REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Benefits Committee of the
Trump Capital Accumulation Plan:

We have audited the accompanying statements of net assets available for benefits of the Trump Capital Accumulation Plan (the "Plan") as of December 31, 2000 and 1999, and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements and the schedule referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2000 and 1999, and the changes in its net assets available for benefits for the year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TRUMP CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999

1. SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Trump Capital Accumulation Plan (the "Plan") have been prepared on the accrual basis of accounting.

Plan Expenses

Expenses related to the administration of the Plan have been paid by Trump Taj Mahal Associates (the "Plan Sponsor") and Trump Castle Associates (collectively the "Companies"). The Companies pay all administrative expenses of the Plan, except for the administrative costs of mutual funds and loan processing fees. The Companies costs represent trustee fees and professional services and amounted to approximately \$75,000 in 2000.

Investments

The investments included in the statements of net assets available for benefits are stated at market value. Market value is the unit valuation of the security at the plan year-end as determined by Merrill Lynch Trust Company ("Merrill

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 11-K

Lynch"), the trustee of the Plan (the "Trustee"). Accounting records are maintained on the accrual basis, investment transactions are recorded on the trade date basis and gains and losses are calculated based upon an aggregate participant cost that is maintained on an average unit cost basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amount of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

2. PLAN DESCRIPTION

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

TRUMP CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2000 AND 1999

General

The Plan is a 401(k) Savings Plan, which was established by the Plan Sponsor and became effective on January 1, 1989. All full or part-time non-union employees become eligible for participation in the Plan on the enrollment date immediately following the completion of 12 months of service and the attainment of age 18. In addition, union employees covered by a collective bargaining agreement that provides for participation in the Plan may enroll upon meeting the same requirements as non-union employees.

The Plan is administered by a committee appointed by the Plan Sponsor (the "Plan Administrator"). Merrill Lynch Trust Company was appointed as the trustee of the Plan by the Plan Administrator.

Contributions

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 11-K

Participants

Non-highly compensated participants, as defined, are eligible to voluntarily contribute to the Plan up to 20% of their annual compensation, as defined. Highly compensated participants, as defined, are eligible to voluntarily contribute to the Plan up to 7% of their annual compensation, as defined. Tax deferred contributions are subject to a limit by the Internal Revenue Code. The 2000 limit was \$10,500 per participant. Contributions to the Plan are invested by the Trustee, as designated by the participant, in increments of 5%.

Plan Sponsor

The Plan Sponsor contributes to the Plan 50% of each participant's contributions, not to exceed 3% of the participant's annual compensation, as defined. Plan Sponsor contributions are allocated between funds as determined by the employee.

Participant Rollovers

The Plan permits eligible participants, as defined, to rollover cash or other property acceptable to the Plan Administrator from another qualified plan in addition to qualified voluntary participant contributions.

Distributions to Participants

Each participant has a fully vested interest in the amount of his or her contributions together with the allocable Plan earnings. Contributions from the Plan Sponsor vest based on the vesting schedule described below. The full value of the participant's vested interest in his or her account in the Plan will be distributed upon termination of the participant's employment. The normal form of payment is by lump sum; however, if a participant's vested benefit from all contributions exceeds \$5,000, a participant has the right to receive payment in equal periodic monthly, quarterly, semi-annual or annual installments over a period not to exceed ten years.

A participant may also withdraw all or part of his or her account upon attainment of age 59-1/2 or financial hardship, as defined in the Plan.

Upon termination of employment prior to eligibility for retirement, a participant is eligible to receive the vested balance in his or her account. There were no payments due to participants who have requested to withdraw their funds prior to December 31, 2000 or 1999.

TRUMP CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999

Vesting

Voluntary contributions are fully vested at all times and are not subject to forfeiture.

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 11-K

The Plan Sponsor's contributions vest based upon the participant's years of continuous service as follows-

Years of Continuous Service	Percentage Vested
Less than two years	0%
Two years	25%
Three years	50%
Four years	75%
Five years or more	100%

Forfeitures

The portion of a former participant's account which is not distributed because of the vesting provision will reduce the amount of the Plan Sponsor's future contributions. During 2000, \$124,737 was used to reduce Plan Sponsor contributions. As of December 31, 2000 and 1999, \$928 and \$107 were available to reduce future Plan Sponsor contributions, respectively.

Loans

The Plan permits participants to borrow from their accounts at terms established by the Plan Administrator. Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance for specific reasons, as defined by the Plan. Each loan is secured by the borrower's vested interest in the Plan and is subject to other requirements, as defined. Interest on loans is charged at a rate that is comparable to similar loans made by commercial lenders. Loans outstanding as of December 31, 2000 had interest rates ranging from 8.75% to 12.00%. Loan repayment terms range up to five years (fifteen years if the loan was used to purchase a primary residence). A small administrative fee is required to process all loans.

3. INVESTMENTS

The fair value of individual investments that represent 5% or more of the Plan's net assets are as follows-

	December 31,	
	2000	1999
Merrill Lynch Pacific Fund	\$ 6,870,649	\$11,281,054

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 11-K

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2000 AND 1999

5. PLAN TERMINATION

Effective August 31, 1999 the Plan was formed by the merger of the Trump Marina Hotel & Casino Savings Plan into the Trump Taj Mahal Hotel & Casino Savings Plan ("Taj Plan"). The Taj Plan was renamed the Trump Capital Accumulation Plan.

While the Plan Sponsor has not expressed any intent to terminate the Plan, the Plan Sponsor may do so at any time subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of termination, each participant is entitled to the value in his or her separate account.

6. RELATED PARTY
TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Merrill Lynch. Merrill Lynch is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.
