NOTE 5. *NOTES AND INTEREST PAYABLE* (Continued)

Scheduled notes payable principal payments are due as follows:

2005	\$ 6,446
2006	6,101
2007	717
2008	2,833
2009	742
Thereafter	27,503
	\$ 44,342

Notes payable at December 31, 2004, bear interest at rates ranging from 4.48% to 9.56% and mature between 2005 and 2012. The mortgages are collateralized by deeds of trust on real estate with a net carrying value of \$31.4 million. As indicated in the foregoing schedule, the book value of notes payable decreased \$16.1 million in 2004 from 2003 due to retirement of notes payable resulting from sale of four properties during 2004. See ITEM 7. **MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS** Obligations and Commitments and ITEM 7A. **QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK** Liabilities.

In April 2002, the Company transferred all of its residential properties to partnerships formed with Metra Capital LLC (Metra). The properties included the 60-unit Brighton Court, the 92-unit Del Mar, the 68-unit Enclave, the 280-unit Meridian, the 57-unit Signature, and the 114-unit Sinclair, all located in Midland, Texas, and the 106-unit Treehouse located in San Antonio, Texas. Innovo Realty, Inc., a subsidiary of Innovo Group, Inc. (Innovo) is a limited partner in the partnerships that purchased the properties. A former director of ARI, a related party, controlled approximately 11.67% of the outstanding common stock of Innovo. The transfer constituted 23% of the total assets of the Company as of December 31, 2001. The transfer price for the properties totaled \$26.2 million, of which the Company received \$5.3 million in cash after the payment of \$15.9 million in debt and various closing costs. Management determined to account for the transaction as a refinancing transaction (rather than a sale) in accordance with SFAS 66 Accounting for Sales of Real Estate. At the time of the transaction in April 2002, ARI was a related party to the Company by virtue of ARI's subsidiaries' ownership of approximately 28.5% of the then outstanding common stock of the Company, and the fact that ARI and the Company had the same persons as executive officers. The compensation price for the properties transferred totaled \$26.2 million and possible additional contingent consideration depending upon the sale price of the properties by the Metra partnerships. The Company also received \$5.2 million in value of 8% in non-recourse, non-convertible preferred stock of Innovo. Based upon the prospect of additional consideration, ultimate continued involvement through the preferred stock and the related-party nature of the former ARI director's involvement, as well as the Company retaining a right to approve the price of any ultimate sale by a Metra partnership of the properties, and a process by which the Company effectively guaranteed a preferential return to the Metra investors, management determined that the transaction must be classified as a financing transaction and not a sale. The Company continued to be able to exert control over the Metra partnerships, and no sale was recorded. The Treehouse property was subsequently sold to a non-related party in February 2004, and all of its debts have been repaid to the lenders at the time of the sale. During August 2004, certain entities, including the Company, instituted an action in a Texas state court against Innovo and Metra and others over the process, as well as distribution questions. During April 2005, a resolution of the litigation occurred settling all liabilities remaining from the original partnership arrangements which included a return of the Metra investor equity, prepayment of prospective asset management fees and miscellaneous fees and transaction costs from the Company and the other plaintiffs as a payment of the Preferential Return along with the delegation of management to another entity. Of the payment made, the Company recognized expense of \$56,000 and a reduction of \$1,476,000 in liabilities during the second quarter of 2005.
