Item 8.01 Other Events.

As previously disclosed on a Form 8-K filed on February 6, 2007, on February 6, 2007, Digital River, Inc. (the Company) announced that the Special Committee of its Board of Directors had reported its findings after an internal review into the Company s stock option practices. The purpose of this Form 8-K/A is solely to add a reference to Item 4.02 of Form 8-K, which was inadvertently omitted from the initial filing. As noted in the press release attached to the initial Form 8-K, the Company concluded, and the Audit Committee of the Company s Board of Directors approved this conclusion on February 6, 2007, that the financial information contained in the Company s financial statements for the years ended December 31, 2005 and prior should no longer be relied upon. The Company s management and the Audit Committee have discussed the matters disclosed in this filing and the attached press release with Ernst & Young, LLP, the Company s independent registered public accounting firm.

A copy of the press release issued by the Company in connection with the Special Committee s report is attached as Exhibit 99.1 to the initial Form 8-K filed on February 6, 2007 and is incorporated herein by reference.
