**Proxy Statement**

The accompanying proxy is solicited by the Board of Directors of Panhandle Royalty Company, an Oklahoma corporation (the Company), for use at the annual meeting of shareholders (the meeting) to be held Friday, February 24, 2006, and at any adjournment or postponement thereof.

When the proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions noted thereon. If no direction is indicated, the persons named on the enclosed proxy will vote the proxy for the nominees for director set forth thereon. Should other matters come before the meeting, the proxy will be voted as the Board of Directors of the Company may, in its discretion, determine.

If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it is exercised, by signing and sending to the Company a later dated proxy or a written revocation, or by attending the meeting and voting in person.

The mailing address of the Company is 5400 N. Grand Boulevard, Suite 305, Oklahoma City, OK 73112-5688. It is anticipated that the proxies and proxy statements will be mailed to shareholders beginning on or about January 25, 2006.

The cost of soliciting proxies for the meeting will be borne by the Company. In addition to solicitation by mail, arrangements may be made with brokerage firms, banks and other custodians, nominees and fiduciaries to send proxy material to their principals. The Company will reimburse these institutions for their reasonable costs. No solicitation is to be made by specially engaged employees or other paid solicitors.

**Voting Securities**

The Amended Certificate of Incorporation of the Company provides for one vote for each share of Common Stock outstanding. At the meeting, each holder of Common Stock will be entitled to cast one vote per share of stock owned. Votes may be cast by shareholders either in person or by proxy.

All holders of Common Stock of record at the close of business on January 19, 2006 will be eligible to vote. As of January 19, 2006, there were 8,410,886 shares of Common Stock outstanding owned by approximately 3,500 shareholders.

The presence, in person or by proxy, of a majority of the shares entitled to vote is necessary for a quorum at the meeting. Directors are elected by a plurality of the votes of shares present in person or represented by proxy at the meeting.

Abstentions will be counted for the purpose of determining the existence of a quorum and will have the same effect as a negative vote on matters other than the election of directors. If a nominee holding shares for a beneficial owner indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter or otherwise does not vote such shares, these shares will not be considered as present and entitled to vote in respect to that matter, but will be counted for the purpose of determining the existence of a quorum.

These nominees were recommended by the Nominating Committee and approved by the Board of Directors. The Board of Directors has no reason to believe that either of the nominees will be unable to serve as director. However, if either nominee should be unable for any reason to accept nomination or election, it is the intention of the persons named in the enclosed proxy to vote those proxies for the election of such other person or persons as the Board of Directors may in its discretion determine.

The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the two directorships to be filled at the annual meeting will be filled by the two nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. **Report of the Audit Committee**

The Audit Committee is currently composed of four independent directors. During the fiscal year ended September 30, 2005, Robert O. Lorenz, Robert A. Reece and H. Grant Swartzwelder were members of the Audit Committee for the entire year and Robert E. Robotti was a member since March 2005. The Board of Directors has determined that all committee members are independent and that Mr. Lorenz is an audit committee financial expert, as defined by the Securities and Exchange Commission guidelines and the rules of the American Stock Exchange.

The Audit Committee Charter was reaffirmed by the Board of Directors in December, 2005, and was last revised and adopted on December 16, 2004. A copy is attached hereto as Appendix A and can be viewed on the Company's website at [www.panra.com](http://www.panra.com). Five meetings of the Committee were held during fiscal 2005.

The Audit Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board of Directors and report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control over financial reporting.

In fulfilling its responsibilities, the Committee reviewed with management the audited financial statements included in the Company's Annual Report on Form 10-K for fiscal 2005, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61 (Communications with Audit Committees) as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). In addition, the Committee discussed with the independent auditors its independence from management and the Company, including matters in the written disclosures received from the independent auditors as required by the Independence Standards Board No. 1 (Independence Discussions with Audit Committee).

The Committee met with the independent auditors, with and without management present, to discuss the overall scope and plans for their audit, the results of their examinations, their evaluations of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting.

The Committee also met with the independent auditors and management subsequent to the end of each of the first three fiscal quarters. At these meetings, the independent auditors' review results were presented and discussed and discussions were held with management concerning the quarterly results.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2005 for filing with the Securities and Exchange Commission.

#### **Report of Compensation Committee on Executive Compensation**

The Compensation Committee oversees the Company's executive compensation program. In December of each year, base salaries of officers are set for the next calendar year and bonuses are determined based on the Company's most recently completed fiscal year. The Compensation Committee makes recommendations to the Board of Directors which makes the final decisions.

The Compensation Committee has prepared the following report on the Company's policies with respect to the compensation of executive officers for fiscal 2005.

#### **Philosophy and Program Components**

The Company's philosophy is to provide a compensation program that will attract, retain and reward the officers who contribute to the Company's success and to motivate the officers to develop and execute current and long-term business strategies and goals. and has no employment contracts or change-in-control arrangements with any of its officers or employees.

**Base Salary and Bonus**

Base salaries and bonuses for officers were based upon the individual's responsibilities and experience, taking into account, among other factors, the individual's initiative, contribution to the Company's overall performance, handling of special projects or events during the year and yearly financial and operating results comparison to the Company's business plan. Base salaries for officers are reviewed and compared to similar positions in the Company's industry. The Company has made a concerted effort in the last few years to bring its compensation levels up to those of comparably-sized companies in the oil and gas industry.

**Chief Executive Officer Compensation**

During fiscal 2005, the Board of Directors awarded Mr. Peace, President and Chief Executive Officer, a base salary of \$200,000 for calendar year 2005 and a performance bonus of \$35,000. The increases in salary and the bonus were based on fiscal 2004 financial operating results. Fiscal 2004 saw increases in total revenues and net income of the Company. The Company was able to more than replace oil and gas produced during fiscal 2004 with reserves from new wells drilled and completed in fiscal 2004. However, because of revisions to older well reserves, net oil and gas reserves remained basically flat compared to fiscal year 2003. Production on a mcf equivalent basis for fiscal 2004 was essentially equivalent to fiscal 2003. Based on these factors, the Committee recommended these increases.

***Responsibilities***

The primary responsibility of the Committee is to oversee the Company s financial reporting process on behalf of the Board and report the results of their activities to the Board. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company s financial statements are complete and accurate and are in accordance with generally accepted accounting principles.
