Item 2.02. Results of Operations and Financial Condition

On August 3, 2006, ViaCell, Inc. issued a press release relating to its results of operations and financial condition for the second quarter of 2006. The press release attached as Exhibit 99.1 includes information with respect to ViaCell's pro forma basic and diluted net loss per common share in the first six months of 2005. These are non-GAAP financial measures. Management believes that these non-GAAP financial measures are useful because they exclude those non-operational activities or transactions that are not necessarily relevant to understanding the trends of the Company or the prospects of future performance. Management uses these non-GAAP financial measures to establish operational goals and believes that they may assist investors in analyzing the underlying trends in the Company's business over time. The presentation of this information is not meant to be considered in isolation or as a substitute for GAAP financial measures.

The information furnished herewith pursuant to Item 2.02 of this Current Report shall not be deemed to be filed for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
