Exhibit 99.1 Copy of press release dated July 6, 2004, publicly reporting the matters discussed herein, furnished pursuant to Item 9.

Item 9. Regulation FD Disclosure.

On July 6, 2004, The Williams Companies, Inc. ( Williams ) announced that action by the Federal Energy Regulatory Commission ( FERC ) last week put an end to nearly all of Williams' natural gas issues and power refund liabilities related to California markets from May 2000 through June 2001. The FERC on July 2 approved Williams' Feb. 25 settlement with three California utilities. The FERC's approval of the settlement also resolves the FERC's investigations into physical and economic withholding. In a related action, Williams on July 2 received a final court order approving a civil class action settlement.

A copy of the press release announcing the same is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein.

Pursuant to the requirements of the Securities Exchange Act of 1934, Williams has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
