Agreement and Plan of Merger

First Amendment to Agreement and Plan of Merger

Table of Contents**ITEM 2.01. Completion of Acquisition or Disposition of Assets**

On October 29, 2004, Alliance Data Systems Corporation (*ADSC*) and a wholly-owned subsidiary, ADS Alliance Data Systems, Inc. (*ADSI*), completed the acquisition, via merger, of The Relizon e-CRM Company (*Relizon*), including its wholly-owned subsidiary Epsilon Data Management, Inc. (*Epsilon*), from Relizon Holdings, LLC (*Holdings*). Pursuant to the Agreement and Plan of Merger, dated as of October 8, 2004, as amended as of October 29, 2004, by and among ADSC, ADSI, Everest Nivole, Inc., a wholly-owned subsidiary of ADSI (*Everest*), Relizon, and Holdings (*Agreement and Plan of Merger*), Everest was merged with and into Relizon, with Relizon being the surviving corporation and continuing as a wholly-owned subsidiary of ADSI. At the effective time of the merger, Relizon changed its name to Epsilon Marketing Services, Inc.

The main operating subsidiary of Relizon is Epsilon, which has provided customer management and loyalty solutions for over 35 years. Epsilon utilizes database technologies and analytics to evaluate the value, growth and loyalty of its clients customers and assists clients in acquiring new customer relationships. Certain assets, liabilities, employees, contracts, licenses, franchises and permits relating to the operation of the billing solutions business of Relizon and its subsidiaries were excluded from the transactions contemplated by the Agreement and Plan of Merger (*Excluded Business*), and, immediately prior to the effective time of the merger, Relizon transferred the Excluded Business to The Relizon Company, a subsidiary of Holdings.

The merger consideration consisted of approximately \$310.0 million in cash. The base purchase price of \$310.0 million was adjusted to \$314.0 million based on pre-closing estimates of customary post-closing purchase price adjustments. The actual amount of the adjustments will be determined, in accordance with the provisions of the Agreement and Plan of Merger, after the closing. Approximately \$2.0 million of the purchase price was placed into escrow pending calculation of the final closing date net working capital adjustment. Approximately \$10.0 million of the purchase price was placed into escrow for a period of eighteen months to satisfy potential indemnification claims. ADSI paid the merger consideration from available funds on-hand and amounts available under credit facilities.

The description of the Agreement and Plan of Merger set forth above is qualified in its entirety by reference to the Agreement and Plan of Merger that is filed as an exhibit to this Current Report on Form 8-K and is incorporated by reference into this Item 2.01.
