Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off- Balance Sheet Arrangement of a Registrant.

On September 15, 2005, PNFP Statutory Trust II (PNFP Trust), a Delaware statutory trust subsidiary of Pinnacle Financial Partners, Inc. (the Company), issued \$20,000,000 of its trust preferred securities to institutional investors. PNFP Trust purchased \$20,619,000 of the Company s Junior Subordinated Debt Securities due September 30, 2035 (the Subordinated Debentures) and the Company guaranteed, pursuant to a guarantee agreement, payment obligations of PNFP Trust under the trust preferred securities. Proceeds of the issuance will provide additional capital to Pinnacle National Bank. The Subordinated Debentures (and PNFP Trust s trust preferred securities) will be payable in 2035 and, until September 30, 2010, will bear interest at an annual rate equal to 5.848% per annum and thereafter at a floating rate equal to three-month LIBOR plus 1.40%. The Company may defer the payment of interest at any time for a period up to twenty consecutive quarters provided the deferral period does not extend past the stated maturity. Except upon the occurrence of certain events resulting in a change in the capital treatment or tax treatment of the Subordinated Debentures or resulting in PNFP Trust being deemed to be an investment company required to register under the Investment Company Act of 1940, the Company may not redeem the Subordinated Debentures until after September 30, 2010.
