**Item 8.01 Other Events.**

Fentura Financial, Inc. has announced plans for a special third quarter provision for loan losses. The provision expense for the quarter is expected to be approximately \$4.5 million. The action is in response to an identified decline in credit quality of certain borrowers in our construction and land development loan portfolios.

The action taken by management follows a thorough and in depth evaluation of the entire commercial loan portfolio and reflects the negative impact of the Michigan economy on the housing sector including specifically several of our land development and construction borrowers.
