

Edgar Filing: EQUITY LIFESTYLE PROPERTIES INC - Form 8-K

31, 2005, ELS held properties for sale and in compliance with SFAS 144 has reported revenue, expenses and net gains from the sale of these properties and provisions for loss on assets held for sale as discontinued operations for each period presented (including the comparable periods of the prior year). Under Securities and Exchange Commission ("SEC") requirements, the same reclassification as discontinued operations required by SFAS 144 following the sale of a property or a property designated as held for sale is required for previously issued annual financial statements for each of the three years shown in ELS' last annual report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the date of the sale. This reclassification has no effect on ELS' reported net income available to common shareholders or funds from operations.

This Report on Form 8-K updates Items 6, 7 and 8 of ELS' 2004 Form 10-K dated March 29, 2005, as amended by Form 10-K/A dated March 31, 2005 (as so amended, the "Form 10-K"), to reflect the properties held for sale as of March 31, 2005 as discontinued operations. All other items of the Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K except to the extent expressly provided above.

This document includes certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. When used, words such as "anticipate", "expect", "believe", "intend", "may be" and "will be" and similar words or phrases, or the negative thereof, unless the context requires otherwise, are intended to identify forward-looking statements. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to: in the age-qualified communities, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial markets volatility; in the all-age communities, results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing, and competition from alternative housing options including site-built single-family housing; our ability to maintain rental rates and occupancy with respect to properties currently owned or pending acquisitions; our assumptions about rental and home sales markets; the completion of pending acquisitions and timing with respect thereto; the effect of interest rates as well as other risks indicated from time to time in our filings with the SEC. These forward-looking statements are based on management's present expectations and beliefs about future events. As with any projection or forecast, these statements are inherently susceptible to uncertainty and changes in circumstances. ELS is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements whether as a result of such changes, new information, subsequent events or otherwise.
