ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Edgar Filing: STIFEL FINANCIAL CORP - Form 8-K

On November 20, 2006, Stifel Financial Corp., a Delaware corporation ("Stifel"), and its wholly-owned subsidiary, FSFC Acquisition Co., a Missouri corporation ("AcquisitionCo"), entered into an Agreement and Plan of Merger (the "Merger Agreement") with First Service Financial Company, a Missouri corporation ("First Service"), pursuant to which Stifel will acquire First Service and its wholly-owned bank subsidiary, FirstService Bank, by means of the merger (the "Merger") of AcquisitionCo with and into First Service. The total consideration payable by Stifel in the Merger for all of the outstanding shares of First Service is approximately \$37.9 million cash.

The boards of directors of Stifel and First Service have each approved the Merger Agreement. Consummation of the Merger is subject to a number of customary conditions, including the receipt of all required regulatory approvals and approval of the First Service shareholders. Upon consummation of its acquisition of First Service and its wholly-owned bank subsidiary FirstService Bank, Stifel will become a bank holding company and a "financial holding company", subject to the supervision and regulation of The Board of Governors of the Federal Reserve System.

The Merger Agreement contains certain termination rights for Stifel and First Service. The Merger Agreement further provides that upon termination of the Merger Agreement under specified circumstances First Service may be required to pay Stifel a termination fee of \$1,400,000.

Concurrently with the execution of the Merger Agreement, Stifel and AcquisitionCo entered into a Shareholder Voting Agreement (the "Voting Agreement") with all of First Service's current directors in which the directors, in their capacities as First Service shareholders, have agreed to vote their shares of First Service common stock in favor of the Merger Agreement and the transactions contemplated thereby, including the Merger. Collectively, the First Service directors own approximately 43% of the issued and outstanding shares of First Service common stock. Approval of the Merger requires the approval of the holders of two-thirds of the issued and outstanding shares of First Service common stock.

The foregoing summary of the Merger Agreement is not complete and is qualified in its entirety by reference to the complete text of such document, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference in its entirety. The news release dated November 20, 2006 announcing the transaction is included as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

principles, policies or guidelines; changes in legislation and regulation; other economic, competitive, governmental, regulatory, geopolitical, and technological factors affecting the companies' operations, pricing, and services; and other risk factors referred to from time to time in filings made by Stifel with the Securities and Exchange Commission.
