on such financial statements and financial statement schedule. The Audit Committee discussed the material weakness with Deloitte, and the Trust authorized Deloitte to respond fully to the inquiries of the Trust's successor accountants concerning the subject matter of the material weakness.

The Trust provided Deloitte with a copy of the disclosures made above, and upon request by the Trust, Deloitte furnished the Trust with a letter addressed to the SEC stating whether Deloitte agrees with such disclosures and, if not, stating the respects in which it does not agree. A copy of the letter, dated April 26, 2005, provided by Deloitte in response to such request was included as an exhibit to the Amendment No. 1 to Form 8-K/ A filed by the Trust with the SEC on April 26, 2005.

Fees During Year Ended December 31, 2005

Grant Thornton audited and reported on the Trust's financial statements for the year ended December 31, 2005, while Deloitte audited and reported on the Trust's financial statements for the year ended December 31, 2004. During 2005, Grant Thornton provided various audit and related services to the Trust and its consolidated subsidiaries, and during 2004, Grant Thornton was engaged by the Trust to assist with documentation and testing of internal controls in preparation for management's assessment of internal control over financial reporting. During 2004 and 2005, Deloitte provided various audit and tax related services to the Trust and its consolidated subsidiaries. Set forth below are the aggregate fees billed for these services:

(a) *Audit Fees* Aggregate fees of \$356,000 were billed by Grant Thornton for professional services rendered for the audit of the Trust's 2005 consolidated financial statements included in its annual report on Form 10-K and the review of the financial statements included in the Trust's quarterly reports on Form 10-Q. Aggregate fees of \$857,118 were billed by Deloitte for similar professional services rendered in 2004.

(b) *Audit-Related Fees* No fees were billed by Grant Thornton for audit-related services rendered in 2005 and 2004, respectively. Aggregate fees of \$37,152 and \$28,032 were billed by Deloitte for audit-related services rendered in 2005 and 2004. The 2005 audit-related services were billed in connection with the change in the Trust's independent registered public accounting firm and consents for securities offerings. The 2004 audit-related fees include services in connection with the audits of acquired properties, along with work related to Sarbanes-Oxley readiness.

Table of Contents

(c) *Tax fees* No fees were billed by Grant Thornton for tax services in 2005 and 2004, respectively. Aggregate fees of \$389,936 and \$346,733 were billed by Deloitte for tax services in 2005 and 2004, respectively. Tax services principally include tax compliance, tax advice and tax planning. Tax fees to Deloitte for 2005 consist of \$325,185 for tax compliance and preparation and \$64,751 for other tax services. Tax fees to Deloitte for 2004 consist of \$236,989 for tax compliance and preparation, \$55,691 related to an equity offering completed in 2004, and \$54,053 for other tax services.

(d) *All other fees* No fees were billed for all other services in 2005. In 2004, aggregate fees of \$174,950 were billed by Grant Thornton for internal audit services provided prior to engagement as the Trust's independent registered public accounting firm.

The Audit Committee has established a policy which requires pre-approval by the Committee for any services to be rendered by the Trust's independent auditors which are not audit services. The Audit Committee discussed the non-audit services with Grant Thornton and determined that their provision of these services is compatible with maintaining Grant Thornton's independence. In 2005, 100% of the services described in categories (b) through (d) above were approved by the Audit Committee.

Representatives of Grant Thornton are expected to be present at the Meeting, with the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions.

APPENDIX A

AUDIT COMMITTEE CHARTER

I. Purpose

The principal purpose of the Audit Committee (the Committee) is to assist the Board of Trustees (the Board) of Ramco-Gershenson Properties Trust (RGPT) in fulfilling its responsibilities to the shareholders, potential shareholders and investment community relating to the corporate accounting and reporting practices of RGPT and its subsidiaries, the quality and integrity of RGPT's consolidated financial statements, RGPT's compliance with applicable legal and regulatory requirements, the performance, qualifications and independence of RGPT's external auditors and the performance of RGPT's internal audit function.

In discharging its oversight role, the Committee is granted the authority to adopt policies and procedures to ensure that the accounting and reporting practices of RGPT are of the highest quality and integrity, including the authority to investigate any matter brought to its attention, with full access to all books, records, facilities and personnel of RGPT, and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

It shall also be the responsibility of the Committee to maintain free and open means of communication among the Board and RGPT's external auditors, internal audit function and management. Through these lines of communication, the Committee shall monitor any issues or areas that fall within the scope of its duties, purpose or responsibilities that require special attention. RGPT's external auditors are ultimately accountable to the Committee and the Board.

II. Membership

1. The Committee will have at least three members, each of whom shall be appointed by the Board. Each member of the Committee shall be financially literate (*i.e.*, able to read and understand financial statements and aware of the functions of auditors for a Company) as affirmatively determined by the Board in connection with such member's appointment to the Committee.

2. The Committee shall be composed solely of independent trustees who have no employment or professional relationship with RGPT, who are independent of RGPT's management and who comply with the requirements for serving on audit committees as set forth in the corporate governance standards, as amended from time to time, of the New York Stock Exchange (NYSE) and all other applicable laws, rules and regulations. The definition of independent requires that the Board affirmatively determine that a trustee to be appointed to the Committee not have any material relationship with RGPT or any of its subsidiaries. In addition, the independence of each member of the Committee shall be reviewed on an annual basis by the Board or more frequently as the circumstances dictate. For purposes of eligibility to serve on the Committee, a trustee is not independent if:

- a) the trustee receives, directly or indirectly, any consulting, advisory or other compensatory fees from RGPT, other than fees for serving in his or her capacity as a member of the Board and as a member of the Board's committees;

Table of Contents

b) the Board determines that the trustee has a material relationship with RGPT (either directly or as a partner, shareholder or officer of an organization that has a relationship with RGPT) or is otherwise an affiliate of RGPT;

c) the trustee is a former employee of RGPT, unless a cooling-off period of at least five years after the termination of such employment has elapsed;

d) the trustee is, or in the past five years has been, affiliated with or employed by a present or former auditor of RGPT or an affiliate thereof, unless a cooling-off period of at least five years after the termination of either the affiliation or employment with the auditor or the auditing relationship has elapsed;

e) the trustee is, or in the past five years has been, part of an interlocking directorate in which an executive officer of RGPT serves on the compensation committee of the board of directors of another company that employs such trustee; or

f) the trustee has an immediate family member in any of the categories listed in (d) or (e) above, unless a cooling-off period of at least five years has elapsed since the termination of the applicable relationship or until after such family member is deceased or becomes incapacitated.

3. A trustee appointed to the Committee may not serve on more than two additional audit committees for publicly listed companies, unless the Board has made an affirmative determination that such trustee is able effectively to undertake the responsibilities of serving on RGPT's Audit Committee in addition to his or her positions on other such audit committees.

4. The Board shall appoint one member of the Committee to serve as the Chairman and shall affirmatively determine at the time of such appointment that such member possesses accounting or related financial management expertise.

III. Responsibilities, and Duties

A. *Financial and Related Reporting*

1. The Committee shall, prior to each filing by RGPT of a Quarterly Report on Form 10-Q (the Form 10-Q) with the Securities and Exchange Commission (the SEC), review with RGPT's management and external auditors the interim financial information to be included in the Form 10-Q and review the matters described in Statement on Auditing Standards No. 61, as it may be modified or supplemented, of the American Institute of Certified Public Accountants, Communication with Audit Committees (SAS 61). In connection therewith, the Committee shall review any matters of significance, including significant adjustments, management judgments and accounting estimates, significant reserves and/or accruals, significant new accounting principles, disagreements between management and the external auditors and their effect, if any, on RGPT's consolidated financial statements and recent or proposed requirements of the SEC, the Financial Accounting Standards Board (the FASB) or other similar governing bodies.

2. The Committee shall, prior to each filing by RGPT of an Annual Report on Form 10-K (the Form 10-K) with the SEC, review with RGPT's management and external auditors the audited financial statements to be included in the Form 10-K and in RGPT's annual report to shareholders (the Annual

Report) and review and consider the matters described in SAS 61. In connection therewith, the Committee shall review significant adjustments, management judgments and accounting estimates, significant reserves and/or accruals, significant new accounting principles, disagreements between management and the external auditors and their effect, if any, on RGPT's consolidated financial statements and recent or proposed requirements of the SEC, the FASB or other similar governing bodies. Following such review, the Committee shall recommend to the Board whether the audited financial statements should be included in the Annual Report or the Form 10-K.

3. The Committee shall meet with RGPT's Chief Executive Officer and Chief Financial Officer, prior to their certification of each Form 10-Q or Form 10-K filed with the SEC, and review with such officers their disclosures relating to (a) all significant deficiencies in the design or operation of internal controls which could adversely affect RGPT's ability to record, process, summarize and report financial data and identify any material weakness in internal controls and (b) any fraud, whether or not material, that involves RGPT's management or other employees who have a significant role relating to RGPT's internal controls.

4. In connection with its review of each Form 10-Q and Form 10-K and prior to issuance of any earnings press release by RGPT, the Committee shall review with RGPT's management and external auditors the consolidated statements of operations, earnings guidance and other financial information to be included in such earnings press release. Prior to issuance of any release of financial information or earnings guidance to analysts or rating agencies, the Committee shall review with RGPT's management and external auditors the financial information or earnings guidance to be included in such release to be provided to analysts or rating agencies.

5. The Committee shall annually issue a written report to the Board, a copy of which shall be included in RGPT's proxy statement related to the annual meeting of shareholders, stating whether the Committee has (a) reviewed and discussed the audited financial statements with RGPT's management, (b) discussed with RGPT's external auditors the matters required to be discussed by SAS 61, (c) received from RGPT's external auditors disclosures regarding such auditors' independence required by Independence Standards Board 1 and discussed with such auditors their independence, (d) recommended to the Board that the audited financial statements of RGPT be included in the Annual Report and the Form 10-K and (e) reviewed such other information as may be required, from time to time, by the rules and/or regulations of the NYSE, the SEC, the FASB or other similar governing bodies.

6. The Committee shall periodically discuss with RGPT's external auditors such auditors' judgments about the quality, not just the acceptability, of RGPT's accounting principles as applied in its consolidated financial statements. The discussion should include such issues as the clarity of RGPT's financial disclosures, the degree of aggressiveness or conservatism of RGPT's accounting principles and the underlying estimates and other significant decisions made by RGPT's management in preparing the financial disclosures.

7. The Committee shall obtain and review, on an annual basis, a report prepared by RGPT's management and/or external auditors setting forth all significant financial reporting issues and judgments made in connection with the preparation of RGPT's financial statements, including an analysis of the effects on the financial statements of RGPT of any alternative generally accepted accounting principle (GAAP) methods adopted by RGPT, any regulatory and/or accounting initiatives and any off-balance sheet structures and all critical accounting policies and practices RGPT uses or expects to use.

Such review should also consider the impact of the adequacy and effectiveness of RGPT's system of internal accounting controls on RGPT's financial reporting on both an annual and quarterly basis.

9. The Committee shall discuss and review policies with respect to risk assessment and risk management, including, but not limited to, (a) guidelines and policies to govern the process by which risk assessment and risk management is undertaken by RGPT and its management, (b) RGPT's interest rate risk management, (c) RGPT's counter-party and credit risks and (d) any material environmental risks relating to RGPT.

10. The Committee shall review with RGPT's management and tax advisors the status of all tax returns, including open years and potential disputes. The Committee shall review with RGPT's external auditors the adequacy of tax reserves included in RGPT's consolidated financial statements.

11. On at least an annual basis, the Committee shall review with RGPT's legal counsel, (a) any legal or regulatory matters that could have a significant impact on RGPT's financial statements, (b) RGPT's compliance with applicable laws and regulations and (c) inquiries received from regulators or governmental agencies.

12. The Committee shall review the status of significant litigation with RGPT's legal counsel and external auditors, if appropriate, and whether reserves, if any, in connection with actual and/or potential litigation are appropriate.

13. The Committee shall monitor and review RGPT's compliance with all applicable SEC and NYSE rules and regulations.

14. To the extent applicable, the Committee shall review the operation of RGPT's internal audit function, its budget, organization, activities, independence and authority of its reporting obligations. In addition, the Committee shall also conduct exit interviews with departing executive officers (senior vice president or above) in order to evaluate RGPT's corporate accounting and reporting practices.

26. The Committee shall establish, review and update periodically an orientation and training program for new Committee members, based upon new member orientation guidelines developed by the Committee, and ensure continuing education and training for current Committee members.

27. The Committee shall conduct an annual evaluation of its own performance, including the performance of individual members and any recommendations to the Board for changes in Committee membership, and confirm annually that all of the Committee's responsibilities set forth in this Charter have been performed.

28. The Committee shall annually review and assess this Charter. This Charter may be amended by the recommendation of the Committee and the approval of the independent members of the Board. All amendments will be reported to the Board.

V. Committee Powers

In the course of fulfilling its responsibilities and duties, the Committee shall be empowered (a) to initiate, if warranted, an investigation of any special situation, (b) to retain outside legal, accounting or other advisors and consultants without seeking approval from the Board if, in the Committee's judgment, it is appropriate and (c) to delegate to one or more of its members any responsibility or duty of the Committee, which by its nature is not required to be performed by the entire Committee. RGPT shall provide appropriate funding, as determined by the Committee in its capacity as a committee of the Board, for payment of compensation to any external auditors employed to audit RGPT's consolidated financial statements and any legal, accounting or other advisors and consultants employed by the Committee in carrying out its duties.

VI. Meetings

The Committee shall meet at least four times annually or more frequently as the circumstances dictate. For each Committee meeting, the Committee will appoint a secretary to keep minutes of such meeting. After approval of each set of minutes by the Committee, the Committee will submit such minutes to the Board for review and will cause such minutes to be filed with the minutes of the Board.

VII. Limitations on Scope

The Committee members shall serve on the Committee subject to the understanding on their part and on the part of RGPT's management, external auditors and internal auditor function that:

1. The Committee members are not employees or officers of RGPT and are not directly involved in RGPT's daily operations, and they will not serve as members of the Committee on a full-time basis.

2. The Committee members expect RGPT's management, external auditors and internal auditor function to provide the Committee with prompt and accurate information, so that the Committee can discharge its duties properly.

3. To the extent permitted by law, the Committee shall be entitled to rely on the information and opinions of the persons and entities noted above in carrying out its responsibilities.

The Committee members, in adopting this Charter and in agreeing to serve on the Committee, do so in reliance on, among other things, the provisions of RGPT's Amended and Restated Declaration of Trust which:

1. Together with RGPT's By-laws, provide indemnification for their benefit, and,

2. To the fullest extent provided by law, provide that no trustee shall be liable to RGPT or its shareholders for monetary damages for breach of fiduciary duty as a trustee.
