1. For MORGAN STANLEY MUNICIPAL INCOME OPPORTUNITIES TRUST II, to elect one Trustee to serve until the year 2007 Annual Meeting, two Trustees to serve until the year 2008 Annual Meeting and four Trustees to serve until the year 2009 Annual Meeting of the Fund, or until their successors shall have been elected and qualified; and for MORGAN STANLEY INSURED MUNICIPAL SECURITIES and MORGAN STANLEY INSURED CALIFORNIA MUNICIPAL SECURITIES, to elect two Trustees to serve until the year 2007 Annual Meeting, one Trustee to serve until the year 2008 Annual Meeting and five Trustees to serve until the year 2009 Annual Meeting of each Fund, or in each case, until their successors shall have been elected and qualified.
2. To transact such other business as may properly come before the Meetings or any adjournments thereof.

Shareholders of record of each Fund as of the close of business on April 26, 2006 are entitled to notice of and to vote at the Meeting. If you cannot be present in person, your management would greatly appreciate your filling in, signing and returning the enclosed proxy promptly in the envelope provided for that purpose. Alternatively, if you are eligible to vote telephonically by touchtone telephone or electronically on the Internet (as discussed in the enclosed Joint Proxy Statement) you may do so in lieu of attending the Meetings in person.

In the event that the necessary quorum to transact business or the vote required to approve or reject any proposal is not obtained at the Meeting of any Fund, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the applicable Fund's shares present in person or by proxy at the Meeting. The persons named as proxies will vote in favor of such adjournment those proxies which have been received by the date of the Meetings.

JOINT PROXY STATEMENT

Annual Meetings of Shareholders
June 20, 2006

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Boards of Trustees (the "Board(s)") of MORGAN STANLEY MUNICIPAL INCOME OPPORTUNITIES TRUST II ("OIB"), MORGAN STANLEY INSURED MUNICIPAL SECURITIES ("IMS") and MORGAN STANLEY INSURED CALIFORNIA MUNICIPAL SECURITIES ("ICS") (individually, a "Fund" and, collectively, the "Funds") for use at the Annual Meetings of Shareholders of the Funds to be held jointly on June 20, 2006 (the "Meeting(s)"), and at any adjournments thereof. The first mailing of this Joint Proxy Statement is expected to be made on or about May 24, 2006.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Meetings, the proxies named therein will vote the shares ("Shares") represented by the proxy in accordance with the instructions marked thereon. Unmarked proxies submitted by shareholders of a Fund ("Shareholders") will be voted for each of the nominees for election as Trustee to be elected by Shareholders of that Fund, with respect to that Fund set forth in the attached Notice of Annual Meetings of Shareholders. A proxy may be revoked at any time prior to its exercise by any of the following: written notice of revocation to the Secretary of the Funds, execution and delivery of a later dated proxy to the Secretary of the Funds (whether by mail or, as discussed below, by touchtone telephone or the Internet) (if returned and received in time to be voted), or attendance and voting at the Meetings. Attendance at the Meetings will not in and of itself revoke a proxy.

Shareholders of record of each Fund as of the close of business on April 26, 2006, the record date for the determination of Shareholders entitled to notice of and to vote at the Meetings (the "Record Date"), are entitled to one vote for each share held and a fractional vote for a fractional share. On the Record Date, there were 16,273,291 shares of beneficial interest of OIB, 6,823,291 shares of beneficial interest of IMS and 3,535,375 shares of beneficial interest of ICS outstanding, all with \$0.01 par value. No person was known to own as much as 5% of the outstanding shares of any of the Funds on that date. The percentage ownership of shares of each Fund changes from time to time depending on purchases and sales by Shareholders and the total number of shares outstanding.

The cost of soliciting proxies for the Meeting of each Fund, consisting principally of printing and mailing expenses, will be borne by each respective Fund. The solicitation of proxies will be by mail, which may be supplemented by solicitation by mail, telephone or otherwise through Trustees, officers of the Funds, or officers and regular employees of Morgan Stanley Investment Advisors Inc. ("Morgan Stanley Investment Advisors" or the "Investment Adviser"), Morgan Stanley Trust ("Transfer Agent"), Morgan Stanley Services Company Inc. ("Morgan Stanley Services" or the "Administrator") and/or Morgan Stanley DW Inc. ("Morgan Stanley DW"), without special compensation therefor. In

addition, each Fund may employ Computershare Fund Services, Inc. ("Computershare") to make telephone calls to Shareholders to remind them to vote. The Fund may also employ Computershare as proxy solicitor if it appears that the required number of votes to achieve a quorum will not be received. In the event of a

1

solicitation by Computershare, each Fund would pay the solicitor a project management fee not to exceed \$3,000 and the expenses outlined below.

Shareholders will be able to vote their shares by touchtone telephone or by Internet by following the instructions on the proxy card or on the Voting Information Card accompanying this Joint Proxy Statement. To vote by touchtone telephone or by Internet, Shareholders can access the website or call the toll-free number listed on the proxy card or noted in the enclosed voting instructions. To vote by touchtone telephone or by Internet, Shareholders will need the number that appears on the proxy card in the shaded box.

In certain instances, the Transfer Agent or Computershare may call Shareholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Shareholders' identities, to allow Shareholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. No recommendation will be made as to how a Shareholder should vote on any proposal other than to refer to the recommendations of the Board. The Funds have been advised by counsel that these procedures are consistent with the requirements of applicable law. Shareholders voting by telephone in this manner will be asked identifying information and will be given an opportunity to authorize proxies to vote their shares in accordance with their instructions. To ensure that the Shareholders' instructions have been recorded correctly, they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Shareholder's vote may be taken by telephone, each Shareholder will receive a copy of this Joint Proxy Statement and may vote by mail using the enclosed proxy card or by touchtone telephone or the Internet as set forth above. The last proxy vote received in time to be voted, whether by proxy card, touchtone telephone or Internet, will be the vote that is counted and will revoke all previous votes by the Shareholder. With respect to reminder calls by Computershare, expenses would be approximately \$1.00 per outbound telephone contact. With respect to the solicitation of a telephonic vote by Computershare, approximate additional expenses range between \$3.75 and \$6.00 per telephone vote transacted, \$2.75 and \$3.25 per outbound or inbound telephone contact and costs relating to obtaining Shareholders' telephone numbers, and providing additional materials upon Shareholder request, which would be borne by each respective Fund.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund and, because Shareholders may own shares of more than one Fund, to potentially avoid burdening Shareholders with more than one proxy statement. Shares of a Fund are entitled to one vote each at the respective Fund's Meeting. To the extent information relating to common ownership is available to the Funds, a Shareholder that owns record shares in two or more of the Funds will receive a package containing a Joint Proxy Statement and proxy cards for the Funds in which such Shareholder is a record owner. If the information relating to common ownership is not available to the Funds, a Shareholder that beneficially owns shares in two or more Funds may receive two or more packages each containing a Joint Proxy Statement and a proxy card for each Fund in which such Shareholder is a beneficial owner. If the proposed election of Trustees is approved by Shareholders of one Fund and disapproved by Shareholders of other Funds, the proposal will be implemented for the Fund that approved the proposal and will not be implemented for any Fund that did not approve

the proposal. Thus, it is essential that Shareholders complete, date, sign and return each enclosed proxy card or vote by touchtone telephone or Internet as indicated in each Fund's proxy card.

Only one copy of this Joint Proxy Statement will be delivered to multiple Shareholders sharing an address unless we have received contrary instructions from one or more of the Shareholders. Upon

2

written or oral request, we will deliver a separate copy of this Joint Proxy Statement to a Shareholder at a shared address to which a single copy of this Joint Proxy Statement was delivered. Should any Shareholder wish to receive a separate proxy statement or should Shareholders sharing an address wish to receive a single proxy statement in the future, please contact (800) 869-NEWS (toll-free).

(1) ELECTION OF TRUSTEES FOR EACH FUND

The number of Trustees of each Fund has been fixed by the Trustees, pursuant to each Fund's Declaration of Trust, at thirteen. There are presently nine Trustees for each Fund and four new Trustee nominees for each Fund standing for election at the Meetings. At the Meetings, the following nominees are to be elected to each Fund's Board of Trustees to serve for the following terms, in accordance with each Fund's Declaration of Trust, as set forth below:

OIB —
Until the year 2007 Annual Meeting
Kathleen A. Dennis

Until the year 2008 Annual Meeting
Michael F. Klein
W. Allen Reed
Until the year 2009 Annual Meeting
Frank L. Bowman
Michael Bozic
Charles A. Fiumefreddo
James F. Higgins

IMS, ICS —
Until the year 2007 Annual Meeting
Michael F. Klein
W. Allen Reed
Until the 2008 Annual Meeting
Frank L. Bowman

Until the year 2009 Annual Meeting
Kathleen A. Dennis
Wayne E. Hedien
Manuel H. Johnson
Joseph J. Kearns
Fergus Reid

Seven of the current nine Trustees (Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Manuel H. Johnson, Joseph J. Kearns, Michael E. Nugent and Fergus Reid) are "Independent Trustees," that is, Trustees who are not "interested persons" of the Funds, as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act"). The other two current Trustees, Charles A. Fiumefreddo and James F. Higgins, are "Interested Trustees," that is, Trustees who are "interested persons" (as that term is defined in the 1940 Act) of the Funds and Morgan Stanley Investment Advisors and thus, are not Independent Trustees. The four new Trustee nominees will be considered Independent Trustees upon their election to the Board of each Fund. The nominees for election as Trustee have been proposed by the Trustees now serving, or, in the case of the nominees for positions as Independent Trustees, by the Independent Trustees now serving. All of the members of the Boards have previously been elected by the Shareholders of the Funds.

The nominees of the Board for election as Trustee of each Fund are listed below. It is the intention of the persons named in the enclosed form of proxy, unless instructed by proxy to withhold authority to vote for the nominees, to vote all validly executed proxies for the election of these nominees: for OIB — Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Charles A. Fiumefreddo, James F. Higgins, Michael F. Klein and W. Allen Reed; for IMS and ICS — Frank L. Bowman, Kathleen A. Dennis, Wayne E. Hedien, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, W. Allen Reed and Fergus Reid. Should any of the nominees become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such person as the Boards may recommend

3

or, in the case of an Independent Trustee nominee, as the Independent Trustees of each Fund may recommend. All of the nominees have consented to being named in this Joint Proxy Statement and to serve if elected. The Funds know of no reason why any of the said nominees would be unable or unwilling to accept nomination or election. With respect to each Fund, the election of the nominees listed above to be elected by all Shareholders requires the approval of a majority of the shares of the Fund represented and entitled to vote at the Meeting.

Pursuant to the provisions of the Declaration of Trust of each Fund, in certain cases as amended, the Trustees are divided into three separate classes, each class having a term of three years. The term of office of one of each of the three classes will expire each year.

The Board of each Fund previously determined that any nominee for election as Trustee for each Fund will stand for election as Trustee and serve as Trustee in one of the three classes of Trustees as follows: Class I—Messrs. Bowman, Bozic, Fiumefreddo and Higgins; Class II—Ms. Dennis and Messrs. Hedien, Johnson, Kearns and Reid; and Class III—Messrs. Garn, Klein, Nugent and Reed. Each nominee will, if elected, serve a term of up to approximately three years running for the period assigned to that class and terminating at the date of the Annual Meeting of Shareholders so designated by the Boards, or any adjournments thereof. As a consequence of this method of election, the replacement of a majority of each of the Boards could be delayed for up to two years. In accordance with the above, the four Trustees in Class I, one Trustee in Class II and two Trustees in Class III for OIB and, one Trustee in Class I, the five Trustees in Class II and two Trustees in Class III for IMS and ICS are standing for election and will, if elected, serve until the Annual Meetings for each Fund as set forth above, or, in each case, until their successors shall have been elected and qualified.

The Board of each Fund currently consists of nine trustees. These same individuals also serve as trustees for all of the funds advised by the Investment Adviser (the "Retail Funds") and certain of the funds advised by Morgan Stanley Investment Management Inc. and Morgan Stanley AIP GP LP (the "Institutional Funds"). The table below sets forth the following information as of December 31, 2005, regarding the nominees for election as Trustee, and each of the other Trustees (both the Independent Trustees and the Interested Trustees), as well as the executive officers of the Funds, their age, address, term of office and length of time served, their principal business occupations during the past five years, the number of portfolios in the Fund Complex (defined below) overseen by each Trustee or nominee Trustee, and other directorships, if any, held by the Trustees. The Fund Complex includes all open-end and closed-end funds (including all of their portfolios) advised by the Investment Adviser and any funds that have an investment adviser that is an affiliated person of the Investment Adviser (including, but not limited to, Morgan Stanley Investment Management Inc.).

9

As to each Independent Trustee and his immediate family members, no person owned beneficially or of record securities in an investment adviser or principal underwriter of the Funds, or a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with an investment adviser or principal underwriter of the Funds.

The Independent Trustees and the Committees

Law and regulation establish both general guidelines and specific duties for the Independent Trustees. Seven Trustees have no affiliation or business connection with Morgan Stanley Investment Advisors Inc. or any of its affiliated persons and do not own stock or other securities issued by Morgan Stanley Investment Advisors' parent company, Morgan Stanley. These are the "disinterested" or "independent" Trustees. The Retail Funds seek as Independent Trustees individuals of distinction and experience in business and finance, government service or academia; these are people whose advice and counsel are in demand by others and for whom there is often competition. To accept a position on the Retail Funds' Boards, such individuals may reject other attractive assignments because the Retail Funds make substantial demands on their time. All of the Independent Trustees serve as members of the Audit Committee. In addition, three Trustees, including two Independent Trustees, serve as members of the Insurance Committee, and three Independent Trustees serve as members of the Governance Committee.

The Independent Trustees are charged with recommending to the full Board approval of management, advisory and administration contracts, and distribution and underwriting agreements; continually reviewing Fund performance; checking on the pricing of portfolio securities, brokerage commissions, transfer agent costs and performance, and trading among funds in the same complex; and approving fidelity bond and related insurance coverage and allocations, as well as other matters that arise from time to time.

The Board of Trustees of each Fund has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee is charged with recommending to the full Board the engagement or discharge of the Funds' independent registered public accounting firm; directing investigations into matters within the scope of the independent registered public accounting firm's duties, including the power to retain outside specialists; reviewing with the independent registered public accounting firm the audit plan and results of the auditing engagement; approving professional services provided by the independent registered public accounting firm and other accounting firms prior to the performance of such services; reviewing the independence of the independent registered public accounting firm; considering the range of audit and non-audit fees; reviewing the adequacy of each Fund's system of internal controls; and preparing and submitting Committee meeting minutes to the full Board.

The members of the Audit Committee of each Fund are currently Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Dr. Manuel H. Johnson, Joseph J. Kearns, Michael E. Nugent and Fergus Reid. None of the members of the Funds' Audit Committees is an "interested person," as defined under the 1940 Act, of any of the Funds (with such disinterested Trustees being "Independent Trustees" or individually, "Independent Trustee"). Each Independent Trustee is also "independent" from each Fund under the listing standards of the New York Stock Exchange, Inc. (NYSE). The current Chairman of the Audit Committee of each of the Funds is Dr. Manuel H. Johnson. The current Deputy Chairman of the Audit Committee of each of the Funds is Joseph J. Kearns. The Board of Trustees for each Fund has adopted a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the Audit Committee Charter is attached to this Joint Proxy Statement as Appendix A.

The Board of Trustees of each Fund also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Trustees on each Fund's Board and on committees

10

of such Board and recommends such qualified individuals for nomination by the Fund's Independent Trustees as candidates for election as Independent Trustees, advises each Fund's Board with respect to Board composition, procedures and committees, develops and recommends to each Fund's Board a set of corporate governance principles applicable to the Funds, monitors and makes recommendations on corporate governance matters and policies and procedures of the Fund's Board of Trustees and any Board committees and oversees periodic evaluations of the Fund's Board and its committees. The members of the Governance Committee of each Fund are currently Michael Bozic, Edwin J. Garn and Fergus Reid, each of whom is an Independent Trustee. The current Chairman of the Governance Committee is Fergus Reid. The Board of Trustees for each Fund has adopted a formal written charter for the Governance Committee which sets forth the Governance Committee's responsibilities. A copy of the Governance Committee Charter is attached to this Joint Proxy Statement as Appendix B.

The Funds do not have a separate nominating committee. While each Fund's Governance Committee recommends qualified candidates for nominations as Independent Trustees, the Board of Trustees of each Fund believes that the task of nominating prospective Independent Trustees is important enough to require the participation of all current Independent Trustees, rather than a separate committee consisting of only certain Independent Trustees. Accordingly, each current Independent Trustee (Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Dr. Manuel H. Johnson, Joseph J. Kearns, Michael E. Nugent and Fergus Reid) for all Funds participates in the election and nomination of candidates for election as Independent Trustees for the respective Funds for which the Independent Trustee serves. Persons recommended by each Fund's Governance Committee as candidates for nomination as Independent Trustees shall possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and

direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Trustees of each of the Funds expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Fund's Board as they deem appropriate, they will consider nominations from shareholders to the Board. Nominations from shareholders should be in writing and sent to the Independent Trustees as described below under "Shareholder Communications."

Finally, the Boards have formed an Insurance Committee to review and monitor the insurance coverage maintained by the Funds. The Insurance Committee currently consists of Messrs. Nugent, Fiumefreddo and Hedien. Messrs. Nugent and Hedien are Independent Trustees. The current Chairman of the Insurance Committee is Mr. Michael E. Nugent.

The following chart sets forth the number of meetings of the Board, the Independent Trustees, the Audit Committee, the Insurance Committee and the Governance Committee of each Fund during its most recent fiscal year. For the 2005 fiscal year, each Trustee attended at least seventy-five percent of the aggregate number of meetings of the Board and any committee on which he served held during the time such Trustee was a member of the Board.

For annual shareholder meetings, Trustees may but are not required to attend the meetings; and for each Fund's last annual shareholder meeting, no Trustees attended the meeting.

Advantages of Having Same Individuals as Independent Trustees for the Retail Funds and Institutional Funds

The Independent Trustees and the Funds' management believe that having the same Independent Trustees for each of the Retail Funds and Institutional Funds avoids the duplication of effort that would arise from having different groups of individuals serving as Independent Trustees for each of the funds or even of sub-groups of funds. They believe that having the same individuals serve as Independent Trustees of all the Retail Funds and Institutional Funds tends to increase their knowledge and expertise regarding matters which affect the Fund Complex generally and enhances their ability to negotiate on behalf of each fund with the fund's service providers. This arrangement also precludes the possibility of separate groups of Independent Trustees arriving at conflicting decisions regarding operations and management of the funds and avoids the cost and confusion that would likely ensue. Finally, having the same Independent Trustees serve on all fund boards enhances the ability of each fund to obtain, at modest cost to each separate fund, the services of Independent Trustees of the caliber, experience and business acumen of the individuals who serve as Independent Trustees of the Retail Funds and Institutional Funds.

Shareholder Communications

Shareholders may send communications to each Fund's Board of Trustees. Shareholders should send communications intended for each Fund's Board by addressing the communications directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each trustee previously noted. Other shareholder communications received by a Fund not directly addressed and sent to the Fund's Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Share Ownership by Trustees

The Trustees have adopted a policy pursuant to which each Trustee and/or his or her spouse is required to invest at least \$100,000 in any of the funds in the Morgan Stanley Retail and Institutional Funds on whose boards the Trustee serves. In addition, the policy contemplates that the Trustees will, over time, increase their aggregate investment in the funds above the \$100,000 minimum requirement. The Trustees may allocate their investments among specific funds in any manner they determine is appropriate based on their individual investment objectives. Any new Trustee will be given a one year period following his or her election within which to comply with the foregoing. As of the date of this Joint Proxy Statement, each Trustee is in compliance with the policy. As of March 31, 2006, the total value of the investments by the Trustees and/or their spouses in shares of the Morgan Stanley Retail Funds and Institutional Funds was approximately \$31.1 million. This amount includes compensation deferred by the Trustee at his election pursuant to a deferred compensation plan. Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the Retail Funds or Institutional Funds (or portfolio thereof) that are offered as investment options under the plan.

As of the Record Date for these Meetings, the aggregate number of shares of each Fund owned by the respective Fund's officers and Trustees as a group was less than one percent of each Fund's outstanding shares.

12

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that each Fund's executive officers and Trustees, and beneficial owners of more than 10% of its shares, make certain filings on a timely basis under Section 16(a) of the Exchange Act. Based solely on each Fund's review of copies of such reports of ownership furnished to the Funds, the Funds believe that during the past fiscal year all of its officers, Trustees and greater than 10% beneficial holders complied with all applicable filing requirements.

Compensation of Independent Trustees

Each Independent Trustee receives an annual fee of \$180,000 for serving the Retail Funds and Institutional Funds. Prior to October 1, 2005, each Independent Trustee received an annual retainer fee of \$168,000 for serving the Retail Funds and the Institutional Funds. In addition, each Independent Trustee received \$2,000 for attending each of the four quarterly board meetings and two performance meetings that occur each year, so that an Independent Trustee who attended all six meetings received total compensation of \$180,000 for serving the funds.

The Chairman of the Audit Committee receives an additional annual retainer fee of \$60,000. Other Committee Chairmen and the Deputy Chairman of the Audit Committee receive an additional annual retainer fee of \$30,000. The aggregate compensation paid to each Independent Trustee is paid by the Retail Funds and Institutional Funds, and is allocated on a pro rata basis among each of the operational funds/portfolios of the Retail Funds and Institutional Funds based on the relative net assets of each of the funds/portfolios. Mr. Fiumefreddo receives an annual fee from the Retail Funds and the Institutional Funds for his services as Chairman of the Boards of the Retail Funds and the Institutional Funds and for administrative services provided to each Board.

The Funds also reimburse such Trustees for travel and other out-of-pocket expenses incurred by them in connection with attending such meetings. Trustees and officers of the Funds who are or have been employed by the Investment Adviser or an affiliated company receive no compensation or expense reimbursement from the Funds for their services as Trustee.

Effective April 1, 2004, the Funds began a Deferred Compensation Plan (the "DC Plan"), which allows each Independent Trustee to defer payment of all, or a portion, of the fees he or she receives for serving on the Boards of Trustees throughout the year. Each eligible Trustee generally may elect to have the deferred amounts credited with a return equal to the total return on one or more of the Retail Funds or Institutional Funds (or portfolios thereof) that are offered as investment options under the DC Plan. At the Trustee's election, distributions are either in one lump sum payment, or in the form of equal annual installments over a period of five years. The rights of an eligible Trustee and the beneficiaries to the amounts held under the DC Plan are unsecured and such amounts are subject to the claims of the creditors of the Funds.

Prior to April 1, 2004, the Institutional Funds maintained a similar Deferred Compensation Plan (the "Prior DC Plan") which also allowed each Independent Trustee to defer payment of all, or a portion, of the fees he or she received for serving on the Boards of Trustees throughout the year. The DC Plan amends and supersedes the Prior DC Plan and all amounts payable under the Prior DC Plan are now subject to the terms of the DC Plan (except for amounts paid during the calendar year 2004 which remain subject to the terms of the Prior DC Plan).

The following table shows aggregate compensation payable to each Fund's Trustees from each Fund for the fiscal year ended February 28, 2006 (OIB) and October 31, 2005 (IMS and ICS) and the aggregate compensation payable to each of the Fund's Trustees by the Fund Complex (which includes all of the Retail and Institutional Funds) for the calendar year ended December 31, 2005.

Prior to December 31, 2003, 49 of the Retail Funds (the "Adopting Funds"), including OIB and IMS, had adopted a retirement program under which an Independent Trustee who retired after serving for at least five years as an Independent Trustee of any such fund (an "Eligible Trustee") would have been entitled to retirement payments based on factors such as length of service, upon reaching the eligible retirement age. On December 31, 2003, the amount of accrued retirement benefits for each Eligible Director was frozen, and will be payable, together with a return of 8% per annum, at or following each such Eligible Trustee's retirement as shown in the table below.

The following table illustrates the retirement benefits accrued to the Funds' Independent Trustees, by OIB and IMS for their last fiscal year and the Adopting Funds for the calendar year ended December 31, 2005, and the estimated retirement benefits for the Independent Trustees, from OIB and IMS for their last fiscal year and from the Adopting Funds for each calendar year following retirement. The Board of Trustees of each Fund unanimously recommends that Shareholders vote FOR the election of each of the Trustees nominated for election.

At a meeting held on February 6, 2006 (OIB) and a meeting held on October 27, 2005 (IMS and ICS), the Board of Trustees of each Fund, including a majority of the Trustees who are not "interested persons" of the Fund, as defined under the 1940 Act, acting on the recommendation of the Audit Committee of each Fund, selected Deloitte & Touche LLP to act as the independent registered public accounting firm for each Fund for the fiscal year ended February 28, 2007 (OIB) and October 31, 2006 (IMS and ICS).

The Audit Committee of each Fund has reviewed and discussed the financial statements of each Fund with management as well as with Deloitte & Touche LLP, the independent registered public accounting firm for each Fund. In the course of its discussions, the Audit Committee also discussed with Deloitte & Touche LLP any relevant matters required to be discussed under the Statement on Auditing Standards No. 61. Based on this review, the Audit Committee recommended to the Board of Trustees of each Fund that each Fund's audited financial statements be included in each Fund's Annual Report to Shareholders for the most recent fiscal year for filing with the Securities and Exchange Commission. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required under Independence Standards Board No. 1 and has discussed with the independent registered public accounting firm their independence.

Audit Committee Pre-Approval

Each Fund's Audit Committee's policy is to review and pre-approve all auditing and non-auditing services to be provided to the Fund by the Fund's independent auditors. The Audit Committee Audit and Non-Audit Pre-Approval Policy and Procedures requires each Fund's Audit Committee to either generally pre-approve certain services without consideration of specific case-by-case services, or requires the specific pre-approval of services by the Audit Committee or its delegate. Under the Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent auditors. All of the audit, audit-related and the tax services described above for which Deloitte & Touche LLP billed each of the Funds' fees for the fiscal year ended October 31, 2005 for IMS and ICS and for the fiscal year ended February 28, 2006 for OIB were pre-approved by each Fund's Audit Committee.

The Audit Committee of each Fund has considered whether the provision of non-audit services and the provision of services to affiliates of the Investment Adviser is compatible with maintaining the independence of Deloitte & Touche LLP.

The Board of Directors/Trustees (the "Board") of each fund advised or managed by Morgan Stanley Investment Advisors Inc. or Morgan Stanley Services Company Inc. AS ADOPTED ON JULY 31, 2003
AND AS AMENDED ON
APRIL 22, 2004

B-1

1. MISSION STATEMENT

The Governance Committee (the “Governance Committee”) is a committee of the Board of Trustees/Directors (referred to herein as the “Trustees” and collectively as the “Board”) of each Fund listed in the attached Exhibit A. The purpose of the Governance Committee is to: (1) evaluate the suitability of potential candidates for election to the Board and recommend candidates for nomination by the Independent Trustees (as defined below); (2) develop and recommend to the Board a set of corporate governance principles applicable to the Fund, monitor corporate governance matters and make recommendations to the Board and act as the administrative committee with respect to Board policies and procedures, and committee policies and procedures; and (3) oversee periodic evaluations of the Board and any committees of the Board.

2. COMPOSITION

The Governance Committee shall be comprised of three or more Trustees of the Board. Governance Committee members shall be designated by the full Board, and the manner of selection of the Governance Committee chair shall also be designated by the full Board.

Each member of the Governance Committee shall be an independent director or trustee. A person shall be considered to be independent if he or she: (a) is independent as defined in New York Stock Exchange Listed Company Standard 303.01 (2) and (3); (b) is a “disinterested person” as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended; and (c) does not accept, directly or indirectly, any consulting, advisory or other compensatory fee from any of the Funds or their investment advisor or any affiliated person of the advisor, other than fees from the Funds for serving as a member of the Funds’ Boards or Committees of the Boards. Such independent directors or trustees are referred to herein as the “Independent Trustees.”

3. MEETING OF THE GOVERNANCE COMMITTEE

The Governance Committee shall fix its own rules of procedure, which shall be consistent with the Fund’s organizational documents and this Governance Committee Charter. The Governance Committee shall meet at such times as may be determined as appropriate by the Committee. The Governance Committee, in its discretion, may ask Trustees, members of management or others, whose advice and counsel are sought by the Governance Committee, to attend its meetings (or portions thereof) and to provide such pertinent information as the Governance Committee requests.

The Governance Committee shall cause to be maintained minutes of all meetings and records to those meetings and provide copies of such minutes to the Board and the Fund.

4. AUTHORITY

The Governance Committee shall have the authority to carry out its duties and responsibilities as set forth in this Governance Committee Charter.

¹This Joint Governance Committee Charter has been adopted by each Fund. Solely for the sake of clarity and simplicity, this Joint Governance Committee Charter has been drafted as if there is a single Fund, a single Governance Committee and a single Board. The terms “Governance Committee,” “Trustees” and “Board” mean the Governance Committee, Trustees and the Board of each Fund, respectively, unless the context otherwise requires. The Governance Committee, Trustees and the Board of each Fund, however, shall act separately and in the best interests of its respective Fund.

5. GOALS, DUTIES AND RESPONSIBILITIES OF THE GOVERNANCE COMMITTEE

In carrying out its duties and responsibilities, the Governance Committee's policies and procedures will remain flexible, so that it may be in a position to react or respond to changing circumstances or conditions. The following are the duties and responsibilities of the Governance Committee:

Persons recommended by the Governance Committee shall possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the New York Stock Exchange ("NYSE") as applicable to the Fund; and
- iii. review the suitability for continued service as a trustee/director of each Independent Trustee when his or her term expires and at such other times as the Governance Committee deems necessary or appropriate, and to recommend whether or not the Independent Trustee should be re-nominated by the Independent Trustees.

b. Corporate Governance

The Governance Committee shall have the following goals and principles with respect to Board corporate governance:

- i. monitor corporate governance principles for the Fund, which shall be consistent with any applicable laws, regulations and listing standards, considering, but not limited to, the following:

 - (2) trustee/director duties and responsibilities;
 - (3) trustee/director access to management, and, as necessary and appropriate, independent advisers; and
 - (4) trustee/director orientation and continuing education;
- ii. review periodically the corporate governance principles adopted by the Board to assure that they are appropriate for the Fund and comply with the requirements of SOX, the 1940 Act and the NYSE, and to recommend any desirable changes to the Board;

B-3

iii.

consider other corporate governance issues that arise from time to time, and to develop appropriate recommendations for the Board; and

c. Periodic Evaluations

The Governance Committee shall be responsible for overseeing the evaluation of the Board as a whole and each Committee. The Governance Committee shall establish procedures to allow it to exercise this oversight function.

In conducting this review, the Governance Committee shall evaluate whether the Board appropriately addresses the matters that are or should be within its scope pursuant to the set of corporate governance principles adopted by the Governance Committee. The Governance Committee shall address matters that the Governance Committee considers relevant to the Board's performance, including at least the following: the adequacy, appropriateness and quality of the information and recommendations presented by management of the Fund to the Board, and whether the number and length of meetings of the Board were adequate for the Board to complete its work in a thorough and thoughtful manner.

The Governance Committee shall report to the Board on the results of its evaluation, including any recommended changes to the principles of corporate governance, and any recommended changes to the Fund's or the Board's or a Committee's policies or procedures. This report may be written or oral.

6. EVALUATION OF THE GOVERNANCE COMMITTEE

The Governance Committee shall, on an annual basis, evaluate its performance under this Joint Governance Committee Charter. In conducting this review, the Governance Committee shall evaluate whether this Joint Governance Committee Charter appropriately addresses the matters that are or should be within its scope. The Governance Committee shall address matters that the Governance Committee considers relevant to its performance, including at least the following: the adequacy, appropriateness and quality of the information and recommendations presented by the Governance Committee to the Board, and whether the number and length of meetings of the Governance Committee were adequate for the Governance Committee to complete its work in a thorough and thoughtful manner.

The Governance Committee shall report to the Board on the results of its evaluation, including any recommended amendments to this Joint Governance Committee Charter, and any recommended changes to the Fund's or the Board's policies or procedures. This report may be written or oral.
