ITEM 1. SECURITY AND ISSUER

This Amendment No. 1 amends and restates in its entirety the Schedule 13D of Rabo Investment Management Ltd., f/k/a Gutzwiller & Partner Ltd., with respect to the shares of Common Stock, par value \$.25 per share (the "Common Stock"), and 1% convertible debentures due August 14, 2004 ("New Convertible Debentures") convertible into 17,990,000 shares of Common Stock, of General Kinetics Incorporated ("GKI"), a Virginia corporation. The principal executive offices of GKI are located at 14130-A Sullyfield Circle, Chantilly, Virginia 20151.

(a) - (c) This Amendment No. 1 to Schedule 13D is being filed by Rabo Investment Management Ltd. (the "Manager"), f/k/a Gutzwiller & Partner Ltd., a corporation formed under the laws of Switzerland. The Manager is a Swiss investment adviser whose principal offices are located at Brandschenkestrasse 41, CH-8002 Zurich, Switzerland. The name, business address and principal occupation of each director and executive officer of the Manager and its parent, Rabo Robeco Bank, Ltd. All information in this Schedule 13D with respect to the persons listed on Schedule A is given to the knowledge of the Manager.

Edgar Filing: RABO INVESTMENT MANAGEMENT AG - Form SC 13D/A

The Bank is the Manager's sole shareholder and therefore may be deemed to control the Manager. The Bank is an investment banking organization formed under the laws of Switzerland; its principal address is Brandschenkestrasse 41, CH-8002 Zurich, Switzerland. The Bank acquired all of the outstanding equity interests in the Manager from the management of the Manager on October 10, 1996.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

1. Common Stock.

The Manager is the economic beneficial owner of and holds sole voting and dispositive power over 242,700 shares of Common Stock (the "Manager Shares") which were purchased by the Manager in the transactions specified in Schedule B. The amount of funds used to purchase the Manager Shares aggregated approximately \$11,700 (exclusive of commissions). The source of the funds used by the Manager to purchase the Manager Shares was working capital.

In addition, the Manager may be deemed to be the beneficial owner of 1,472,300 shares of Common Stock ("Client Shares") held in accounts managed by the Manager, and with respect to which the Manager holds voting and dispositive power, on behalf of various clients who hold beneficial economic ownership thereof. The Manager's purchases of the Client Shares were effected with funds provided by clients of the Manager in an approximate amount of \$3,571,230.

2. Debentures.

As discussed in detail below, during the period beginning in December 1992 and ending in August 1994, the Manager acquired, for the account of its clients, debentures of GKI comprised of convertible subordinated debentures and Series A - E subordinated debentures (collectively, the "Old Debentures"). On August 14, 1994, GKI restructured its then outstanding Old Debentures by issuing the New Convertible Debentures. The New Convertible Debentures have an aggregate face value of \$8,995,000 as of the date of this Amendment No. 1, and are convertible into 17,990,000 shares of Common Stock.

The Manager is the economic beneficial owner of New

Edgar Filing: RABO INVESTMENT MANAGEMENT AG - Form SC 13D/A

Convertible Debentures ("Manager Debentures") in an aggregate face amount of \$585,000, which were purchased by the Manager in the transactions specified in Schedule C. The amount of funds used to purchase the Manager Debentures was approximately \$187,500. The source of the funds used by the Manager to purchase the Manager Debentures was working capital.

In addition, the Manager may be deemed to be the beneficial owner of New Convertible Debentures managed by the Manager having an aggregate face value of \$7,300,000 ("Client Debentures"). The Manager holds voting and dispositive power over the Client Debentures on behalf of various clients who hold beneficial economic ownership thereof. The Manager's purchases of the Client Debentures were effected with funds provided by clients of the Manager in an approximate amount of \$6,980,000.

The history of these acquisitions is as follows:

Page 4 of 18 Pages

(1) On December 14, 1992, the Manager acquired from GKI, on behalf of clients, 1% subordinated convertible debentures of GKI due October 20, 2002 (the "Old Convertible Debentures") in an aggregate face amount of \$2,750,000. The Old Convertible Debentures were convertible into shares of Common Stock at a conversion price of \$1.375 per share and were purchased for \$2,000,000. The Old Convertible Debentures were exchanged for New Convertible Debentures on August 14, 1994, as discussed in paragraph (5) below.

(2) On March 30, 1993, the Manager acquired from GKI, on behalf of clients, 4% Series A and Series B subordinated debentures of GKI in a combined aggregate face amount of \$2,500,000 for a purchase price of \$2,420,000. The Series A debentures, due March 30, 1994 and issued in the aggregate face amount of \$1,500,000, were redeemed on March 30, 1994, as discussed in paragraph (4) below. The Series B debentures, due March 30, 1995 and issued in the aggregate face amount of \$1,000,000 (with proceeds to GKI, net of prepaid interest, equaling \$920,000), were exchanged for New Convertible Debentures on August 14, 1994, as discussed in paragraph (5) below.

(3) On August 15, 1993, the Manager acquired from GKI, on behalf of clients, 4% Series C subordinated debentures of GKI due August 15, 1994 in an aggregate face amount of \$2,000,000 for a purchase price of \$1,920,000. The Series C debentures were exchanged for New Convertible Debentures on August 14, 1994, as discussed in paragraph (5) below.

(4) On March 30, 1994, the Manager acquired from GKI, on behalf of clients, 4% Series D and Series E subordinated debentures of GKI due March 30, 1995 in a combined aggregate face amount of \$2,000,000 for a purchase price of \$2,000,000. The proceeds of the sale of the Series D debentures, issued in the aggregate face amount of \$1,500,000, were used to redeem the Series A debentures discussed in paragraph (2) above. The Series E debentures were issued in the aggregate face amount of \$500,000 for a purchase price equal to the face amount thereof. The Series D and E debentures were exchanged for New Convertible Debentures on August 14, 1994, as discussed in paragraph (5) below.

(5) On August 14, 1994, GKI restructured all of its then outstanding Old Debentures (comprised of the Old Convertible Debentures and the Series B, C, D and E debentures) by issuing in exchange therefor New Convertible Debentures in an aggregate face amount of \$7,750,000 to the Manager. The New Convertible Debentures mature on August 14, 2004, are convertible into shares of Common Stock at a conversion price of 50 cents per share and bear interest at 1%

Edgar Filing: RABO INVESTMENT MANAGEMENT AG - Form SC 13D/A

per annum payable annually in arrears. In addition, on September 21, 1994, the Manager acquired additional New Convertible Debentures on behalf of clients in the face amount of \$1,750,000 for a purchase price of \$1,660,000.

During fiscal 1997, New Convertible Debentures in the face amount of \$75,000 were converted into 150,000 shares of Common Stock. In August 1997, New Convertible Debentures in the face amount of \$30,000 were converted into 60,000 shares of Common Stock. In May 1998, GKI repurchased New Convertible Debentures in the face amount of \$300,000

Page 5 of 18 Pages

from clients of the Manager for a purchase price of \$100,000. In October 1998, GKI repurchased New Convertible Debentures in the face amount of \$100,000 from clients of the Manager for a purchase price of \$33,000. These transactions are listed in detail in Schedule C. As of the date of this Amendment No. 1, the Manager holds voting and dispositive authority over New Convertible Debentures with an aggregate face value of \$7,885,000 and convertible into 15,770,000 shares of Common Stock, of which \$585,000 in face amount (convertible into 1,170,000 shares of Common Stock) are Manager Debentures and \$7,300,000 in face amount (convertible into 14,600,000 shares of Common Stock) are Client Debentures. In addition, since 1994, clients of the Manager have withdrawn \$1,215,000 of New Convertible Debentures from management by the Manager, as listed in detail in Schedule C, with the result that the Manager now has \$7,300,000 in New Convertible Debentures under management.

The New Convertible Debentures were originally subject to the terms of a pledge and security agreement, dated as of August 14, 1994 (the "Pledge and Security Agreement"), on file with the Securities and Exchange Commission ("Commission") as described under Item 7 hereof. The Pledge and Security Agreement provided for a security interest in substantially all the assets of GKI, with certain exceptions (including, without limitation, exceptions for accounts receivable and other financing), to secure the obligations in respect of the New Convertible Debentures. However, the Pledge and Security Agreement was never implemented. The shares of Common Stock issuable upon conversion of the Convertible Subordinated Debentures are also entitled to certain registration rights under the Securities Act of 1933, as specified in the form of the Convertible Subordinated Debentures.

On October 10, 1996, the Bank acquired all of the outstanding equity interests of the Manager from members of the Manager's management.

ITEM 4. PURPOSE OF TRANSACTION

1. Background and Settlement Agreement.

The shares of Common Stock and the New Convertible Debentures held by the Manager were acquired for investment purposes. Prior to February 25, 1994, the Manager had been acting under the mistaken assumption that the Manager was bound by the terms and conditions of a proxy agreement issued in compliance with requirements imposed by the U.S. Department of Defense as a measure necessary for GKI to maintain national security clearances, and in connection therewith, to prevent the Manager from exercising foreign "control" or "influence" over the activities of GKI. The Manager had been advised that Messrs. Norman Brandeberry and Edward Stucky, who were directors and officers of GKI, were the holders of a 10-year irrevocable proxy granted by the Manager. However, upon investigation and after due inquiry, the U.S. Department of Defense advised GKI and the Manager that it did not require the issuance of such a proxy to Messrs. Brandeberry and Stucky, and the Manager determined that no

Edgar Filing: RABO INVESTMENT MANAGEMENT AG - Form SC 13D/A

such proxy in fact existed. Thereupon the Manager determined to seek to exercise an influence over GKI commensurate with its holdings of GKI's debt and equity in view of the

Page 6 of 18 Pages

Manager's dissatisfaction at that time with GKI's management. After negotiation, on March 2, 1994, the Manager entered into a Settlement Agreement with three directors of GKI, Edward Stucky, Norman Brandeberry, and Shawn O'Keefe, which provided in principal part that:

(a) Messrs. Stucky, Brandeberry and O'Keefe would resign from the Board of Directors of GKI;

(b) Robert K. Gardner, Larry M. Heimendinger, Mark E. Cotnoir and Richard J. McConnell would be appointed to the Board of GKI;

(c) the by-laws of GKI would be amended to provide that a Special Meeting of Shareholders may be convened by shareholders together holding at least 40% of the number of shares of GKI outstanding and entitled to vote; and

(d) the Manager would provide general releases to the resigning directors (Messrs. Stucky, Brandeberry, and O'Keefe) from liabilities arising out of matters concerning GKI.

2. Management.

On March 24, 1994, David Shaw, the Chairman and Chief Executive Officer of GKI, submitted his resignation at the request of the new directors of GKI who had taken office on March 2, 1994. Mr. Larry Heimendinger was selected by the GKI Board as Chairman and since that time has served as chief executive and chief operating officer of GKI.

As of the date of this Amendment No. 1, the GKI Board of Directors is comprised of Messrs. Heimendinger (Chairman), Cotnoir and McConnell, and Thomas M. Hacala.

Except as set forth herein and in the Schedule 13D previously filed by the Manager, the Manager has not formulated any plans or proposals which relate to or would result in any of the events enumerated in sub-items (a) through (j) of Item 4 of Schedule 13D. However, the Manager will review its investment in GKI from time to time and reserves the right to take or not take any action it deems to be in its best interest or to change the intentions described above.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) GKI's quarterly report on Form 10-Q for the quarter ended August 31, 2001, as filed with the Commission on October 15, 2001 states that, as of August 31, 2001, there were 6,718,925 shares of Common Stock outstanding. If all New Convertible Debentures controlled by the Manager were converted into 15,770,000 shares of Common Stock, the Manager would be deemed to own 17,485,000 out of 22,488,925 shares of Common Stock then outstanding, or 77.7% of the Common Stock of GKI, when computed in accordance with Rule 13d-3 under the Securities Exchange Act of 1934.

Item 3 of this Amendment No. 1 describes in detail of the beneficial ownership of the Manager Shares, Manager Debentures, Client Shares and Client Debentures and is incorporated herein by reference.

(b) The Manager has sole voting and dispositional power over the 242,700 Manager Shares and the \$585,000 of Manager Debentures. Pursuant to the investment management agreements between the Manager and its clients (the "Management Agreements"), the Manager has the sole power to vote the 1,472,300 Client Shares and \$7,300,000 of Client Debentures. In addition, pursuant to the Management Agreements, the Manager has the discretionary authority to dispose of the Client Shares and the Client Debentures.

(c) Attached hereto as Schedule B is a schedule of the transactions effected by the Manager in the Manager Shares and the Client Shares. Attached hereto as Schedule C is a schedule of the transactions effected by the Manager in the Manager Debentures and the Client Debentures.

(d) Clients of the Manager holding beneficial economic ownership of the Client Shares and the Client Debentures have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Client Shares and the Client Debentures.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

1. Voting Arrangements.

With respect to the voting of shares of Common Stock, pursuant to the Management Agreements, the Manager has been granted the power by its clients as the beneficial economic owners of the Client Shares to vote 1,472,300 shares of Common Stock.

2. Dispositive Power.

With respect to dispositive rights, pursuant to the Management Agreements, the Manager has been granted discretionary authority by its clients as the beneficial economic owners of the Client Shares and the Client Debentures to sell and purchase such securities.

ITEM 7. MATERIAL TO BE FILED AS EXHIBITS

1. Agreement by and between GKI and Gutzwiller & Partner Ltd., the Manager's name prior to its acquisition by the Bank, dated October 20, 1992, and a letter of clarification regarding such agreement from Edward J. Stucky to David A. Shaw dated October 23, 1992, on file with the

Edgar Filing: RABO INVESTMENT MANAGEMENT AG - Form SC 13D/A

Form 10-K of GKI filed with the Commission on December 1, 1992.

2. Pledge and Security agreement, dated as of August 14, 1994, by and between the Manager and GKI, on file with the Commission as Exhibit 4.7 to the Annual Report on Form 10-K of GKI for the year ended May 31, 2001 (the "Annual Report") filed with the Commission on August 29, 2001.
3. Definitive Form of 1% Convertible Debentures due August 14, 2002, on file with the Commission as Exhibit 4.8 of Amendment No. 1 to the Annual Report filed with the Commission on September 28, 2001.
