PROSPECTUS SUPPLEMENT

(To Prospectus dated October 16, 2003)

(VALERO ENERGY CORPORATION LOGO)

2% MANDATORY CONVERTIBLE PREFERRED STOCK

(Liquidation Preference \$25 per share)

This document supplements our prospectus dated October 16, 2003, as supplemented by our prospectus supplement dated October 28, 2003, relating to the offering for resale of Valero Energy Corporation's 2% Mandatory Convertible Preferred Stock (liquidation preference \$25 per share) and the shares of our common stock issuable upon conversion of the convertible preferred stock. As used in this prospectus supplement, the terms Valero, we, us and our will each refer to Valero Energy Corporation and its subsidiaries and Orion refers to Orion Refining Corporation. The convertible preferred stock was issued to Orion, a debtor in possession, in connection with Valero's purchase of Orion's refinery located in Louisiana. On October 28, 2003, Orion resold 8,460,000 shares of our convertible preferred stock in an underwritten public offering. After the offering, Orion retained 1,540,000 shares of our convertible preferred stock. On July 1, 2004, the United States bankruptcy court for the District of Delaware entered an order confirming Orion's amended plan of liquidation which provides for the transfer of Orion's remaining shares of our convertible preferred stock to ORC Distribution Trust for distribution to various creditors in satisfaction of Orion's obligations to such creditors. The information in this prospectus supplement replaces and supercedes the information set forth in the fourth paragraph under the caption Selling Securityholder in the prospectus dated October 16, 2003 and in all prior prospectus supplements to that prospectus.

Our common stock currently trades on the New York Stock Exchange under the symbol VLO. The closing price of the common stock on the New York Stock Exchange was \$60.74 per share on February 4, 2005.

Investing in our preferred or common stock involves risks. See Risk Factors beginning on page 5 of the accompanying prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.
