CHAIRMAN'S STATEMENT

Dear Fellow Shareholders:

AMVESCAP's results during the first half of 2003 benefited from both recovering global equity markets and a disciplined focus on prudently lowering operating expenses. Investment performance

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

is improving and the successful integration of our U.S. retail mutual fund distribution capabilities enhances our competitive position. Expense control efforts have resulted in a 22% reduction in our operating expense level from the first half of 2002, and we expect to exceed substantially our previously announced expense reduction target.

2003 Interim Results

AMVESCAP reported that profit before tax, goodwill amortization and exceptional items for the six months ended June 30, 2003 amounted to L110.9 million (\$183.0 million) compared to L192.5 million (\$292.6 million) for the six months of 2002. Diluted earnings per share before goodwill amortization and exceptional items amounted to 9.6p (2002: 16.2p). Revenues totaled L552.6 million (\$911.8 million) in the first half of 2003 compared to L746.7 million (\$1,135.0 million) in 2002.

Profit before tax, goodwill amortization and exceptional items for the three months ended June 30, 2003 amounted to L62.4 million (\$103.0 million) compared to L95.1 million (\$144.6 million) in the 2002 second quarter and L48.5 million (\$76.6 million) in the first quarter of the current year. Diluted earnings per share before goodwill amortization and exceptional items amounted to 5.4p (2002: 8.0p) for the three months ended June 30, 2003, a decrease of 33% over the corresponding period of 2002 and an increase of 29% over the 4.2p reported in the first quarter of 2003. Revenues for the three months ended June 30, 2003 amounted to L281.8 million (\$465.0 million) compared to L368.9 million (\$560.7 million) from the prior year's quarter.

The Company recorded an exceptional charge of L62.1 million in the second quarter of 2003 for further expected costs relating to internal reorganizations and restructuring programs, primarily relating to the changes in the U.S. retail organization and distribution structure. This charge amounts to L39.7 million after tax or 4.9p per share.

Interim Dividend

The Board has declared an interim dividend of 5.0p per share (2002: 5.0p). The interim dividend will be paid on October 3, 2003 to shareholders on the register on August 15, 2003. The ex-dividend date for the dividend will be August 13, 2003.

Business Review

Effective January 1, 2003, the Company realigned several business units under the AIM and INVESCO brands. A I M Distributors, Inc. became the distributor for INVESCO's U.S. retail funds effective July 1, 2003. Also, the funds' Boards of Directors/Trustees have approved the reorganization of 14 INVESCO funds and six AIM funds. The reorganizations are expected to be completed in November 2003, pending shareholder approval. These changes create a unified distribution system that will simplify the U.S. retail business by providing financial consultants and shareholders with additional investment choices through a single distribution source.

The AIM group reported revenues of L309.6 million during the first six months of 2003, a decrease of L131.1 million over the prior year due to volatility in the capital markets, a shift in assets under management from equities to fixed income, and net redemptions in the U.S. business. This business group has reduced operating expenses by L67.1 million and headcount by 558 people over the prior year levels. These reductions have resulted in only a slight decline in operating profit margin, even though operating profits have declined from L185.4 million in 2002 to L121.5 million in the 2003 period.

The AIM group generated approximately \$14.1 billion of gross sales in the first half of 2003 and experienced net redemptions of \$2.7 billion during the period, including \$800 million of net redemptions in the second quarter of the current year. The Canadian retail business gained \$100 million in net sales in the six months ended June 30, 2003. Funds under management amounted to \$172.6 billion at June 30, 2003, including \$55.5 billion relating to institutional money market funds.

The INVESCO U.S. group reported revenues of L83.7 million and operating profits of L19.6 million in the first half of 2003. Operating profits have declined by L4.3 million over the prior year due to a 20% decline in revenue levels caused largely by capital market declines, offset by a 21% drop in expenses resulting from continued emphasis on cost controls. The operating profit margin for this business was 23.4% for the 2003 period, compared to 22.8% for the prior year. This group generated \$9.4 billion in gross sales during the first half of 2003 and net new business of \$100 million. Funds under management amounted to \$109.6 billion at June 30, 2003.

INVESCO U.K.'s revenues amounted to L82.5 million for the first half of 2003, a decrease of L26.4 million from the prior year due to lower funds under management. Operating expenses declined L12.5 million over the prior year due to a 262 headcount reduction coupled with other expense savings. Operating profits totaled L8.1 million for the first half of 2003, compared with L21.9 million from the prior year. This business generated \$9.3 billion in gross sales and \$200 million in net sales during the period. Funds under management were \$34.1 billion at June 30, 2003, an increase of \$100 million from the end of 2002.

INVESCO Europe/Asia's revenues amounted to L35.7 million for the first half of 2003, compared to L43.8 million in the prior year. Operating profits have declined by L2.8 million for the first half of 2003 due primarily to lower revenue levels. Funds under management were \$22.2 billion at June 30, 2003, an increase of \$1.1 billion during the year.

Private Wealth Management and AMVESCAP Retirement's revenues amounted to L41.0 million during the six months ended June 30, 2003. We continue to develop the infrastructure of this group to build a sound platform for growth and market penetration. The Private Wealth Management group acquired Whitehall Asset Management for L13.5 million in February 2003, adding \$1.1 billion in funds under management. AMVESCAP Retirement had \$24.7 billion in assets under administration at June 30, 2003, a 9% increase in the six month period, including \$413 million of net new sales. This group services 617,403 plan participants at June 30, 2003, compared to 624,000 participants at the end of 2002.

Board and Management Changes

Diane Price Baker has been elected a non-executive member of the AMVESCAP PLC Board of Directors. Additionally, the Board has named James I. Robertson, John D. Rogers and Mark H. Williamson as executive vice presidents of AMVESCAP PLC.

Diane Baker adds another experienced, independent member to our Board. James Robertson, John Rogers and Mark Williamson have been given additional titles at the group level in recognition of their responsibility along with our other corporate officers in the shaping and execution of AMVESCAP's overall business strategy.

While there has not been sufficient time to establish a certain turn in the markets, I am encouraged by positive signs in the capital markets and increasing stability in the general economic and political environment. AMVESCAP's more efficient operating platform improves our ability both to weather any future market volatility and to profit from continuing market recovery.

NOTES

Note 1.

The taxation charge is estimated based on the total expected tax charge for the year. A significant proportion of the charge is expected to arise from U.S. operations.

Note 2.

Basic earnings per share is based on the weighted average number of ordinary and exchangeable shares outstanding during the respective periods. Diluted earnings per share takes into account the effect of dilutive potential ordinary and exchangeable shares outstanding during the period.

INDEPENDENT REVIEW REPORT TO AMVESCAP PLC

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

Introduction

We have been instructed by AMVESCAP PLC to review the financial information for the three and six month periods both ending June 30, 2003 which comprises the Group Profit and Loss Accounts, Group Balance Sheet, Group Cash Flow Statement, Segmental Information and the related notes 1 to 4. We have read the other information contained in the interim report and considered whether it contains any apparent misstatements or material inconsistencies with the financial information.

This report is made solely to the company in accordance with guidance contained in Bulletin 1999/4 "Review of interim financial information" issued by the Auditing Practices Board. To the fullest extent permitted by the law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the conclusions we have formed.

Directors' responsibilities

The interim report, including the financial information contained therein, is the responsibility of, and has been approved by, the directors. The directors are responsible for preparing the interim report in

accordance with the Listing Rules of the Financial Services Authority which require that the accounting policies and presentation applied to the interim figures should be consistent with those applied in preparing the preceding annual financial statements except where any changes, and the reasons for them, are disclosed.

Review work performed

We conducted our review in accordance with guidance contained in Bulletin 1999/4 "Review of interim financial information" issued by the Auditing Practices Board for use in the United Kingdom. A review consists principally of making enquiries of group management and applying analytical procedures to the financial information and underlying financial data, and based thereon, assessing whether the accounting policies and presentation have been consistently applied, unless otherwise disclosed. A review excludes audit procedures such as tests of controls and verification of assets, liabilities and transactions. It is substantially less in scope than an audit performed in accordance with United Kingdom Auditing Standards and therefore provides a lower level of assurance than an audit. Accordingly we do not express an audit opinion on the financial information.

Review conclusion

On the basis of our review we are not aware of any material modifications that should be made to the financial information as presented for the three and six month periods both ending June 30, 2003.
