PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Terayon Communication Systems, Inc. (the "Company") is not able to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2005 with the Securities and Exchange Commission on a timely basis without unreasonable effort or expense for the reasons described below.

On March 1, 2006, the Company announced that it will restate its consolidated financial statements for the year ended December 31, 2004, and for the four quarters of 2004 and the first two quarters of 2005. The filing of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 and the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2005 have been delayed pending the completion of the Company's restatement of consolidated financial statements for such periods. The restatements and, if necessary, the re-audit of its financial statements for the year ended December 31, 2004 will not be completed in sufficient time for the Company and its independent auditors to complete the audit of its financial statements for the year ended December 31, 2005 and the filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, within the prescribed period. No determination has yet been made by the Company and its independent auditors as to the extent and magnitude of all changes that will be required as a result of the restatement.

The Company did not represent in Part II of this Form 12b-25 that it would be able to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2005 by March 31, 2006, which is required by SEC rules to obtain a 15-day extension of the filing deadline. The Company does not believe at this time that it will be able to file its Form 10-K by that date. The Company previously provided additional information concerning the status of these reviews and the Company's current expectations on this and related topics in its press release dated March 1, 2006.
