99.1 Press Release dated May 6, 2004

This Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements are subject to certain risks, uncertainties and assumptions and include, but are not limited to, the successful consummation of the sale, which is dependent in part on the meeting of certain closing conditions and the timing of the closing, and typically can be identified by the use of words such as expect, estimate, anticipate, forecast, plan, believe and similar terms. Although NRG believes that its expectations are reasonable, it can give no assurance that these expectations will prove to have been correct, and actual results may vary materially. Factors that could cause actual results to differ materially from those contemplated above include, among others, the possibility that all closing conditions are not met or take longer than anticipated to be met.

NRG undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The foregoing review of factors that could cause NRG's actual results to differ materially from those contemplated in the forward-looking statements included in this Form 8-K should be read in conjunction with the risks and uncertainties that may affect NRG's future results contained in NRG's filings with the Securities and Exchange Commission at www.sec.gov.
