In the case of any standby Letter of Credit, such standby Letter of Credit shall be issued for the purpose of providing credit enhancements with respect to Borrower's workers' compensation insurance arrangements or for any other purpose acceptable to Bank.

(c) Each Letter of Credit shall be drawn on such terms and conditions as are acceptable to Bank and shall be governed by the terms of (and Borrower agrees to execute) Bank's standard form Letter of Credit Agreement in connection therewith. No commercial Letter of Credit shall have an expiration date more than one (1) year from its date of issuance or shall expire after the Revolving Credit Commitment Termination Date. No standby Letter of Credit shall have an expiration date more than one (1) year from its date of issuance or shall expire more than one (1) year after the Revolving Credit Commitment Termination Date.

2.4 Interest.

(a) Each Revolving Loan shall bear interest at the rate or rates provided for in the Revolving Note and selected by Borrower.

(b) Interest on the Revolving Loans shall be computed on the basis of the actual number of days during which the principal is outstanding thereunder divided by 360, which shall, for the purposes of computing interest, be considered one (1) year.

(c) Interest shall be payable on the outstanding principal amount of each Revolving Loan as set forth in the Revolving Note in accordance with Section 2.8 hereof.

(d) There shall be no more than four (4) Revolving Loans bearing interest at a rate based upon the Base Interest Rate (as such term is defined in the Revolving Note) outstanding at any one time under the Revolving Note.

2.5 Voluntary Prepayment. The principal Indebtedness evidenced by the Revolving Note may, at any time and from time to time, voluntarily be paid or prepaid in whole or in part without penalty or premium in accordance with the terms of the Revolving Note, except that, with respect to any voluntary prepayment under this Section 2.5, (a) the amount of any partial prepayment of a Revolving Loan shall not be less than Five Hundred Thousand Dollars (\$500,000) and shall be in an integral multiple of One Hundred Thousand Dollars (\$100,000) in excess thereof and (b) any payment or prepayment of all or any part of any Base Interest Rate Loan under and as defined in the Revolving Note on a day, other than the last day of the applicable Interest Period under and as defined in the Revolving Note, shall be subject to the payment of a prepayment fee as provided for in the Revolving Note. No prepayment fee shall be payable by Borrower in connection with the prepayment of any Revolving Loan bearing interest at a rate based upon the Reference Rate (as such term is defined in the Revolving Note).

2.6 Default Rate of Interest. If all or any portion of the principal amount of any Revolving Loan or any other payment due under this Agreement or any of the other Loan Documents shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue principal amount, and to the extent permitted by law overdue interest thereon, shall be payable on demand at a rate per annum equal to the rate which would otherwise be applicable plus three percent (3%) (the Default

Rate of Interest), effective from the date that such amounts become overdue until paid in full.

2.7 Fees.

(a) On the last Business Day of each fiscal quarter of each fiscal year of Borrower and its Subsidiaries, and on the Revolving Credit Commitment Termination Date, Borrower shall pay to Bank a fee in respect of the Revolving Credit Commitment equal to (i) three-eighths of one percent ($3/8$ of 1%) per annum of the average daily unutilized amount of the Revolving Credit Commitment during such fiscal quarter, in the event that the Leverage Ratio as of the last day of the immediately preceding fiscal quarter was greater than or equal to 1.50 to 1.00 and (ii) one-quarter of one percent ($1/4$ of 1%) per annum of the average daily unutilized amount of the Revolving Credit Commitment during such fiscal quarter, in the event that the Leverage Ratio as of the last day of the immediately preceding fiscal quarter was less than 1.50 to 1.00.

(b) Borrower shall pay Bank's standard fees and commissions with respect to the issuance, negotiation and amendment of Letters of Credit, as such fees and commissions may change at any time and from time to time. Bank shall provide written notice of any change in such fees or commissions to Borrower. Bank shall not be obligated to refund any portion of any commission or fee if any Letter of Credit shall expire or terminate prior to its stated expiration date.

2.8 Bank's Right to Charge Deposit Account. Borrower authorizes Bank (irrevocably until the Obligations are paid in full and Bank's commitments to extend the Revolving Loans and issue the Letters of Credit hereunder are terminated) from time to time to charge against the business checking account bearing account number 3030160435 maintained by Borrower with Bank any principal and/or interest due or past due in respect of the Obligations under this Agreement; provided that Bank shall not have any obligation to charge past due payments against such business checking account.

SECTION 3. COLLATERAL

3.1 Collateral Provided By Borrower. Pursuant to the Prior Agreement, Borrower executed and delivered a Security Agreement to Bank, pursuant to which Borrower granted to Bank a security interest in all of Borrower's present and hereafter acquired personal property, including but not limited to all accounts receivable, chattel paper, instruments, contract rights, general intangibles, goods, equipment, inventory, documents, certificates of title, deposit accounts, returned or repossessed goods, fixtures, commercial tort claims, insurance claims, rights and policies, letter-of-credit rights, investment property, supporting obligations, and the proceeds, products, parts, accessories, attachments, accessions, replacements, substitutions, additions, and improvements of or to each of the foregoing, as security for the payment and performance of all Obligations of Borrower to Bank under this Agreement and the other Loan Documents to which Borrower is a party. The security interest granted to Bank

pursuant to the Security Agreement is and shall continue to be a first priority security interest, or such lesser priority as may be permitted by this Agreement. Each classification of personal property used hereinabove shall have the meaning given to it in the UCC.

3.2 Power of Attorney. Until the Obligations of Borrower are paid in full and Bank has no commitment to make further Revolving Loans or issue further Letters of Credit hereunder, Borrower hereby irrevocably makes, constitutes and appoints Bank (and any officers, employees or agents of Bank designated by Bank) as the true and lawful attorney of Borrower, with power to sign the name of Borrower on any documents or instruments which Bank believes should be executed, recorded and/or filed in order to perfect, or continue the perfection, of Bank's security interest in the Collateral or to liquidate or realize value from the Collateral after the occurrence of an Event of Default; provided, however, that such liquidation or realization is effected in a commercially reasonable manner.

SECTION 4. CONDITIONS

4.1 Conditions Precedent to Initial Revolving Loan. The obligation of Bank to make its initial Revolving Loan hereunder is subject to the fulfillment, to the satisfaction of Bank and its counsel, of each of the following conditions (but only to the extent that such conditions were not fulfilled previously pursuant to the Prior Agreement):

(h) **Agreement to Furnish Insurance.** Bank shall have received an Agreement to Furnish Insurance, on Bank's standard form therefor, duly executed by Borrower;

(i) **Financial Statements.** Bank shall have received the unaudited consolidated Financial Statement of Borrower and its Subsidiaries for the fiscal quarter ended June 30, 2007, prepared by Borrower (which Bank acknowledges remains subject to year-end audit adjustments);

(k) **Other Documents.** Bank shall have received such other documents, instruments and agreements as Bank may reasonably require in order to effect fully the transactions contemplated by this Agreement and the other Loan Documents.

4.2 Conditions Precedent to Letters of Credit. The obligation of Bank to issue the initial and each subsequent Letter of Credit hereunder is subject to the receipt by Bank, on or prior to the date of issuance of such Letter of Credit, of the following, each in form and substance reasonably satisfactory to Bank:

(a) **Letter of Credit Agreement.** A Letter of Credit Agreement, duly executed by Borrower; and

(b) **Letter of Credit Commission.** The commission payable with respect to the issuance of such Letter of Credit, in the amount provided for in Section 2.7(b) hereof.

(a) **Representations and Warranties.** The representations and warranties contained in this Agreement shall be true, complete and accurate in all material respects on and as of such date (except to the extent that such representations and warranties relate solely to any earlier date); and

(b) **No Event of Default.** No Event of Default or event which, with the lapse of time or notice, or both, would be an Event of Default shall have occurred and be continuing on the date of the making of such Revolving Loan or the issuance of such Letter of Credit, nor shall either result from the making of such Revolving Loan or the issuance of such Letter of Credit.

SECTION 5. REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants that:

5.1 Principal Business Activity. The principal business of Borrower and its Subsidiaries is the remanufacturing of alternators and starters for domestic and imported automobiles and light trucks.

5.2 Authority to Borrow. The execution, delivery and performance of this Agreement, the Revolving Note and all other Loan Documents to which Borrower or any of its Subsidiaries is a party are not in contravention of any of the terms of any indenture, agreement or undertaking to which Borrower or any of its Subsidiaries is a party or by which it or any of its property is bound or affected.

5.3 Financial Statements. The unaudited consolidated Financial Statement of Borrower and its Subsidiaries for the fiscal quarter ended June 30, 2007 has heretofore been furnished to Bank, and is true and complete and fairly represents the financial condition of Borrower and its Subsidiaries for the fiscal quarter covered thereby; provided, however, that Bank acknowledges that such Financial Statement remains subject to audit adjustments. Since June 30, 2007, there has been no material adverse change in the business, operations, assets, prospects, earnings or condition (financial or otherwise) of Borrower or any of its Subsidiaries.

5.4 Title to Property. Except for assets which may have been disposed of in the ordinary course of business, Borrower and its Subsidiaries have good and marketable title to all of the property reflected in the unaudited consolidated Financial Statement of Borrower and its Subsidiaries for the fiscal quarter ended June 30, 2007 and to all property acquired by them since that date, free and clear of all Liens, except for (a) Permitted Liens and (b) Liens specifically set forth in such unaudited consolidated Financial Statement.

5.5 No Litigation. Except as previously disclosed to Bank in writing, there is no litigation or proceeding pending or threatened against Borrower or any of its Subsidiaries, or any of their respective properties, the results of which, if decided adversely, are likely to have a material adverse effect on the financial condition,

property or business of Borrower or any of its Subsidiaries or result in liability (other than deductibles) materially in excess of the insurance coverage of Borrower or any of its Subsidiaries.

5.6 No Event of Default. Neither Borrower nor any of its Subsidiaries is now in default in the payment of any of its material obligations, and there exists no event, condition or act which constitutes an Event of Default and no event, condition or act which with notice, the lapse of time, or both, would constitute an Event of Default.

5.7 Organization. Each of Borrower and its Subsidiaries is duly organized and existing under the laws of the state or other jurisdiction of its incorporation, without limitation as to its existence, and has the power and authority to carry on the business in which it is engaged and proposes to engage.

5.8 Power and Authority. Borrower has the corporate power and authority to enter into this Agreement and to execute and deliver the Revolving Note and all of the other Loan Documents to which it is a party.

5.9 Qualification. Each of Borrower and its Subsidiaries is duly qualified and in good standing as a foreign corporation wherever such qualification is required, except in those jurisdictions where the failure to so qualify would not have a material adverse effect on the business, operations, assets, prospects, earnings or condition (financial or otherwise) of Borrower or such Subsidiary.

5.10 ERISA. Each defined benefit pension plan (as such term is defined in the Employee Retirement Income Security Act of 1974, as amended (ERISA)) of Borrower, if any, meets, as of the date hereof, the minimum funding standards of section 302 of ERISA, and no Reportable Event (as such term is defined in ERISA) or Prohibited Transaction (as such term is defined in ERISA) has occurred with respect to any such plan.

5.11 Regulation U. No action has been taken or is currently planned by Borrower, or any agent acting on its behalf, which would cause this Agreement or any Revolving Loan to violate Regulation U or any other regulation of the Board of Governors of the Federal Reserve System or to violate the Securities and Exchange Act of 1934, in each case as in effect now or as the same may hereafter be in effect. Borrower is not engaged principally, or as one of its most important activities, in the business of extending credit for the purpose of purchasing or carrying margin stock as that term is defined in Regulation U and none of the proceeds of any Revolving Loan hereunder have been or shall be used for the purpose, directly or indirectly, of purchasing or carrying any such margin stock.

SECTION 6. AFFIRMATIVE COVENANTS

Borrower covenants and agrees that, so long as this Agreement shall be in effect and until payment in full of all Obligations, including, without limitation, any accrued and

unpaid interest thereon, and any other amounts due hereunder, Borrower shall perform each and all of the following covenants applicable to it, unless Bank otherwise consents in writing:

6.1 Payment of Obligations. Borrower shall promptly pay and discharge, and cause each of its Subsidiaries to promptly pay and discharge, all taxes, assessments and other governmental charges and claims levied or imposed upon it or its property, or any part thereof; provided, however, that each of Borrower and its Subsidiaries shall have the right in good faith to contest any such taxes, assessments, charges or claims and, pending the outcome of such contest, to delay or refuse payment thereof, provided that such reserves as may be required by GAAP are established by it to pay and discharge any such taxes, assessments, charges and claims.

6.2 Maintenance of Existence. Each of Borrower and its Subsidiaries shall maintain and preserve its existence and assets and all rights, franchises and other authority materially necessary for the conduct of its business and shall maintain and preserve its property, equipment and facilities in good order, condition and repair. Bank may, at reasonable times, visit and inspect any of the properties of Borrower and its Subsidiaries.

(c) **Compliance Certificate.** Concurrently with the delivery of the Financial Statements provided for in subsections (a) and (b) of this Section 6.4, a certificate of Borrower's chief financial officer or other duly authorized officer (i) setting forth in reasonable detail the calculations required to establish that Borrower was in compliance

with its covenants set forth in Sections 6.5, 6.6, 6.7, 7.8, 7.9 and 7.11 hereof during the period covered by such Financial Statement and (ii) stating that, except as explained in reasonable detail in such certificate, (A) all of the representations, warranties and covenants of Borrower contained in this Agreement and the other Loan Documents to which Borrower is a party are correct and complete as at the date of such certificate, except for those representations and warranties which relate to a particular date and (B) no Event of Default then exists or existed during the period covered by such Financial Statement. If such certificate discloses that a representation or warranty is not correct or complete, that a covenant has not been complied with, or that an Event of Default exists or existed, such certificate shall set forth the action, if any, that Borrower has taken or proposes to take with respect thereto;

(d) **Certain Reports.** Within thirty (30) days after the filing thereof, copies of any reports filed with the Securities and Exchange Commission or any other governmental authority, and copies of any reports provided to its shareholders;

(a) reduce the amount of or refuse to make any Revolving Loan under this Agreement; (b) declare any and all Obligations outstanding under this Agreement to be immediately due and payable, notwithstanding anything contained herein or in the Revolving Note or other Loan Document to the contrary (provided, however, that upon the occurrence of any Event of Default described in Section 8.1(d), (e) or (f) hereof, all Obligations shall automatically become due and payable); and (c) enforce payment of all Obligations of Borrower under this Agreement and the other Loan Documents. Notwithstanding anything to the contrary contained herein, Bank shall have no obligation to make any Revolving Loan to, or issue any Letter of Credit on the account of, Borrower during any cure period provided for in Section 8.1 hereof.

SECTION 9. MISCELLANEOUS PROVISIONS

9.1 Additional Remedies. The rights, powers and remedies given to Bank hereunder shall be cumulative and not alternative and shall be in addition to all rights, powers and remedies given to Bank by law against Borrower or any other Person, including but not limited to Bank's rights of setoff or banker's lien.

9.2 Nonwaiver. Any forbearance or failure or delay by Bank in exercising any right, power or remedy hereunder shall not be deemed a waiver thereof and any single or partial exercise of any right, power or remedy shall not preclude the further exercise thereof. No waiver shall be effective unless it is in writing and signed by an officer of Bank.

9.3 Inurement. The benefits of this Agreement shall inure to the successors and assigns of Bank and the permitted successors and assigns of Borrower. Borrower shall

not assign any of its rights or obligations under this Agreement to any Person without Bank's prior written consent, and any assignment attempted without Bank's prior written consent shall be void.

9.4 Applicable Law; Jurisdiction. This Agreement and all other Loan Documents shall be governed and construed in accordance with the laws of the State of California. Borrower and Bank hereby submit to the jurisdiction of any court having jurisdiction in the matter in accordance with the Alternative Dispute Resolution Agreement.

9.5 Severability. Should any one or more provisions of this Agreement be determined to be illegal or unenforceable, all other provisions nevertheless shall be effective.

9.6 Integration Clause. Except for the other Loan Documents to which Borrower is a party, this Agreement constitutes the entire agreement between Bank and Borrower, and the Prior Agreement and all other prior communications between Borrower and Bank, whether verbal or written, shall be of no further effect or evidentiary value. Without limiting the generality of the foregoing, Bank hereby agrees that none of the terms and conditions set forth in the Prior Agreement (including without limitation any affirmative or negative financial or reporting covenants set forth therein) will be deemed to be valid or enforceable, unless such terms and conditions are also set forth in this Agreement.

9.7 Construction. The Section and subsection headings herein are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

9.8 Amendments. This Agreement may be amended only in writing signed by all parties hereto.

9.9 Documentation. All documentation evidencing or pertaining to the Obligations under this Agreement and the other Loan Documents shall be on Bank's standard forms or otherwise in form and content reasonably acceptable to Bank. To the extent that the terms or conditions of this Agreement are inconsistent with the terms or conditions of such documentation, the terms and conditions of this Agreement shall prevail.

9.10 Counterparts. This Agreement may be executed in as many counterparts as may be deemed necessary or convenient, and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed an original but all such counterparts shall constitute but one and the same agreement. This Agreement shall become effective upon the receipt by Bank and Borrower of executed counterparts signed by each of them.

9.11 Setoff. Borrower hereby acknowledges and specifically grants Bank a security interest in, banker's lien upon, and right of recoupment and setoff respecting any and all deposit or other accounts maintained by Borrower with Bank, whether held in a general or special account or deposited for safekeeping or otherwise, and regardless of how such account may be titled, and any other property of Borrower held in the possession

or custody of Bank or its agents. Borrower further acknowledges that the exercise of setoff, if any, shall require, and only be deemed to occur upon, the affirmative action of Bank. Bank agrees to notify Borrower promptly after any such setoff and application; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application.

9.12 Hazardous Substances. Borrower will indemnify and hold harmless Bank from any loss or liability that Bank may incur in connection with or as a result of this Agreement, which directly or indirectly arises out of the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal or presence of a hazardous substance. This indemnity will apply whether the hazardous substance is on, under or about Borrower's property or operations or property leased by Borrower. This indemnity includes, but is not limited to, attorneys' fees (including the reasonable estimate of the allocated cost of in-house counsel and staff). This indemnity extends to Bank, its parent, subsidiaries and all of their directors, officers, employees, agents, successors, attorneys and assigns. As used in this Section 9.12, the term hazardous substance means any substance, material or waste that is or becomes designated or regulated as toxic, hazardous, pollutant, or contaminant or a similar designation or regulation under a federal, state or local law (whether under common law, statute, regulation or otherwise) or judicial or administrative interpretation of such, including without limitation petroleum or natural gas. This indemnity will survive the repayment of the Obligations of Borrower to Bank.
