PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, JUNE 8, 2006

The Board of Directors of CoStar Group, Inc. (CoStar , we or the Company) solicits your proxy for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at 11:00 a.m. on Thursday, June 8, 2006, at 2 Bethesda Metro Center, Bethesda, Maryland 20814, and at any adjournment or postponement of the Annual Meeting.

Our headquarters are located at 2 Bethesda Metro Center, Tenth Floor, Bethesda, Maryland 20814. We are mailing this Proxy Statement and the accompanying proxy card to our stockholders eligible to vote at the Annual Meeting on or about May 2, 2006.

OUTSTANDING SECURITIES, VOTING RIGHTS AND QUORUM

At the close of business on the record date, Monday, April 17, 2006, there were 18,758,928 shares of common stock outstanding and entitled to vote at the Annual Meeting. Each outstanding share of common stock is entitled to one vote on each proposal, except as specifically provided below with respect to the election of directors.

The presence at the Annual Meeting, in person or by proxy, of a majority of the outstanding shares as of the record date constitutes a quorum (the minimum number of shares required to take action) for the meeting. Both abstentions and broker non-votes will be counted as shares present for purposes of obtaining a quorum.

The required vote and the calculation method for each of the matters scheduled for consideration at the Annual Meeting are as follows:

Item 1 Election of Directors. Each outstanding share of common stock is entitled to cast one vote for up to seven nominees. The seven nominees who receive the most votes will be elected as directors.

Item 2 Approval of the CoStar Group, Inc. Employee Stock Purchase Plan. For stockholders to approve this proposal, the number of votes cast in favor of the CoStar Group, Inc. Employee Stock Purchase Plan (the ESPP) must exceed the number of votes cast against this proposal.

Item 3 Ratification of the Appointment of Independent Auditors. For stockholders to approve this proposal, the number of votes cast in favor must exceed the number of votes cast against this proposal.

Abstentions and broker non-votes (shares held by brokers that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients) will have no effect on the election of directors. For the proposals to adopt the ESPP and ratify the independent auditors, abstentions and broker non-votes are disregarded in calculating the total number of votes on the proposals. Banks and brokers that have not received voting instructions from their clients cannot vote on their clients' behalf on the proposal to approve the ESPP, but may vote their clients

shares on the proposal to ratify Ernst & Young LLP as our independent auditors.

PROXY VOTING AND REVOCATION

You may vote by signing your proxy card, or if your shares are held in street name, by signing the voting instruction card included by your broker or nominee, and mailing it in the enclosed, postage prepaid and addressed envelope. If you properly complete and execute your proxy card and return it before the Annual Meeting:

Your shares will be voted in accordance with your instructions.

For any items for which you do not provide instructions, your shares will be voted **FOR** the item, as recommended by the Board of Directors.

You may revoke your proxy at any time before it is voted by:

delivering to the Corporate Secretary written notice that you are revoking your proxy;

submitting a properly-executed proxy bearing a later date; or

attending the Annual Meeting and voting in person. (If you are not the owner of record, but rather hold your shares through a broker or bank, you should take appropriate steps to obtain a legal proxy from the owner of record if you wish to attend and vote at the Annual Meeting.)

Simply attending the Annual Meeting will not revoke your proxy. If you instructed a broker to vote your shares, you must follow your broker's directions for changing those instructions.

ATTENDING THE MEETING

Only stockholders as of the record date, their proxy holders, and our invited guests may attend the meeting. If you intend to attend the Annual Meeting, please mark your proxy card accordingly. Beneficial owners whose ownership is registered under another party's name and who plan to attend the meeting in person should obtain an admission ticket in advance by sending written requests, along with proof of beneficial ownership, such as a bank or brokerage firm account statement, to: Audra Capas, Vice President of Communications, CoStar Group, Inc., 2 Bethesda Metro Center, Tenth Floor, Bethesda, Maryland 20814. Beneficial owners who do not present valid admission tickets at the registration counter at the Annual Meeting will be admitted at CoStar's sole discretion and may be required to verify share ownership, which may be established by providing a bank or brokerage firm account statement and photo identification, at the registration counter at the Meeting. Stockholders as of the record date or their proxy holders who plan to attend the Annual Meeting may also be asked to present photo identification at the registration counter at the Annual Meeting to gain admittance to the Meeting.

ITEM 1
ELECTION OF DIRECTORS

The Board has fixed the number of directors constituting the Board at seven. The Board has nominated each of the current directors for re-election. The persons named as proxy holders on the proxy card will vote your shares for each of the seven nominees unless you instruct otherwise on your proxy card.

Each of our directors will serve until the next Annual Meeting of Stockholders or until his or her successor is elected and qualified. If any of the nominees should become unable to serve prior to the Annual Meeting, proxies that do not withhold authority to vote for directors may be voted for any other nominee or nominees selected by the Board unless the Board votes to reduce the size of the Board to match the actual number of nominees. In no event may proxies be voted for a greater number of persons than the number of nominees named. Information about each of the nominees appears below.

ITEM 2

APPROVAL OF COSTAR GROUP, INC. EMPLOYEE STOCK PURCHASE PLAN

In April 2005, the Compensation Committee of the Board of Directors approved and recommended to the Board and the Board of Directors adopted, subject to stockholder approval, the CoStar Group, Inc. Employee Stock Purchase Plan (the ESPP). Stock purchase plans offer eligible employees the opportunity to acquire stock through periodic payroll deductions that are applied toward the purchase of stock, at a discount from the current market price. The ESPP is intended to provide employees of the Company with additional incentives by permitting them to acquire a proprietary interest in the Company through the purchase of shares of the Company's common stock. We believe that the ESPP is in the best interest of stockholders, as it enhances broad-based employee stock ownership; enables the Company to attract, motivate and retain the best employees with a market-competitive benefit; and does so at a reasonable cost to stockholders.

The following is a summary description of the ESPP and is qualified in its entirety by reference to the full text of the ESPP, which is set forth as Appendix A to this proxy statement.

Administration

The ESPP will be administered by the Company's board of directors or by a committee appointed by the board. The administrator may delegate day-to-day administration of the ESPP to one or more individuals. The administrator will have full power to interpret the ESPP and to make determinations relevant to entitlements under the ESPP. The decisions of the administrator will be final and binding on all persons.

Eligibility

All employees (including officers and employee directors) of the Company or a subsidiary designated by the Board of Directors or a committee thereof, who work more than twenty hours per week and more than five months in any calendar year (excluding specified periods of sick leave or other approved leaves of absence), and who commenced employment with the Company on or before the first day of the applicable Offering Period (as defined below), will be eligible to participate in the ESPP. However, an employee will not be eligible to participate if, before commencing participation or as a result of participating, that employee holds or would hold five percent (5%) or more of the total combined voting power or value of the stock of the Company or any subsidiary. Further, no employee's right to purchase common stock under the ESPP may accrue at a rate which exceeds \$25,000 per year of the fair market value of the stock. Approximately 930 employees currently would be eligible to participate in the ESPP.

Offerings Under the ESPP

Eligible employees of the Company may elect to participate in the ESPP by providing a payroll deduction authorization form to the Company and instructing the Company to withhold a specified percentage of the employee's salary no later than 5:00 p.m., Eastern time, on the third business day prior to the commencement of the Offering Period. Offering Periods run from the first day of each pay period to the last day of each pay period. Unless an eligible employee files a new form or withdraws from the ESPP, the employee's deductions and purchases will continue at the same rate for future offerings under the ESPP. An eligible employee may authorize a salary deduction of any whole percentage up to a maximum of fifteen percent (15%) of the employee's compensation (as defined in the ESPP). Eligible employees can increase, decrease or discontinue their deductions and corresponding participation in the ESPP by filing new authorization forms no later than 5:00 p.m., Eastern time, on the third business day prior to the commencement of the applicable Offering Period.

Purchase Price and Shares Purchased

On the last business day of an Offering Period, the withheld salary will be used to purchase common stock at a 10% discount from the closing price of the common stock on the last business day of the Offering Period. For this purpose, the closing price shall be the closing price of the common stock on the Nasdaq National Market or, in the absence of reported sales on the relevant date, the closing sales price on the immediately preceding date on which sales were reported. If, on the last day of an Offering Period, the number of shares of common stock to be purchased by all participants exceeds the number of shares available for purchase during the Offering Period, the Company will make a pro rata allocation of the shares remaining available for purchase.

Withdrawal/ Termination of Participation

Shares will be purchased automatically on the last day of the Offering Period for a participating employee who remains an eligible participant. Participation ends automatically upon an eligible employee's termination of employment with the Company for any reason, including retirement or death. During an Offering Period, an employee may withdraw from participation in the ESPP at any time prior to 5:00 p.m., Eastern time, on the third business day prior to the end of an Offering Period. Upon a participant's termination of employment or

withdrawal from the ESPP, all accumulated payroll deductions for the participant made prior to termination are returned, without interest, and no shares are purchased for that employee's account. Partial withdrawals are not permitted, and an employee may not recommence participation during the remainder of an Offering Period from which the employee withdrew. Eligible employees who withdraw from an offering may participate in subsequent offerings.

Shares Subject to the ESPP

The maximum number of shares of common stock which may be purchased by participants under the ESPP is 100,000, subject to adjustments for stock splits, stock dividends and similar transactions. The shares sold under the ESPP may be authorized but unissued shares of common stock, issued shares held in or acquired for the Company's treasury, shares reacquired by the Company upon purchase in the open market, or from any other proper source. If the maximum number of shares issuable or available under the Plan is insufficient for the elections made with respect to any particular offering, the administrator will allot the shares then available on a pro rata basis.

Non-Transferability

Rights granted under the ESPP may not be transferred by a participant and may be exercised during a participant's lifetime only by the participant.

Amendment and Termination of the ESPP

The ESPP may be amended or terminated by the Board of Directors in any respect, except that no amendment shall be effective without stockholder approval if such approval is required under Section 423 of the Internal Revenue Code of 1986, as amended (the Code).

Federal Income Tax Consequences

The following general summary describes the typical U.S. federal income tax consequences of the ESPP based upon provisions of the Code as in effect on the date hereof, current regulations promulgated and proposed thereunder, and existing public and private administrative rulings of the Internal Revenue Services, all of which are subject to change (possibly with retroactive effect). This summary is not intended to be a complete analysis and discussion of the federal income tax treatment of the ESPP, and does not discuss gift or estate taxes or the income tax laws of any municipality, state or foreign country.

Upon stockholder approval of the ESPP, the ESPP is intended to qualify as an employee stock purchase plan under Section 423 of the Code. An employee will not recognize income upon electing to participate in the ESPP or upon purchasing shares under the ESPP. If the employee does not dispose of shares for at least two years from the beginning of the Offering Period in which the shares were purchased, or in the event of his or her death (whenever occurring), the employee, or his estate, will realize ordinary income upon the disposition (including by sale, gift or death) in an amount equal to the lesser of: (i) the excess of the fair market value of the shares at the time of disposition over their purchase price, or (ii) 10% of the market value of the shares on the date of grant. Any additional gain will be taxed as long-term capital gain. If the fair market value of the shares at the time of their disposition is below the purchase price, the employee will not recognize any ordinary income, and any loss will be a long-term capital loss. The Company will not have a deductible expense as a result of the purchase of stock under the ESPP, unless there is a disqualifying disposition, as described in the next paragraph.

If a participant disposes of the shares earlier than two years after the beginning of the applicable Offering Period, upon such disqualifying disposition the difference between the purchase price and the market value of the shares on the date of purchase (i.e., the last day of the Offering Period) will be taxed to the participant as ordinary income and will be deductible by the Company. The excess, if any, of the sale proceeds over the market value of the shares on the date of purchase will be taxed as long-term or short-term capital gain, depending on the holding period. The Company is not entitled to a deduction for amounts taxed as capital gains to a participant. To the extent required under the Code and Internal Revenue Service guidance, the

Company will withhold income and employment taxes with respect to purchases and dispositions of shares under the ESPP.

New Plan Benefits

Because benefits under the ESPP will depend on employees' elections to participate and the closing price of the Company's common stock at various future dates, it is not possible to determine the benefits that will be received by executive officers and other employees if the ESPP is approved by the stockholders. Non-employee directors are not eligible to participate in the ESPP.

Vote Required

The affirmative vote of a majority of the shares voted in person or by proxy at the Annual Meeting is required to approve the CoStar Group, Inc. Employee Stock Purchase Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE COSTAR GROUP, INC. EMPLOYEE STOCK PURCHASE PLAN.

ITEM 3

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended, and the Board has approved, the appointment of Ernst & Young LLP as independent auditors for the Company for 2006. As a matter of good corporate governance, the Board would like stockholders to ratify this appointment, even though ratification is not legally necessary. If stockholders do not ratify this appointment, the Board may, but is not required to, reconsider such appointment.

Ernst & Young LLP has served as the independent auditors for the Company, its subsidiaries, and its predecessors since 1994. A representative from Ernst & Young LLP will attend the Annual Meeting, may make a statement and will be available to respond to appropriate questions.

During the years ended December 31, 2004 and 2005, Ernst & Young LLP billed CoStar the fees set forth below, including expenses, in connection with services rendered by that firm to CoStar:

	Year Ended December 31, 2004	Year Ended December 31, 2005
Audit Fees	\$ 666,000	\$ 638,241
Audit Related Fees	\$ 2,500	\$ 0
Tax Fees	\$ 26,000	\$ 40,000
All Other Fees	\$ 2,500	\$ 2,500
Total	\$ 697,000	\$ 680,741

Ernst & Young LLP did not provide any financial information systems design and implementation services to the Company for the fiscal years ended December 31, 2004 and 2005.

Audit Fees include fees for services performed for the audit of CoStar's annual financial statements, review of financial statements included in CoStar's periodic filings with the Securities and Exchange Commission (the "SEC"), audit of CoStar's internal control over financial reporting and statutory audits required internationally. This category also includes fees for statutory audits, consents and assistance with and review of documents filed with the SEC.

Audit-Related Fees include fees associated with assurance and related services that are reasonably related to the performance of the audit or review of CoStar's financial statements. This category includes fees related to assistance in financial due diligence related to mergers and acquisitions. There were no audit-related fees for 2005. The reported audit-related fees for 2004 represent professional services performed by Ernst & Young LLP in connection with the Company's acquisition of Peer Market Research, Inc.

Tax Fees primarily include fees associated with tax return preparation, tax compliance, tax advice and tax planning. This category also includes fees associated with the tax planning on mergers and acquisitions and restructurings.

All Other Fees include fees for products and services provided by the independent auditor other than the services reported in the categories listed above. The reported all other fees paid to Ernst & Young LLP in 2004 and 2005 represent fees paid for a subscription to Ernst & Young's online auditing and accounting news service.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is that all audit and non-audit services provided by CoStar's independent auditor, Ernst & Young LLP, shall either be approved before the independent auditor is engaged for the particular services or shall be rendered pursuant to pre-approval procedures established by the Audit Committee. These services may include audit services and permissible audit-related services, tax services and other services. Pre-approval spending limits for audit services are established on an annual basis, detailed as to a particular service or category of services to be performed and implemented by CoStar's financial officers. Pre-approval spending limits for permissible non-audit services are established on a periodic basis, detailed as to a particular service or category of services to be performed and implemented by CoStar's financial officers. Any audit or non-audit service fees that may be incurred by CoStar during a period that fall outside the limits pre-approved by the Audit Committee for a particular service or category of services must be reviewed and approved by the Chairperson of the Audit Committee prior to the performance of services. CoStar's Chief Financial Officer reports to the Audit Committee on a quarterly basis on all services rendered by the independent auditor for which pre-approval has been granted and all fees paid to the independent auditor for such services during the current fiscal year and the previous quarter. The Audit Committee may revise its pre-approval spending limits and policies at any time.

All fees paid to the independent auditors in 2005 were pre-approved by the Audit Committee, and therefore no services were approved after the services were rendered pursuant to the *de minimus* exception established by the SEC for the provision of non-audit services.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFYING THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR THE COMPANY FOR 2006.

OTHER MATTERS

We do not know of any other matter that will be presented for consideration at the Annual Meeting. If any other matter does properly come before the Annual Meeting, the proxy holders will, unless otherwise specified in the proxy, vote on it as they think best in their discretion.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTORS FOR THE 2007 ANNUAL MEETING

A stockholder who intends to introduce a proposal for consideration at our 2007 Annual Meeting of Stockholders may seek to have that proposal and a statement in support of the proposal included in our proxy statement if the proposal relates to a subject that is permitted under Rule 14a-8 under the Securities Exchange Act of 1934 (Exchange Act). Additionally, in order to be eligible for inclusion in our proxy statement, the stockholder must submit the proposal and supporting statement to our Corporate Secretary in writing not later than January 1, 2007 and must satisfy the other requirements of Rule 14a-8. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

A stockholder may otherwise propose business for consideration or nominate persons for election to the Board, in compliance with federal proxy rules, applicable state law and other legal requirements and without seeking to have the proposal included in our proxy statement pursuant to Rule 14a-8. Our bylaws provide that any such proposals or nominations must be submitted to us no less than 60 nor more than 90 days before the first anniversary date of the preceding year's annual meeting. Accordingly, stockholders who wish to nominate persons for election as directors or bring other proposals outside of Rule 14a-8 at the 2007 Annual Meeting must give notice of their intention to do so in writing to our Corporate Secretary on or before April 9, 2007, but no sooner than March 12, 2007, to be considered timely within the meaning of Rule 14a-4. The stockholder's submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of common stock. Proposals or nominations not meeting these requirements will not be entertained at the 2007 Annual Meeting.

Corporate Governance Matters

Identifying and Evaluating Nominees

The Nominating & Corporate Governance Committee identifies nominees for director on its own as well as by considering recommendations from other members of the Board of Directors, officers and employees of CoStar, and other sources that the Committee deems appropriate. The Nominating & Corporate Governance Committee will also consider Board nominees suggested by stockholders subject to such recommendations being made in accordance with CoStar's Bylaws and applicable laws. Specifically, any stockholder recommendation for a nominee for director to be voted upon at the 2007 Annual Meeting of Stockholders should be submitted in writing to our Corporate Secretary no less than 60 nor more than 90 days before the first anniversary date of the preceding year's annual meeting. Accordingly, stockholders who wish to nominate persons for election as directors at the 2007 Annual Meeting must give notice of their intention to do so in writing to our Corporate Secretary on or before April 9, 2007, but no sooner than March 12, 2007. The stockholder's submission must include as to each person whom the stockholder proposes to nominate for election, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, (i) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner, and (ii) the class and number of shares of stock of the Company which are beneficially owned and of record by such stockholder and such beneficial owner. These requirements are separate from and in addition to the requirements that stockholders must meet to include proposals in the proxy materials for the 2007 Annual Meeting, discussed earlier in this Proxy Statement.

When evaluating nominees for director, the Nominating & Corporate Governance Committee considers, among other things, an individual's business experience and skills, independence, judgment, integrity and ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with the Company's interests. When considering a director standing for re-election as a nominee, in addition to the attributes described above, the Nominating & Corporate Governance Committee also considers that individual's past contribution and future commitment to CoStar. The Nominating &

Corporate Governance Committee evaluates the totality of the merits of each prospective nominee that it considers and does not restrict itself by establishing minimum qualifications or attributes. There is no difference in the manner by which the Nominating & Corporate Governance Committee evaluates prospective nominees for director based on the source from which the individual was first identified.

Stockholder Communications with the Board of Directors

Stockholders may communicate with our Board of Directors by sending written correspondence to CoStar Group, Inc., Attention: Corporate Secretary, 2 Bethesda Metro Center, Bethesda MD 20814. Such communications will be opened by the Corporate Secretary. A copy of the contents will be made and retained by the Corporate Secretary and the contents will be promptly forwarded to the Chairman of the Nominating & Corporate Governance Committee. The Corporate Secretary together with the Chairman of the Nominating & Corporate Governance Committee and his duly authorized agents are responsible for collecting and organizing stockholder communications. Absent a conflict of interest, the Chairman of the Nominating & Corporate Governance Committee is responsible for evaluating the materiality of each stockholder communication and determining which stockholder communications are to be presented to the full Board of Directors or other appropriate body.

Current Independent Directors and Executive Sessions

CoStar's Board of Directors has determined that Messrs. Klein, Bonderman, Haber, Low and Nassetta and Ms. Reynolds are each independent as defined under Rule 4200(a)(15) of the NASD's Listing Standards for NASDAQ-listed companies and the regulations promulgated by the SEC. The independent directors of the Board of Directors meet in regularly-scheduled executive sessions.

Policy Regarding Attendance at Annual Meetings

CoStar encourages, but does not require, directors to attend the Annual Meetings of Stockholders. In 2005, Messrs. Klein and Florance attended the Annual Meeting of Stockholders.

Codes of Conduct

CoStar has adopted a Code of Conduct for its directors. In addition, CoStar has adopted a separate Code of Conduct for its officers and employees, including its principal executive officer and principal financial officer. Copies of each of these codes may be found on the Company's website, www.costar.com. You will find the codes by clicking on Corporate Info, then Investors and then Corporate Governance.

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements for 2005. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC.

Florance, Carchedi, Schaffel and Tully contain covenants not to compete with us for the two years immediately following termination.

The employment agreements for Messrs. Florance, Carchedi, Schaffel and Tully generally provide that, if we terminate the executive's employment without cause (which includes termination of employment following changes of control of the Company under certain circumstances), the executive is entitled to certain severance benefits as follows. If we terminate Mr. Florance without cause or if he terminates his agreement for good cause, he is entitled to receive his base salary for the greater of one year or whatever period remains under the agreement, his bonus for the year in which the termination occurred, the immediate vesting of all of his stock options and a gross-up payment to cover any taxes assessed under Section 4999 of the Internal Revenue Code. If we terminate Messrs. Carchedi or Schaffel without cause, each is entitled to receive his base salary for the greater of six months or whatever period remains under the agreement, to a prorated share of his bonus for the year in which termination occurred and to the immediate vesting of all of his stock options due to vest within the following twelve months. If we terminate Mr. Tully without cause, he is entitled to receive his base salary for the greater of nine months or whatever period remains under the agreement. Mr. Farrington is not entitled to any severance benefits if he is terminated without cause.

Upon his resignation, we entered into a separation and release agreement with Mr. Schaffel. Pursuant to that agreement and in accordance with his employment agreement, in consideration of Mr. Schaffel's covenants and agreements thereunder (including, without limitation, confidentiality and a release of any claims against CoStar and its affiliates), the Company agreed to pay Mr. Schaffel his base salary for six months following termination of employment in accordance with the Company's normal payroll practices, a prorated share of his bonus for 2005 and reimbursement of reasonable and necessary business related expenses incurred as an employee. Further, pursuant to Mr. Schaffel's employment agreement, the Company agreed to immediate vesting of all of Mr. Schaffel's stock options due to vest within twelve months of July 4, 2005, the effective date of termination of his employment.

The following table gives specific economic terms of our arrangements with our executive officers as of December 31, 2005.

Compensation Committee Report On Executive Compensation*Compensation Philosophy and Review*

The compensation philosophy of the Company is to provide a competitive total compensation package so that the Company can attract, retain, and motivate talented employees and executives. The Company also strives to maximize stockholder value by linking compensation to individual and team achievement of agreed upon goals relating to overall corporate performance. The Company's Compensation Committee therefore believes that compensation for the Company's executives should encourage and reward superior performance.

The Committee has commissioned third-party consultants to perform compensation studies comparing the compensation packages offered to executives of the Company with similarly situated executives within peer groups of companies. The Committee uses the results of such studies, together with corporate and individual performance, to evaluate the compensation parameters of the Company's executives.

Elements of Executive Compensation

The Company's executive compensation consists primarily of base salary, annual cash bonuses, commission payments, the award of stock options or restricted stock, a Company 401(k) match, health insurance and similar benefits. The Company has an employment arrangement with each of its executives that entitles the executive to a specified base salary, a bonus award up to a specified percentage of base compensation based upon achievement of individual and team goals, and a competitive award of stock options or restricted stock

vesting over time. The compensation package of each executive is reviewed by the Committee on an annual basis.

Base Salaries

Base salary levels of the Company's executives are reviewed annually, and may be adjusted to reflect an executive's individual responsibilities and performance, as well as the overall performance of the Company. The Compensation Committee also considers salaries paid to executives of the peer groups identified in the studies in determining base salary levels. The Compensation Committee believes that base salaries should be generally competitive with companies in the peer group.

Annual Cash Bonus Program

The Compensation Committee administers an annual cash bonus plan for its executives, under which these executives may receive a cash bonus based on individual and corporate performance. The bonuses generally have a potentially attainable range from 0% to 100% of base salary, based on the executive's employment agreement with the Company. In setting these ranges, the Compensation Committee considered the potential annual cash bonuses offered by members of the peer groups and the specific area of responsibility of the executive and set competitive annual cash bonus levels for superior performance. Each executive officer is entitled to receive a percentage of his bonus potential based on the Company's achievement of corporate/financial goals and such officer's achievement of individual/team performance goals. The criteria that the Committee uses to determine bonuses include, without limitation, the level of achievement of goals based on the following criteria: Company revenues, Company earnings, research, data quality, new and enhanced products, software development, management, customer service, accounts receivable, human resources, investor relations, financial reporting and sales. The criteria differ for each of the executive officers. The executives may receive all, or a portion of, the bonus based on attaining the objectives delineated at the start of a given year.

Long-Term Incentive Plan

The Company has in place a stock incentive plan, which allows the Company to grant stock options and restricted stock to its executive officers and other employees. Prior to 2005, the Company had generally granted stock options to its executive officers and other employees. However, beginning in 2005, the Compensation Committee determined that it was in the Company's best interest to grant restricted stock to its executive officers. The Compensation Committee believes that granting stock awards (whether stock options or restricted stock) to executives is important to the Company's success because these awards help to attract, retain and motivate executives. The Committee believes that stock awards, when used with appropriate holding periods, help encourage executive retention because they vest over a period of years. In addition, the executive benefits when the CoStar stock price rises for all of CoStar's stockholders.

Each executive is eligible to receive stock awards under the CoStar Group, Inc. 1998 Stock Incentive Plan. The Compensation Committee generally awards stock awards to each executive when he or she joins the Company. Thereafter, the Compensation Committee, in its discretion, based on the recommendation of the Chief Executive Officer may award additional stock awards to executives at the time of their annual review. There is no established formula or criteria for grants under the Plan, and stock awards may be granted on a subjective basis at intervals determined by the Compensation Committee. Options are typically granted with an exercise price equal to the fair market value of the Company's common stock on the date of grant and typically vest over a period of four years. Restricted stock is typically granted for a stock price equal to the par value of the Company's common stock (\$0.01 per share) and typically vests over a period of four years. The Compensation Committee considers long-term incentives offered by the peer group in determining the amount of stock awards.

Chief Executive Officer Compensation

In establishing the salary and bonus for Mr. Florance, our Chief Executive Officer and President, the Committee relied on its strong belief that Mr. Florance significantly and directly influences the Company's overall performance. Accordingly, the Committee sought to achieve the following objectives: (i) establish a base salary competitive with that paid to other chief executive officers of peer companies; (ii) reward Mr. Florance for superior performance in connection with his contribution to the Company; and (iii) reward Mr. Florance for the Company's outstanding corporate and financial performance for the fiscal year. Accordingly, pursuant to Mr. Florance's employment agreement, the range for Mr. Florance's annual bonus is between 0% and 100% of his base compensation. In 2005, the Committee determined that 75% of Mr. Florance's bonus would be based on the Company meeting certain financial goals (including revenue and earnings goals) and that 25% of his bonus would be based on Mr. Florance achieving certain individual qualitative performance goals.

Based on these factors, in 2005 Mr. Florance was paid an annual salary of \$382,418. In addition, based on the level of achievement of each of Mr. Florance's goals, in 2006 Mr. Florance was paid a bonus of \$272,473 (71% of his annual base salary) for his performance in 2005. Further, based on the belief that Mr. Florance should be focused on the long-term growth of the Company, in March 2005, the Committee granted Mr. Florance 15,920 shares of restricted common stock. These shares vest over a period of four years and have a purchase price equal to the par value of the Company's common stock.

In addition, at a Compensation Committee meeting in 2006, the Committee determined that Mr. Florance's base salary should be increased 6%, such that beginning in April 2006, Mr. Florance would receive a base salary of \$405,363. The Committee also determined that for 2006, Mr. Florance's bonus range would be between 0% and 100% of Mr. Florance's base salary, and that 75% of his bonus would be based on the Company meeting certain corporate/financial goals (including revenue and earnings goals) and 25% would be based on Mr. Florance achieving certain individual qualitative performance goals. Finally, in April 2006, the Committee granted Mr. Florance 12,625 shares of restricted stock of the Company, which vest annually over a period of four years, with a purchase price equal to the par value of the Company's common stock.

Employment Agreements

Our employment agreements with Messrs. Florance, Carchedi and Schaffel became effective as of January 1, 1998 and the employment agreement with Mr. Tully became effective as of December 1, 2004. The employment agreement for Mr. Carchedi is, and the employment agreement for Mr. Schaffel was, for an initial term of two years, the employment agreement for Mr. Florance is for an initial term of three years, and the employment agreement for Mr. Tully is for an initial term of one year, and all are (or were, as the case may be) automatically renewable for successive one-year terms unless the executive or we terminate the agreement. Mr. Farrington has at-will employment terms.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code disallows the deduction of compensation paid by a company to its Chief Executive Officer and any of its four most highly compensated executive officers that is in excess of \$1 million. Compensation that is considered performance-based is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the stockholders. The Compensation Committee will continue to monitor total compensation and, should the 162(m) limitation become an issue, take the measures that they deem appropriate.

Stock Price Performance Graph

The stock performance graph below shows how an initial investment of \$100 in our common stock would have compared to:

An equal investment in the Standard & Poor's Stock 500 Index (S&P 500).

An equal investment in the S&P 500 Application Software Index.

The comparison covers the period beginning December 31, 2000, and ending on December 31, 2005, and assumes the reinvestment of any dividends. You should note that this performance is historical and is not necessarily indicative of future price performance.

Certain Relationships and Related Transactions

The Company paid approximately \$12,000 in legal fees to the law firm WilmerHale (formerly, Wilmer Cutler Pickering Hale and Dorr) in 2005. Michael Klein was a partner of WilmerHale from 1974 through 2005. Other than as described above, since January 1, 2005 none of our executive officers or directors has engaged in or had a direct or indirect interest in any transactions with us that are required to be disclosed in this proxy statement.

Although they are not related party transactions, we note that (1) in 2003, Michael Klein committed to invest \$250,000 in a Founders Equity SBIC Fund, of which Warren H. Haber is a managing member, and has to-date invested approximately \$150,000 of that commitment, and (2) since 2004, Christopher Nassetta committed to invest up to \$250,000 in a Texas Pacific fund, of which David Bonderman is an officer, director and shareholder of the general partner, and has to-date invested approximately \$163,000 as a limited partner of that fund.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our directors and executive officers, and anyone who owns more than 10% of our common stock, file with the Securities and Exchange Commission reports of initial ownership and reports of changes in ownership of our common stock, and to

furnish us with copies of those reports. Based solely on a review of the reports furnished to us, we believe that during 2005, our directors, executive officers and 10% stockholders complied with these requirements.

Other Information

We have included a copy of our Annual Report for the year ended December 31, 2005 with this Proxy Statement. The Annual Report contains our annual report on Form 10-K for the year ended December 31, 2005. **In addition, you may obtain a copy of our annual report on Form 10-K, including the financial statements and financial statement schedules, without charge by sending a written request to Audra Capas, Vice President of Communications, CoStar Group, Inc., 2 Bethesda Metro Center, Tenth Floor, Bethesda, Maryland 20814.**

If you and others who share your mailing address own common stock in street name, meaning through bank or brokerage accounts, you may have received a notice that your household will receive only one annual report and proxy statement from each company whose stock is held in such accounts. This practice, known as householding, is designed to reduce the volume of duplicate information and reduce printing and postage costs. Unless you responded that you did not want to participate in householding, you were deemed to have consented to it and a single copy of this Proxy Statement and the 2005 Annual Report have been sent to your address. Each stockholder will continue to receive a separate voting instruction form. If you would like to revoke your consent to householding and in the future receive your own set of proxy materials or if your household is currently receiving multiple copies of the proxy materials and you would like in the future to receive only a single set of proxy materials at your address, please contact our transfer agent, American Stock Transfer and Trust Company, at 59 Maiden Lane, Plaza Level, New York, NY 10038, and indicate your name, the name of each of your brokerage firms or banks where your shares are held, and your account numbers. The revocation of a consent to householding will be effective 30 days following its receipt.

We have retained Innisfree M&A Incorporated to assist in distribution of these proxy materials and soliciting proxy voting instructions, at an estimated cost not to exceed \$6,000 plus reasonable expenses. They may solicit proxies in person, by telephone, by mail, telegram, facsimile, or other electronic or other means, and will request that brokerage houses, banks, and other custodians forward proxy material to beneficial owners of our common stock. We will reimburse brokerage houses, banks, and other custodians for their reasonable expenses for forwarding these materials to beneficial owners. American Stock Transfer and Trust Company will act as proxy tabulator.

COSTAR GROUP, INC.
EMPLOYEE STOCK PURCHASE PLAN

The purpose of this CoStar Group, Inc. Employee Stock Purchase Plan (Plan) is to provide eligible employees of CoStar Group, Inc. (the Company) and certain of its subsidiaries with the opportunity to purchase shares of the Company's common stock (Common Stock) at a 10% discount. The Plan is effective July 1, 2006.

1. *Administration.* The Plan will be administered by the Company's Board of Directors (the Board) or by one or more committees or subcommittees appointed by the Board (a Committee). The Board or a Committee (in either case, the Administrator) may delegate to one or more individuals the day-to-day administration of the Plan. The Administrator shall have full power and authority to promulgate any rules and regulations which it deems necessary or advisable for the proper administration of the Plan, to interpret the provisions and supervise the administration of the Plan, to make factual determinations relevant to Plan entitlements, and to take all action in connection with the administration of the Plan as it deems necessary or advisable, consistent with any delegation from the Board; provided, however, the administration of the Plan shall be consistent with Rule 16b-3 under the Securities Exchange Act of 1934. The administration, interpretation or application of the Plan by the Administrator shall be final and binding upon all participants and all other persons. The Company shall pay all expenses incurred in connection with the administration of the Plan. No Board or Committee member shall be liable for any action or determination made in good faith with respect to the Plan or any Option (as defined in Section 9) granted hereunder.

2. *Eligibility.* All employees of the Company, including Directors who are employees, and all employees of any subsidiary of the Company (as defined in Section 424(f) of the Internal Revenue Code (the Code)) designated by the Board or a Committee from time to time (a Designated Subsidiary), are eligible to participate in the Plan provided that:

(a) they are customarily employed by the Company or a Designated Subsidiary for more than 20 hours a week and for more than five months in a calendar year; and

(b) they are employees of the Company or a Designated Subsidiary on the applicable Offering Commencement Date (as defined below).

For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on sick leave or other leave of absence approved by the Company or Designated Subsidiary; provided that where the period of leave exceeds ninety (90) days and the individual's right to reemployment is not guaranteed by statute or by contract, the employment relationship will be deemed to have terminated on the ninety-first (91st) day of such leave.

No employee may be granted an Option hereunder if such employee, immediately after the Option is granted, owns 5% or more of the total combined voting power or value of the stock of the Company or any subsidiary. For purposes of the preceding sentence, the attribution rules of Section 424(d) of the Code shall apply in determining the stock ownership of an employee, and all stock which the employee has a contractual right to purchase shall be treated as stock owned by the employee.

Eligible employees who elect to participate in the Plan are referred to herein as participants .

3. Offering Periods. An Offering Period under the Plan will begin on the first day of each pay period (the Offering Commencement Date) and end on the last day of the pay period (the Offering Period). During each Offering Period, payroll deductions will be made on behalf of participants from one or more paychecks paid during the Offering Period. Such payroll deductions will be held for the purchase of Common Stock at the end of the Offering Period. The Administrator may, at any time and at its discretion, change the frequency and/or duration of Offering Periods with respect to future Offering Periods.

4. Participation. An employee eligible on an Offering Commencement Date may participate in the Plan by completing and forwarding a payroll deduction authorization form to the payroll office or other method specified no later than 5:00 p.m., Eastern time, on the third business day prior to the applicable Offering Commencement Date. The payroll deduction authorization form will authorize a regular payroll deduction from the Compensation received by the participant during the Offering Period. Unless a participant files a new form or withdraws from the Plan, his or her deductions and purchases will continue at the same rate for future Offering Periods under the Plan as long as the Plan remains in effect (subject to Section 11 below). As used herein, the term Compensation means total compensation subject to federal income tax and paid to the participant by the Company, excluding reimbursements or other expense allowances, fringe benefits, relocation expenses, stock-based compensation and severance benefits. For purposes of the Plan, (a) salary deferrals in connection with participation in the Plan or any other plan or arrangement (such as Section 401(k), Section 125 or qualified transportation fringe benefit) shall be included as Compensation, and (b) compensation shall be recognized only for the period in which a person is actually an eligible participant of the Plan.

5. Deductions. The Company will maintain payroll deduction accounts for all participants. With respect to the Plan, a participant may authorize a payroll deduction in any dollar amount up to a maximum of 15% of the Compensation he or she receives during the Offering Period or such shorter period during which deductions from payroll are made. Payroll deductions may be made in 1% increments of Compensation, between 1% and 15%, with any change in compensation during the Offering Period to result in an automatic corresponding change in the dollar amount withheld as soon as administratively practical.

6. Deduction Changes. A participant may increase, decrease or discontinue his or her payroll deduction by filing a new payroll deduction authorization form no later than 5:00 p.m., Eastern time, on the third business day prior to the applicable Offering Commencement Date. If a participant elects to discontinue his or her payroll deductions, but does not elect to withdraw his or her funds pursuant to Section 8 below, funds deducted prior to such participant's election to discontinue will be applied to the purchase of Common Stock on the Exercise Date (as defined below). The Administrator may (i) establish rules limiting the frequency with which participants may change, discontinue and resume payroll deductions under the Plan and may impose a waiting period on participants wishing to resume payroll deductions following discontinuance, and (ii) change the rules regarding discontinuance of participation or changes in participation in the Plan. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code, the Administrator may reduce a participant's payroll deductions to zero percent (0%) at any time during an Offering Period scheduled to end during the current calendar year. Payroll deductions shall re-commence at the rate provided in such participant's enrollment form at the beginning of the first Offering period that is scheduled to end in the following calendar year, unless participation in the Plan is discontinued by the participant.

If a participant has not followed the procedures prescribed by the Administrator to change the rate of payroll deductions or to discontinue the payroll deductions, the rate of payroll deductions shall continue at the properly elected rate in effect until such rate is changed in accordance with Plan procedures.

7. Interest. All payroll withholdings hereunder shall be held in the corporate general account. Interest will not be paid on any participant accounts, except to the extent that the Administrator, in its sole discretion, elects to credit participant accounts with interest at such per annum rate as it may from time to time determine.

8. Withdrawal of Funds. A participant may at any time prior to 5:00 p.m., Eastern time, on the third business day prior to the end of an Offering Period and for any reason permanently draw out the balance

accumulated in the participant's account and thereby withdraw from participation in an Offering Period. Partial withdrawals are not permitted. The participant may not begin participation again during the remainder of the Offering Period. The participant may participate in any subsequent Offering Period in accordance with terms and conditions established by the Administrator.

9. Purchase of Shares. On the Offering Commencement Date of each Offering Period, the Company will grant to each eligible employee who is then a participant in the Plan an option (the Option) to purchase whole shares of Common Stock of the Company on the last business day of such Offering Period (the Exercise Date), at the Option Price hereinafter provided for.

Notwithstanding the above, no participant may be granted an Option which permits his or her rights to purchase Common Stock under this Plan and any other employee stock purchase plan (as defined in Section 423(b) of the Code) of the Company and its subsidiaries, to accrue at a rate which exceeds \$25,000 of the fair market value of such Common Stock (determined at the Offering Commencement Date of the Offering Period) for each calendar year in which the Option is outstanding at any time.

The price for each share purchased under the Plan will be 90% of the closing price of the Common Stock on the Exercise Date, rounded to the nearest \$0.01 (the Option Price). Such closing price shall be (a) the closing price on any national securities exchange on which the Common Stock is listed, (b) the closing price of the Common Stock on the Nasdaq National Market or (c) the average of the closing bid and asked prices in the over-the-counter-market, whichever is applicable, as published in The Wall Street Journal. If no sales of Common Stock were made on such a day, the price of the Common Stock for purposes of clauses (a) and (b) above shall be the reported price for the next preceding day on which sales were made.

Each employee who continues to be a participant in the Plan on the Exercise Date shall be deemed to have exercised his or her Option at the Option Price on such date and shall be deemed to have purchased from the Company the number of full shares of Common Stock reserved for the purpose of the Plan that his or her accumulated payroll deductions on such date will pay for, but not in excess of the maximum number determined in the manner set forth above.

Any balance remaining in a participant's payroll deduction account at the end of an Offering Period will be automatically refunded to the participant, except that any balance which is less than the purchase price of one share of Common Stock will be carried forward into the participant's payroll deduction account for the Plan, except that if the participant requests a refund of the residual, in accordance with procedures established by the Administrator, or if the participant terminates his or her employment, the balance shall then be refunded.

10. Issuance of Shares. Shares of Common Stock purchased under the Plan may be issued only in the name of the participant, in the name of the participant and another person of legal age as joint tenants with rights of survivorship, or (in the Company's sole discretion) in the name of a brokerage firm, bank or other nominee holder designated by the participant. The Company may, in its sole discretion and in compliance with applicable laws, authorize the use of book entry registration of shares.

11. Rights on Retirement, Death or Termination of Employment. In the event of a participant's termination of employment for any reason (including death) prior to the last business day of an Offering Period, the participant's participation in the Plan shall immediately terminate and thereafter no payroll deduction shall be taken from any pay due and owing to such participant and the balance in the participant's account shall be paid to the participant or, in the event of the participant's death, (a) to a beneficiary previously designated in a revocable notice signed by the participant (with any spousal consent required under state law) or (b) in the absence of such a designated beneficiary, to the executor or administrator of the participant's estate or (c) if no such executor or administrator has been appointed to the knowledge of the Company, to such other person(s) as the Company may, in its discretion or as may be required under applicable law, designate. If, prior to the last business day of the Offering Period, the Designated Subsidiary by which a participant is employed shall cease to be a subsidiary of the Company, or if the participant is transferred to a subsidiary of the Company that is not a Designated Subsidiary, the participant shall be deemed to have terminated employment for the purposes of this Plan as of the date of such action.

12. Optionees Not Stockholders; No Enlargement of Employee Rights. Neither the granting of an Option to a participant nor the deductions from his or her pay shall constitute such participant a stockholder of the shares of Common Stock covered by an Option under this Plan until such shares have been purchased by and issued to him or her. In addition, nothing contained in this Plan shall be deemed to give any participant the right to be retained in the employ of the Company or of the Designated Subsidiary or to interfere with the right of the Company or the Designated Subsidiary to discharge any participant at any time.

13. Rights Not Transferable. Rights under this Plan and Options granted under this Plan are not transferable by a participant other than by will or the laws of descent and distribution, and are exercisable during the participant's lifetime only by the participant. If a participant in any manner attempts to transfer, assign or otherwise encumber his or her rights or interests under the Plan, other than as permitted by the Code, such act shall be treated as an election by the Participant to discontinue participation in the Plan.

14. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

15. Adjustment in Case of Changes Affecting Common Stock. If the outstanding shares of Common Stock are increased or decreased, or are changed into or are exchanged for a different number or kind of shares, as a result of one or more reorganizations, restructurings, recapitalizations, reclassifications, stock splits, reverse stock splits, stock dividends or the like, upon authorization of the Board or the Committee, the Board may make appropriate adjustments in the number and/or kind of shares, and the per-share exercise price thereof, which may be issued in the aggregate and to any participant upon exercise of Options granted under the Plan. The Board's determinations under this Section 15 shall be conclusive and binding on all parties.

16. Merger. If the Company shall at any time merge or consolidate with another corporation and the holders of the capital stock of the Company immediately prior to such merger or consolidation continue to hold at least 51% by voting power of the capital stock of the surviving corporation (Continuity of Control), the holder of each Option then outstanding will thereafter be entitled to receive at the next Exercise Date upon the exercise of such Option for each share as to which such Option shall be exercised the same securities or property to which a holder of one share of the Common Stock was entitled upon and at the time of such merger or consolidation, and the Administrator shall take such steps in connection with such merger or consolidation as the Administrator shall deem necessary to assure that the provisions of Section 15 shall thereafter be applicable, as nearly as reasonably may be, in relation to the said securities or property as to which such holder of such Option might thereafter be entitled to receive thereunder.

In the event of a merger or consolidation of the Company with or into another corporation which does not involve Continuity of Control, or of a sale of all or substantially all of the assets of the Company while unexercised Options remain outstanding under the Plan, (i) subject to the provisions of clauses (ii) and (iii), after the effective date of such transaction, each holder of an outstanding Option shall be entitled, upon exercise of such Option, to receive in lieu of shares of Common Stock, shares of such stock or other securities as the holders of shares of Common Stock received pursuant to the terms of such transaction; or (ii) all outstanding Options may be cancelled by the Administrator as of a date prior to the effective date of any such transaction and all payroll deductions shall be paid out to the participants; or (iii) all outstanding Options may be cancelled by the Administrator as of the effective date of any such transaction, provided that notice of such cancellation shall be given to each holder of an Option, and each holder of an Option shall have the right to exercise such Option in full based on payroll deductions then credited to his or her account as of a date determined by the Board or a Committee, which date shall not be less than three (3) business days preceding the effective date of such transaction.

17. Amendment of the Plan. The Board may at any time, and from time to time, amend this Plan in any respect, except that (i) if the approval of any such amendment by the stockholders of the Company is required by Section 423 of the Code, such amendment shall not be effected without such approval, and (ii) in no event may any amendment be made which would cause the Plan to fail to comply with Section 423 of the Code.

18. Insufficient Shares. In the event that the total number of shares of Common Stock specified in elections to be purchased during any Offering Period plus the number of shares purchased during previous Offering Periods under this Plan exceeds the maximum number of shares issuable or available under this Plan, the Administrator will allot the shares then available on a pro rata basis.

19. Termination of the Plan. This Plan may be terminated at any time by the Board. Upon termination of this Plan all amounts in the accounts of participants shall be promptly refunded.

20. Governmental Regulations. The Company shall have no obligation to sell and deliver shares of Common Stock under this Plan unless and until (i) it has taken all actions required to register the shares of Common Stock under the Securities Act of 1933; (ii) any applicable listing requirement of any stock exchange or the Nasdaq National Market (to the extent the Common Stock is then so listed or quoted) for the Common Stock is met; and (iii) all other applicable provisions of state and federal law have been satisfied.

21. Governing Law. The Plan shall be governed by Maryland law except to the extent that such law is preempted by federal law.

22. Available Shares. Shares may be issued upon exercise of an Option from authorized but unissued Common Stock, from shares held in the treasury of the Company, or from any other proper source. A maximum of 100,000 shares (subject to adjustment as set forth in Section 15) shall be available for issuance under the Plan.

23. Notification Upon Sale of Shares. Each participant agrees, by entering the Plan, to promptly give the Company notice of any disposition of shares purchased under the Plan where such disposition occurs within two years after the date of grant of the Option pursuant to which such shares were purchased. As a condition to the exercise of an Option, the Company may require the participant exercising such Option to represent and warrant at the time of any such exercise that the shares of Common Stock are being purchased only for investment and without any present intention to sell or distribute such shares of Common Stock if such a representation is required by applicable law.

24. Withholding. Each participant shall, no later than the date of the event creating the tax liability, make provision satisfactory to the Administrator for payment of any taxes required by law to be withheld in connection with any transaction related to Options granted to or shares acquired by such participant pursuant to the Plan. The Company may deduct, to the extent permitted by law, any such taxes from any payment of any kind otherwise due to a participant.

25. Effective Date and Approval of Shareholders. The Plan shall be effective July 1, 2006, subject, however, to approval of the Plan by the stockholders of the Company as required by Section 423 of the Code, which stockholder approval must occur within twelve months of the adoption of the Plan by the Board. No Option granted under this Plan may be exercised unless or until such stockholder approval has been obtained.
