Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 10, 2009 Hicks Acquisition Company I, Inc. (the Company) received a deficiency letter from NYSE Alternext US LLC (the Exchange) indicating that the Company was not in compliance with the annual stockholder meeting requirements of Section 704 of the NYSE Alternext US Company Guide (the Company Guide), because the Company did not hold an annual stockholders meeting during the year ended December 31, 2008. The Company has been afforded the opportunity to submit a plan to the Exchange by March 10, 2009, which the Company contemplates doing, advising the Exchange of actions taken, or to be taken, to bring the Company into compliance with Section 704 of the Company Guide (the Plan) by August 11, 2009.

The Company intends to submit a Plan but if the Plan is not accepted by the Exchange, the Company may be subject to delisting procedures. The Exchange will evaluate the Plan and make a determination as to whether the Company has made a reasonable demonstration in the Plan of an ability to regain compliance with the continued listing standings by August 11, 2009 (the Plan Period). If the Plan is accepted, the Company should be able to continue its listing during the Plan Period up to August 11, 2009. However, if the Company does not make progress consistent with the Plan during the Plan Period or is not in compliance with the listing standards at the conclusion of the Plan Period, the Exchange staff may initiate delisting procedures as appropriate.

The Company intends to explain in the Plan it submits that, pursuant to the Company s amended and restated certificate of incorporation, the Company must acquire, or acquire control of, through a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination one or more businesses or assets by September 28, 2009 pursuant a transaction approved by its stockholders, or the Company will dissolve and liquidate. As a result, the Company must hold a stockholder meeting prior to September 28, 2009 at which such a transaction is approved, or the Company will liquidate. Accordingly, in its Plan the Company contemplates asking the Exchange to defer the required August 11, 2009 stockholder meeting until September 28, 2009. However, the Company cannot guarantee that the Exchange will accept the Company s proposal to delay the required stockholder meeting dated until September 28, 2009. In the event the Exchange does not grant the requested delayed date, the Company may be required to hold a stockholder meeting by August 11, 2009.

The Company issued a press release on February 17, 2009 announcing receipt of the Exchange s letter in accordance with Section 1009 of the Company Guide. A copy of the press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference.
