INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE.

This Registration Statement registers additional securities of the same class for which a registration statement on Form S-8 (Registration No. 333-60470), filed on May 8, 2001, and Post-Effective Amendment No. 1 to Form S-8, filed on July 25, 2001, relating to the Patterson-UTI Energy, Inc. Amended and Restated 1997 Long-Term Incentive Plan, are effective. Pursuant to Instruction E of Form S-8, the contents of the prior registration statement and post-effective amendment are incorporated herein by reference, except that Items 5, 6 and 8 are hereby superseded as set forth below.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law ("DGCL") allows a corporation to indemnify directors, officers, employees and agents for costs and

expenses incurred by or in connection with an action, suit or proceeding brought by reason of their position as a director, officer, employee or agent. The person indemnified must have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. The DGCL provides that a corporation may advance payment of expenses under certain circumstances. The DGCL further provides that the indemnification and advancement of expenses provisions of the DGCL will not be deemed exclusive of any other rights of indemnification or advancement of expenses to which directors, officers, employees and agents may be entitled under bylaw,

agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

In addition to the general indemnification section, Delaware law provides further protection for directors under Section 102(b)(7) of the DGCL. This section allows a Delaware corporation to include in its certificate of incorporation a provision that eliminates or limits the personal liability of a director for monetary damages for breaches of the director's fiduciary duty of care, provided that any such provision does not (in the words of the statute) do any of the following:

[E]liminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of this Title [dealing with willful or negligent violation of the statutory provision concerning dividends and stock purchases and redemptions], or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective...

The DGCL further empowers the board of directors to make other indemnification as authorized under the certificate of incorporation, bylaws or any corporate resolution or agreement so long as the indemnification is consistent with the DGCL.

The Registrant's Restated Certificate of Incorporation provides that, to the fullest extent permitted by the DGCL, a director of the Registrant will not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. The Registrant's Amended and Restated Bylaws provide that, to the maximum extent and in the manner permitted by the DGCL, the Registrant shall indemnify its directors, officers, employees and agents against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding arising by reason of the fact that such person is or was an agent of the Registrant, provided, however, that the Registrant may modify the extent of such indemnification by individual contracts with its directors and officers and, provided further, that the Registrant shall not be required to indemnify any director or officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized in advance by the board of directors of the Registrant, (iii) such indemnification is provided by the Registrant, in its sole discretion, pursuant to the powers vested in the Registrant under the DGCL or (iv) such indemnification is required to be made pursuant to an individual contract. The Registrant's Amended and Restated Bylaws

Edgar Filing: PATTERSON UTI ENERGY INC - Form S-8

also provide that the Registrant may advance the payment of expenses, upon receipt of an undertaking by or on behalf of such person to repay such amounts if it should be determined ultimately that such person is not entitled to be indemnified under the bylaws or otherwise, and that the indemnification and advancement of expense provisions of the bylaws are nonexclusive. The Registrant maintains director and officer liability insurance covering director and officer indemnification.

The Registrant has an Indemnity Agreement with each of its directors and executive officers. The standard for indemnification under the Indemnity Agreement is substantially the same as under the Registrant's Amended and Restated Bylaws. The Indemnity Agreement, however, provides for the creation of a trust account in the event of a "change in control" (as defined in the Indemnity Agreement), funded in an amount sufficient to reasonably satisfy any and all expenses incurred by a director or executive officer in connection with investigating, preparing for, participating in, and/or defending any proceeding relating to any Indemnifiable Event (as defined in the Indemnity Agreement). The trustee of such trust account is to be selected by the director or executive officer receiving the indemnity under the Indemnity Agreement.

In the Agreement and Plan of Merger between Patterson Energy, Inc. and UTI Energy Corp. dated as of February 4, 2001, pursuant to which UTI Energy Corp. ("UTI") merged with and into Patterson Energy, Inc. with the Registrant as the surviving corporation (the "UTI Merger"), the Registrant agreed to indemnify the former officers and directors of UTI from liabilities arising out of actions or omissions in their capacity as such prior to the effective time of the UTI Merger, and advance reasonable litigation expenses incurred in connection with such actions or omissions, to the full extent permitted under UTI's certificate of incorporation and bylaws. Further, for a period of six years after the effective time of the UTI Merger, the Registrant will provide UTI's officers and directors with an insurance and indemnification policy that provides coverage for acts or omissions through the effective time of the UTI Merger; provided that the maximum aggregate amount of premiums that the Registrant will be required to pay to provide and maintain this coverage does not exceed \$300,000 per year.

In the Agreement and Plan of Merger among TMBR/Sharp Drilling, Inc. ("TMBR/Sharp"), Patterson-UTI Acquisition, LLC and the Registrant dated as of May 26, 2003, the Registrant agreed, from and after the effective time of the merger (the "TMBR/Sharp Merger"), to indemnify the present and former officers, directors and employees of TMBR/Sharp who act as a fiduciary under any of TMBR/Sharp's employee benefit plans from liabilities arising out of in whole or in part such person's acts or omissions as a director, officer or employee of TMBR/Sharp. The Registrant also agreed to advance such persons the reasonable litigation expenses in connection with investigating, preparing and defending any action arising out of such acts or omissions. In addition, for a period of six years after the effective time of the TMBR/Sharp Merger, the Registrant will provide TMBR/Sharp's officers and directors with an insurance and indemnification policy that provides coverage for acts or omissions through the effective time of the TMBR/Sharp Merger; provided that the maximum aggregate amount of premiums that the Registrant will be required to pay to provide and maintain this coverage does not exceed \$275,000 per year.
