ITEM 8.01 OTHER EVENTS

On May 12, 2005, Brightpoint Inc.'s (the "Company") Chief Financial Officer, Frank Terence, entered into a Sales Plan with a brokerage firm under Securities Exchange Act Rule 10b5-1. Such plans allow a corporate insider to gradually diversify holdings of his company's common stock while minimizing any market effects of such trades by spreading them out over an extended period of time and eliminating any market concern that such trades were made by a person while in possession of material nonpublic information. Consistent with Rule 10b5-1, the Company's guidelines permit personnel to implement 10b5-1 trading plans provided that, among other things, they are not in possession of any material nonpublic information at the time that they adopt such plans.

Pursuant to the 10b5-1 plan entered into by Mr. Terence, up to 128,570 shares of the Company's common stock may be traded upon exercise of his vested stock options contributed to his 10b5-1 plan. All sales under the 10b5-1 plan are subject to the terms and conditions thereof, including predetermined minimum price conditions, and a maximum number of shares that can be sold per month. The 10b5-1 plan has a term of two years.

In addition, on May 5, 2005, J. Mark Howell, the Company's President, and Steven E. Fivel, the Company's Executive Vice President and General Counsel, each terminated his previously announced 10b5-1 Sales Plan. These Sales Plans, which were both entered into on March 3, 2005, were previously described in the Company's Form 8-K filed on March 4, 2005.
