Report of Independent Auditors

Board of Directors
Trinity Industries, Inc.

We have audited the accompanying statements of net assets available for benefits of the Profit Sharing Plan for Employees of Trinity Industries, Inc. and Certain Affiliates as Restated Effective April 1, 1999 as of December 31, 2001 and March 31, 2001, and the related statement of changes in net assets available for benefits for the period from April 1, 2001 through December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Edgar Filing: TRINITY INDUSTRIES INC - Form 11-K

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and March 31, 2001, and the changes in its net assets available for benefits for the period from April 1, 2001 through December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Notes to Financial Statements

December 31, 2001

1. DESCRIPTION OF THE PLAN

The following brief description of the Profit Sharing Plan for Employees of Trinity Industries, Inc. and Certain Affiliates as Restated Effective April 1, 1999 (the Plan) is provided for general information only. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

Edgar Filing: TRINITY INDUSTRIES INC - Form 11-K

The Plan, as amended and restated, is a defined contribution plan designed to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) sponsored by Trinity Industries, Inc. (the Company).

Effective January 1, 2002, the Plan was amended to change the Plan Year to be the calendar year, from January 1 through December 31 and to create a Short Plan Year for the period from April 1, 2001 through December 31, 2001.

Fidelity Management Trust Company (Trustee) is the trustee and recordkeeper of the Plan. The Company and the Trustee have entered into a Master Trust Agreement. Under the Master Trust Agreement, the Plan participates in the Trinity Industries, Inc. Master Trust (the Trinity Master Trust) with the McConway & Torley Profit Sharing Plan (the M&T Plan). The Company is the plan sponsor of the M&T Plan.

PARTICIPATION

Each employee of the Company is eligible to contribute to the Plan on the first day of the month following 60 days of eligible employment, and must meet the following additional requirements:

- 1) Must be classified as a full-time, part-time, or temporary employee of the Company; and
- 2) Must be in a unit of employees who are designated as eligible to participate in the Plan; and
- 3) Must not be included in a unit of employees covered by a collective bargaining agreement, unless benefits under this Plan were included in an agreement as a result of good faith bargaining.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Eligible employees automatically become participants in the Plan and must indicate on the form or forms provided by the Plan Committee (the Committee) whether or not they want to make contributions to the Plan. If they elect to contribute, they will authorize the Company to make payroll deductions to be contributed to the Plan.

Effective October 26, 2001, any employee of Thrall Car Manufacturing Company or Duchussois Industries, Inc. who, immediately prior to October 26, 2001, was a participant in, or eligible to participate in, the Thrall Car Manufacturing Company Salaried Employees' Retirement Savings Plan, the Thrall Car Manufacturing Company Hourly Employees' Retirement Savings 401(k) Plan and the Thrall Car Manufacturing Company Certain Illinois Hourly Employees' Retirement Savings Plan (collectively the Thrall Plans), became eligible to participate in the Plan.

CONTRIBUTIONS

Edgar Filing: TRINITY INDUSTRIES INC - Form 11-K

Each participant electing to contribute to the Plan agrees to contribute not less than 1% nor more than 14% of their eligible compensation, as defined by the Plan, in 1% increments as designated by the participant. A salary reduction and contribution agreement must be entered into by each employee as the employee begins participation in the Plan, and may be amended at any time.

Trinity Industries, Inc. and Certain Affiliates as

1. DESCRIPTION OF THE PLAN (CONTINUED)

Company matching contributions shall be made if Company earnings are at least sufficient to pay dividends to stockholders (\$0.54 per share for the period from April 1, 2001 through December 31, 2001) but in no event less than \$0.33 1/3 per share of common stock. The Board may, in its sole discretion, elect to waive the Company earnings requirement. If the Company matching contribution is made, then each participant shall receive an amount equal to a percentage of that portion of such participant's contribution, up to six percent of such participant's total eligible compensation for the year, as defined, under the following schedule:

YEARS OF SERVICE -----	PERCENTAGE OF COMPANY CONTRIBUTION -----
Less than 1 year	0%
1 but less than 2 years	25%
2 but less than 3 years	30%
3 but less than 4 years	35%
4 but less than 5 years	40%
5 or more years	50%

Company contributions are net of forfeitures, as defined. Company contributions for a given Plan year shall be deposited in the Trinity Master Trust no later than the date on which the Company files its federal income tax return for such year.

PARTICIPANT ACCOUNTS

Participants may direct daily the investment of participant and Company contributions among any of the thirteen registered investment companies and Company common stock. Investments in Friede Goldman Halter, Inc. (formerly Halter Marine Group, Inc.) common stock resulted from the divestiture of Halter Marine Group, Inc. by the Company in 1997, when the Plan received 0.348 shares of Halter Marine Group, Inc. common stock for each share of Company stock held in the Plan, in the form of a tax-free distribution.

BENEFITS

Distribution of a participant's account balance is payable upon retirement at or after age 65, total disability, death, or termination of employment. Distribution is equal to the salary reduction contributions and related earnings, plus the vested portion of any Company contribution and related earnings.

Withdrawals of up to 100% of the participant's contributions can be made only to meet "immediate and heavy financial needs" (medical care, college tuition, the purchase of a principal residence, or to prevent the foreclosure on a principal residence), as long as the funds are not available for such needs from other sources. No withdrawals can be made against the earnings on the participant contributions or against any Company contributions and related earnings. These restrictions no longer apply when the participant reaches age 59 1/2.

Upon request, distributions shall be made no earlier than the later of the last day of the calendar quarter in which entitlement occurs, or the date on which the Committee determines the final balances. Distributions from the common stock accounts shall be made in cash unless otherwise designated by the participant.

PARTICIPANT LOANS

Loans for "immediate and heavy financial needs" may be made for a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of the participant's contribution balance and related earnings plus 50% of the vested portion of the Company contribution balance and related earnings. Loans are subject to rules and regulations established by the Committee, as defined by the Plan.

ADMINISTRATION OF THE PLAN

The Plan is administered by the Committee, consisting of at least three persons who are appointed by the Board. The members of the Committee serve at the discretion of the Board, and any Committee member who is an employee of the Company shall not receive compensation for their services.

The expenses incurred by the Trustee in the performance of its duties, including the Trustee's compensation and the services of the recordkeeper shall be paid by the Plan unless paid by the Company. All other expenses are paid by the Company.

AMENDMENT OR TERMINATION OF THE PLAN

The Company may amend the Plan at any time. However, no amendment, unless made to secure approval of the Internal Revenue Service (IRS) or other governmental agency, may operate retroactively to reduce or divest the then vested interest in the Plan of any participant, former participant or beneficiary, or to reduce or divest any benefit payable under the Plan unless all participants, former participants, and beneficiaries then having vested interests or benefit payments affected thereby consent to such amendment.

The Company may terminate the Plan at any time, subject to the provisions of ERISA. Upon complete or partial termination, the accounts of all participants affected thereby shall become 100% vested, and the Committee shall direct the Trustee to distribute the assets in the Trust Fund, after receipt of any required approval by the IRS and payment of any expenses properly chargeable thereto, to participants, former participants, and beneficiaries in proportion
