INFORMATION TO BE INCLUDED IN THE REPORT

Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On September 8, 2004, the Registrant's subsidiary, Altama Delta Corporation, entered into an amendment (the Amendment) to its award/contract with the Defense Supply Center Philadelphia (DSCP), dated September 30, 2003, which provides for the supply of combat boots to the DSCP. The award/contract provides for a one-year term expiring on September 30, 2004. The DSCP has the option to renew for two additional one-year terms.

The Amendment reduced the minimum quantities of two types of combat boots that the DSCP would order under the first option term of the award/contract. Specifically, it reduced minimum quantities of hot weather black boots from 116,640 pair to 58,230 pair and hot weather desert tan boots from 160,000 pair to 80,000 pair. Although the award/contract and Amendment provide for minimum and maximum quantities of boots that the government may order during the renewal terms, the DSCP has the right to change the minimum/maximum quantity per item as demand dictates. As a result, there can be no assurance of the ultimate number of combat boots that the DSCP will purchase under any extension.
