FORM 6-K

Commission File No. 0-30852

On January 18, 2007, the Comision Nacional de Valores of the Republic of Argentina (the local securities regulatory agency, hereinafter, the "Commission") notified Grupo Financiero Galicia S.A. (the "Company") of the passage of Resolution No. 15.557 of the Commission, dated January 11, 2007 (the "Resolution") regarding the initiation of investigation proceedings by the Commission against the Company, the members of the board of directors of the Company, the members of the supervisory committee of the Company and Banco de Galicia y Buenos Aires S.A. (the "Bank"), the main subsidiary of the Company, the members of its board of directors and the members of its supervisory committee. Pursuant to the Resolution, the Commission has ordered the commencement of an investigation, with respect to the entities and persons noted above, with respect to potential violations of various regulations relating to possible wrong use of information and the possible insufficient disclosure of

information, in each case, relating to the open market purchases and sales by the Company of notes due 2014 and 2019 held by the Company and issued by the Bank (the "Purchase and Sale").

Both the Company and the Bank believe that the investigation initiated by the Commission is not supportable by the facts and that all actions taken by the Company, the Bank, their respective directors and supervisory committee members with respect to the Purchase and Sale were in accordance with law and all applicable regulations. The Company believes that the Commission has made an erroneous interpretation of the transactions contemplated by the Purchase and Sale, which were duly informed to the market and the Commission as required and in accordance with applicable law and regulations.

For the reasons articulated above, the Company does not believe that these proceedings will have any material adverse effect on its financial condition or on its operations or business. The Company intends to promptly respond to the Commission's pleadings, provide an explanation of the transactions that are the subject of the investigation and demonstrate the proper compliance by the Company, the Bank, their directors supervisory committee members with all the applicable laws and regulations, while vigorously defending its rights. The Company has until February 14, 2007 to respond to the Commission's pleadings. The board of directors regrets not to have had the chance to provide an explanation of the facts before the decision of the Commission was taken.

This is a brief description of the Resolution made from the original version written and expressed in Spanish. Consequently, any matters of interpretation should be referred to the original version in Spanish available at www.cnv.gov.ar
