November '03 Order Comments:

Favorable currency exchange rates positively affected November orders approximately 4.5 percent.

Process orders reflect continued growth in Asia and Europe with modest declines in the U.S.

Industrial Automation orders improved with strength in industrial equipment, motors and controls. Orders were positive in Europe and down in the U.S.

Electronics and Telecommunications orders are driven by improvements in the data computing markets in the U.S. and Europe, and strength in the telecommunications market in Asia.

Strength in HVAC orders continued, led by growth in Asia, the U.S., the solutions business, and air-conditioning compressors.

Appliance and Tools orders reflect increases in tools, motors and appliances, and residential storage, driven by improvements in the U.S.
