Dear Shareholder:

Enclosed with this letter you will find the notice of our Annual Meeting of Stockholders, which will be held at our offices in Eau Claire on October 18, 2005.

We sincerely hope that you will be able to be present to meet the management of your company, see the new products that will be displayed at the meeting, and cast your vote for the proposed amendment to the Restated Articles of Incorporation and the election of directors. If, however, you find that you are unable to attend the meeting in person, we urge that you participate by voting your stock by proxy. You may cast your vote by signing and returning the enclosed proxy card.

On March 31, 2005, we mailed you our annual report for 2004, which contained a description of our business and also included audited financial statements for that year. If you did not receive a copy of the 2004 annual report, you may do so by contacting the Secretary of the Company at 715-839-2119. Enclosed with this letter is a proxy statement which contains information regarding the annual meeting and the business to be conducted thereat.

It is with great reluctance we announce that Michael J. O Meara has decided not to stand for re-election to the Board. Mike has served as a Director for the past nine years. His keen insight and business acumen have had a significant positive impact on Board decisions during his tenure. Mike's contributions will be sorely missed by those of us who continue on the Board.

The Nominating/Corporate Governance Committee has recommended and the full Board has nominated Joseph G. Stienessen, who is a CPA and principal with Larson, Allen, Weishair and Company, LLP, a certified public accounting firm, to fill Mike's vacancy on the Board. If elected, Joe will be designated the Audit Committee financial expert, where his extensive accounting experience for business clients will prove to be a valuable asset to the Board and the Audit Committee.

We are always pleased to hear from our shareholders, and if you cannot be present in person at the meeting, we would be happy to have your letters expressing your viewpoints on our products and businesses or to answer any questions that you might have regarding your company.

/s/ MARYJO COHEN  
Chair of the Board and President

PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON OCTOBER 18, 2005**

The accompanying proxy is solicited by the Board of Directors of National Presto Industries, Inc. (the Company), for use at the Annual Meeting of Stockholders to be held at 3925 North Hastings Way, Eau Claire, Wisconsin 54703 on October 18, 2005 at 2:00 p.m. (CDT) (the Annual Meeting), and any adjournment thereof. When such proxy is properly executed and returned, the shares it represents will be voted at the meeting and at any adjournment thereof. Any stockholder giving a proxy has the power to revoke it at any time before it is voted. Presence at the meeting of a stockholder who has signed a proxy does not alone revoke that proxy; the proxy may be revoked by returning a later dated proxy, giving written notice to the Secretary of the Company, or attending the Annual Meeting and voting in person.

At the Annual Meeting stockholders will be asked:

- (1) to elect two directors for three year terms ending in 2008 and until their successors are elected,
- (2) to consider a proposal to amend Article 6 (A) of the Restated Articles of Incorporation, and
- (3) to transact such other business as may properly come before the meeting.

Only stockholders of record as of the close of business on August 10, 2005, will be entitled to vote at the Annual Meeting. The presence in person or by proxy of holders of a majority of the shares of stock entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business. Abstentions and proxies submitted by brokers who do not have authority to vote on certain matters will be considered present at the Annual Meeting for purposes of determining a quorum. The approximate date on which this proxy statement and form of proxy were first mailed to stockholders is September 2, 2005.

Directors are elected by a plurality of the votes cast, which means the individuals who receive the largest number of votes will be elected as directors up to the maximum number of directors to be chosen in the election. Therefore, shares voted as withhold authority to vote will have no effect on the election of directors.

**VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

**NOMINEES AND DIRECTORS**

Two directors are to be elected at the Annual Meeting for a term of three years. The Restated Articles of Incorporation and the Bylaws of the Company currently provide for six directors, divided into three classes of two members each. At each annual meeting, successors of the class whose term of office expires in that year are elected for a three-year term. The two nominees who receive the highest number of votes will be elected directors of the Company for the three-year term commencing at the Annual Meeting. Upon recommendation of the Nominating/Corporate Governance Committee, the Board of Directors propose as nominees Mr. James F. Bartl, Senior Vice President and Secretary of the Company, whose term expires at the meeting, and Mr. Joseph G. Stienessen, who is a CPA and principal with Larson, Allen, Weishair and Company, LLP, a midwest based regional certified public accounting firm. Each of the directors and nominees, except Mr. Bartl, Mr. Cohen, and Ms. Cohen, has been determined by the Board of Directors to qualify as an independent director as defined by the rules of the New York Stock Exchange.

Unless otherwise directed, the proxies solicited by the Board of Directors will be voted for the election as directors of the nominees named above. The Company believes that each nominee named above will be able to serve; but should any nominee be unable to serve as a director, the persons named in the proxies have advised that they will vote for the election of such substitute nominee as the Board may propose.

Proxies solicited herewith will be voted in accordance with instructions given. When specific instructions are not given, such proxies will be voted FOR the election of the above nominees.

**Table of Contents**

During 2004 there were three Board of Directors meetings. Each of the Directors attended all of the meetings of the Board of Directors and all meetings of committees on which that director served, with the exception of Mr. Cohen who missed two meetings. All Directors, with the exception of Mr. Bartl, attended the 2004 Annual Meeting. The attendance policy for members of the Board of Directors may be reviewed in the corporate governance section of the Company's web site located at [www.gopresto.com](http://www.gopresto.com). Directors of the Company, other than those who are also executive officers, currently receive annual compensation of \$25,000. This amount includes \$1,000 for each Board meeting and \$500 for each Committee meeting attended. Executive officers are not compensated for services as Board members.

The Company has Audit, Compensation, and Nominating/Corporate Governance Committees consisting of Messrs. O'Meara, Cardozo, and Quinn, each an independent director as defined by the rules of the New York Stock Exchange. The charters for each of these committees is posted on the Company's web site located at [www.gopresto.com](http://www.gopresto.com). See the Audit Committee Report for a description of the functions performed by the Audit Committee. During 2004, the Audit Committee held five meetings. The Company has not yet designated an audit committee financial expert as that term is defined in the Securities and Exchange Commission's rules and regulations. However, if Mr. Stienessen is elected as proposed, the Company intends to designate him as the Audit Committee Financial Expert. The Compensation and Nominating/Corporate Governance Committees were formed in October 2004 and had no meetings in 2004.

The Company's Board of Directors has established a process whereby shareholders may send communications to the Board of Directors, as well as to the presiding director of executive sessions attended by only non-management directors. The manner in which shareholders can send communications to the Board is set forth on the Company's web site located at [www.gopresto.com](http://www.gopresto.com) in the corporate governance section.

In identifying prospective director candidates, the Nominating/Corporate Governance Committee (herein the Nominating Committee) considers its personal contacts, recommendations from shareholders, and recommendations from business and professional sources, but does not pay a fee to any third party. The Nominating Committee's policy is to consider qualified candidates for positions on the Board recommended in writing by shareholders. Shareholders wishing to recommend candidates for Board membership should submit the recommendations in writing to the Secretary of the Company at least ninety (90) days prior to May 16, 2006, with the submitting shareholder's name and address and pertinent information about the proposed nominee similar to that set forth for the nominees named herein. When evaluating the qualifications of potential new Directors, or the continued service of existing Directors, the Nominating Committee considers a variety of criteria, including the individual's reputation for honesty and integrity; respect from leaders and the general citizenry in the community in which the individual resides; the individual's knowledge of business principles and intellectual capacity to quickly grasp and understand the intricacies of the Company's businesses; attainment of official status with a leading company, agency, educational institution, or other form of enterprise; accessibility geographically and otherwise for meetings; specialized skills or expertise; diversity of background; independence; financial expertise; freedom from conflicts of interest; ability to understand the role of a Director; and ability to fully perform the duties of a Director. While candidates recommended by shareholders will generally be considered in the same manner as any other candidate, special consideration will be given to existing Directors desiring to stand for re-election given their history of service and their knowledge of the Company, as well as the Board's knowledge of

**Table of Contents**

their level of contribution resulting from such service. Shareholders wishing to recommend for nomination or nominate a director should contact the Company's Secretary for a copy of the relevant procedure for submitting nominations and a full delineation of the criteria considered by the Nominating Committee when evaluating potential new Directors or the continued service of existing Directors.

**Audit Committee Report**

Members of the Audit Committee are independent as defined by the rules of the New York Stock Exchange and the Board of Directors has determined that no member has a relationship to the Company that may interfere with the exercise of their independence from management of the Company. It is the purpose of the Audit Committee to assist the Board of Directors in fulfilling its oversight responsibilities relating to: (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Company's internal audit function and independent auditors. Committee members have conducted an open and comprehensive dialogue with the Company's auditors regarding the 2004 year-end audited financial statements and have reviewed and discussed those statements with management.

The Audit Committee members reviewed, discussed and ratified the nature and the extent of the services to be provided by Grant Thornton LLP, including services rendered in 2004, the costs and fees for such services, and the effect of such fee arrangements on the independence of the auditors. The Committee has also discussed with the auditors matters related to SAS 61, received written disclosures from the auditors required by ISB Standard No. 1, and discussed with the auditors their independence. As a consequence of its evaluation and review, the Committee recommended to the full Board that the audited financial statements be included in the Company's annual report on Form 10-K for the 2004 calendar year based upon the aforementioned review and discussion.

**Certain Relationships and Related Transactions**

Melvin S. Cohen, Chairman Emeritus of the Company, was paid \$30,000 for consultation services in 2004. During the year, Mr. Cohen was consulted on a variety of matters based upon his executive experience and knowledge of the Company's operations. As of 2005, Mr. Cohen no longer is engaged by the Company as a paid consultant.

**Compensation Committee Interlocks and Insider Participation**

As described below in the report on executive compensation, members of the Board of Directors determined the compensation of the executive officers of the Company last year. This included the compensation of those executive officers who also serve as directors, namely, Maryjo Cohen, Chair of the Board, President, and Chief Executive Officer, and James F. Bartl, Senior Vice President and Secretary. Ms. Cohen and Mr. Bartl do not participate in any decisions regarding their own compensation.

Executive officers of the Company, including Ms. Cohen and Mr. Bartl, also serve as directors and executive officers of the Company's subsidiaries.

**Board Report on Executive Compensation**

Decisions on executive compensation are made by the Board of Directors. The Compensation Committee was formed in 2004, subsequent to the Board's establishment of 2004 compensation. Consequently, this report is from the Board of Directors. Salaries and bonus compensation are reviewed annually at or near the end of the Company's fiscal year.

Historically the Company has maintained salaries at a level that is considered to be below salaries for executives of comparable companies. This provides a more conservative approach to base compensation if the Company experiences significant adverse operating results that the Board of Directors, in cooperation with the Compensation Committee, believes should result in a reduction in total compensation. Salaries historically have been supplemented by amounts characterized as bonus compensation, which is paid in cash as described in the above Summary Compensation Table. The Board and Compensation Committee consider, however, salaries and bonuses together to determine if total compensation, irrespective of how characterized, is reasonably related to the services

**Table of Contents**

provided. As of January 1, 2005, the amount characterized as bonus compensation was consolidated into the salary payments.

The Company has not relied upon stock incentives as a principal part of its compensation program for its executives. However, the Company has made available stock purchase arrangements for executive officers. The last such arrangement for any of the executive officers named in the foregoing table was in 1997.

The Board believes that the total salary and bonus compensation paid to its executives is appropriate in relationship to the size and nature of the Company's business, total compensation of other executives of similar businesses, the longevity of such officers' service with the Company, the limited number of senior executives employed by the Company, and the results that have been achieved by its management group (the amounts previously characterized as bonus compensation have not been based upon a percentage or other formula utilizing revenues, income, or other financial data or measures of Company performance as predicates). As of this time, no compensation or other consultant has been retained by the Board or the Compensation Committee to evaluate executive compensation. Consideration is given, however, to data generally made available on executive compensation by such organizations.

The Company had been utilizing the salary and discretionary bonus approach described above for more than 25 years. Because of their substantial stock ownership, the interests of Ms. Cohen, the Company's senior officer, and Mr. Cohen, Chairman Emeritus, are substantially related to the interests of all stockholders. Mr. Bartl also has material stock interests in relation to his compensation level.

The basis for the compensation of Ms. Cohen as Chair of the Board, President and Chief Executive Officer is determined in the same manner as the compensation for the other executive officers. In establishing Ms. Cohen's compensation, consideration was given to her demonstrated competence over many years, the scope of responsibilities assumed, and her expertise in a variety of significant niches within the business. No specific weight was assigned to any of these factors and, as in the case of other executives, no formula was utilized for determining bonus compensation.

Section 162(m) of the Internal Revenue Code imposes an annual deduction limitation of \$1.0 million on the compensation of certain executive officers of publicly held companies. The Board of Directors and Compensation Committee do not believe that the Section 162(m) limitation will materially affect the Company in the near future based on the level of the compensation of the executive officers. If the limitation would otherwise apply, the Board of Directors in cooperation with the Compensation Committee could defer payment of a portion of the bonus to remain under the \$1.0 million annual deduction limitation.

**AMENDMENT OF RESTATED ARTICLES OF INCORPORATION**

**Proposed Amendment**

Management seeks approval by the stockholders of an Amendment to Article 6 (A) of the Restated Articles of Incorporation whereby the number of directors will be reduced from six to five and the number of directors in one class will be reduced to one. Immediately following the Annual Meeting, Melvin S. Cohen will resign as a director resulting in a total of five directors, three of whom will be outside, independent directors as required by the New York Stock Exchange Corporate Governance Standards. In conjunction with and because of this change stockholders will also be requested to amend the language in Article 6 (A) regarding the current classified board, whereby the classified board would consist of two classes with two directors in each class and one class with one director in that class (as compared to the current language that provides for three classes of two directors in each class). In order to accomplish the foregoing, stockholders will be asked to amend the first two sentences of Article 6 (A), so that these sentences would read as follows:

**Article 6 (A)**

The number of directors which shall constitute the whole Board of Directors of the Corporation shall be five. The Board of Directors shall be divided into three classes with two classes of two directors and one class of one director and the term of office of one class expiring each year.

The Board of Directors must be comprised of a majority of outside, independent directors to comply with the New York Stock Exchange Corporate Governance Standards. As a consequence, management recommends to the stockholders that they approve the proposed amendment.

**General Effect and Purpose of the Amendment**

Adoption of the amendment by the stockholders will coincide with the resignation of Melvin S. Cohen as a director, thereby reducing the number of directors to five and resulting in the three outside, independent directors (Messrs. O Meara, Cardozo, and Quinn), constituting a majority of the Board of Directors. If Mr. Stienessen is elected by the stockholders to succeed Mr. O Meara, as proposed by the Company, the outside, independent directors will continue to make up a majority of the Board. With a majority of the Board being comprised of outside, independent directors, the Company will thereby be in compliance with the New York Stock Exchange revised Corporate Governance Standards. If the proposed amendment is not approved by the shareholders, the Board will have a vacancy until such time the Restated Articles of Incorporation can be amended. The Board of Directors recommends that shareholders vote **FOR** amending Article 6 (A) of the Restated Articles of Incorporation.

**Vote Required**

The affirmative vote of the holders of at least three-quarters (75%) of the shares of common stock of the Company outstanding as of August 10, 2005, is required to adopt the amendment. Proxies solicited herewith will be voted in accordance with the instructions given. **When Specific Instructions are Not Given, Such Proxies Will Be Voted in Favor of Approval of the Amendment to the Restated Articles of Incorporation.**
