**CNH Supplies Equipment for Cleanup at Greensburg Tornado Site**

LAKE FOREST, Illinois May 14 MARKET WIRE CNH said the Kansas National Guard today began hauling skid steer loaders and related equipment from the company's plant in Wichita, Kan., about 90 miles west to tornado-stricken Greensburg, Kan., where it will be used in a massive cleanup effort.

The joint effort was coordinated by the CNH plant in Wichita, its New Holland Construction Equipment brand and Wichita Tractor Co., a local dealer. Six Super Boom™ L190 model skid steer loaders plus grapple buckets and pallet forks were included. KanEquip Inc., a dealer in Dodge City, Kan., will provide product support.

It's a great feeling to witness the generosity of Kansans like you. I speak for the citizens of Greensburg when I extend a heartfelt Thank you," said Col. Michael Foster of the Kansas Air National Guard in a statement.

Harold Boyanovsky, president and CEO of CNH, reiterated, "We are pleased to be in a position to provide equipment needed to begin the process of rebuilding this community.
