

Edgar Filing: IBT BANCORP INC /MI/ - Form 8-K

Pursuant to the Plan, certain highly compensated officers are eligible to receive quarterly credits to their Plan accounts based on an annual allocation schedule adopted in the sole and exclusive discretion of IBT's Board of Directors. In addition, amounts credited to Plan accounts will be credited with earnings and losses based on the actual rate of return on a predetermined actual investment selected by IBT, or if no investment has been selected by IBT, at the mid-term applicable federal rate for January 1 of the calendar year in which the income is credited.

The Plan is a non-qualified, deferred compensation plan that provides a way for certain highly compensated officers to defer receipt of taxable income and thereby defer income taxes and assist in saving for retirement. The text of the Plan is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
