Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On August 30, 2006, the Company closed on a \$175 million amended and restated senior secured credit facility (the Amended Credit Facility) by and among the Company, the Lenders described therein, Guaranty Bank, as Syndication Agent, Natexis Banques Populaires, as Documentation Agent, and Union Bank of California, N.A., as Administrative Agent. The Amended Credit Facility includes an initial borrowing base of \$75 million, which will be reviewed and re-determined on a semi-annual basis. There is currently \$6 million of borrowings outstanding under the Amended Credit Facility. The maturity date of the credit facility prior to amendment was July 31, 2007. It has been extended to July 31, 2010 and the amendment includes more favorable borrowing rates.

The Company may borrow, repay and reborrow amounts up to the borrowing base from time to time. Voluntary prepayments by the Company are permitted under the Amended Credit Facility upon proper notice. Borrowings under the Amended Credit Facility bear interest at (i) at the greater of the prime rate or an adjusted federal funds rate, plus an applicable margin ranging from 0% to 0.50% based on the borrowing base utilization, or, at the Company's option, (ii) a LIBOR rate plus an applicable margin ranging from 1.375% to 2.00% based on the borrowing base utilization.

The Amended Credit Facility contains covenants that will limit to an extent the ability of the Company to, among other things, incur or guarantee levels of additional indebtedness; create certain liens; pay dividends on or repurchase stock of the Company or its subsidiaries; or sell assets or merge with another entity. There are also customary financial covenants under the Amended Credit Facility, including a maximum leverage ratio and a minimum current ratio. The Amended Credit Facility includes events of default, which are also customary for facilities of this type including provisions under which, upon the occurrence of an event of default, all outstanding loans under the Agreement may be accelerated.

The foregoing description of the Amended Credit Facility is qualified in its entirety by reference to the Amended Credit Facility, a copy of which is filed as Exhibit 10.11 to this Current Report on Form 8-K and is incorporated herein by reference.
