**Item 1.01. Entry into a Material Definitive Agreement.**

On July 9, 2008, the Registrant's wholly-owned subsidiary, TimePayment Corp. (the Borrower) entered into an amended \$60 million secured revolving line of credit (the Facility) with Sovereign Bank, as agent (the Agent) for the lenders thereunder (the Lenders). The Facility was originally entered into on August 2, 2007, and its material terms and conditions were described in the Registrant's Current Report on Form 8-K filed on August 8, 2007. The Registrant was in compliance with the covenants of the original Facility at the time of the July 9 amendment.

The material changes to the original Facility made by the July 9 amendment are as follows: (i) the commitment of the Lenders was increased from \$30 million to \$60 million outstanding at any time, subject to a borrowing base that is calculated with respect to eligible receivables; (ii) the Borrower is required to maintain a ratio of consolidated earnings before interest and taxes (EBIT) of not less than 2 to 1 at the end of any quarter (compared to a ratio between 1.75 and 1.9 to one in the original agreement for fiscal quarters in 2008 and later); and (iii) the Borrower may not permit its consolidated tangible capital base (the sum of consolidated tangible net worth plus subordinated debt) to be less than approximately \$56.3 million as of March 31, 2008, which level will be adjusted upward for subsequent periods by amounts calculated primarily by reference to the Registrant's consolidated net income (compared to a lower base at September 30, 2007 in the original agreement, as similarly adjusted upwards for subsequent periods).

The other material terms of the original Facility remain the same, including the borrowing base calculation, the maturity date of August 2, 2010, the interest rate applicable to loans under the Facility, and the other affirmative and negative covenants applicable to the Registrant and the Borrower (including the financial covenants relating to leverage ratios and asset quality). The Facility is guaranteed by the Registrant and by Leasecomm Corporation (Leasecomm), also a wholly-owned subsidiary of the Registrant. The Facility and related guarantees are secured by a first priority security interest in the assets of the Borrower, the Registrant and Leasecomm, including the equity interest of the Registrant in both the Borrower and Leasecomm. The borrowing base under the amended Facility would be reduced by a specified reserve amount in the event that the Borrower obtains certain forms of alternative, subordinated financing permitted by the Facility. The amended Facility would permit further increases in the total commitment with the agreement of the Agent and, as applicable, a new or existing Lender, under certain conditions. The foregoing description of the Facility is a summary only, and is qualified in its entirety by reference to the Amended and Restated Credit Agreement between the parties attached as an exhibit to this report.

On July 14, 2008, the Registrant issued a press release announcing the amendment to the Facility. A copy of that press release is attached to this report as Exhibit 99.1.
